

275.36 Submission of change to electors.

If a petition for a change in the number of directors or in the method of election of school directors is filed with the school board of a school district pursuant to the requirements of section 278.2, the school board shall submit such proposition to the voters at the regular school election or a special election held not later than February 1. The petition shall be accompanied by an affidavit as required by section 275.13. If a proposition for a change in the number of directors or in the method of election of school directors submitted to the voters under this section is rejected, it shall not be resubmitted to the voters of the district in substantially the same form within the next three years; if it is approved, no other proposal may be submitted to the voters of the district under this section within the next six years.

If the proposal adopted by the voters requires the establishment of or a change in director district boundaries pursuant to section 275.12, subsection 2, paragraph "b", "c", "d", or "e", the school board shall draw the necessary boundaries within forty days after the date of the election. The boundaries shall be drawn according to the requirements of section 275.23A. Following adoption by the school board, the plan shall be submitted to the state commissioner of elections for approval. The new boundaries shall become effective on July 1 following approval.
