A revocation under this section shall not preclude a prosecution or conviction under any applicable criminal provisions of this chapter. However, if the person is convicted of a criminal offense under section 321J.2, the revocation imposed under this section shall be superseded by any revocation imposed as a result of the conviction.

In any proceeding regarding a revocation under this section, evidence of the results of analysis of a specimen of the defendant's blood, breath, or urine is admissible upon proof of a proper foundation. 8. *a.* On a conviction for or as a condition of a deferred judgment for a violation of section 321J.2, the court may order the defendant to install ignition interlock devices of a type approved by the commissioner of public safety on all motor vehicles owned or operated by the defendant which, without tampering or the intervention of another person, would prevent the defendant from operating the motor vehicle with an alcohol concentration greater than a level set by rule of the commissioner of public safety.

b. The commissioner of public safety shall adopt rules to approve certain ignition interlock devices and the means of installation of the devices, and shall establish the level of alcohol concentration beyond which an ignition interlock device will not allow operation of the motor vehicle in which it is installed.

c. The order to install ignition interlock devices shall remain in effect for a period of time as determined by the court which shall not exceed the maximum term of imprisonment which the court could have imposed according to the nature of the violation. While the order is in effect, the defendant shall not operate a motor vehicle which does not have an approved ignition interlock device installed.

d. If the defendant's driver's license or nonresident operating privilege has been revoked, the department shall not issue a temporary permit or a driver's license to the person without certification that approved ignition interlock devices have been installed in all motor vehicles owned or operated by the defendant while the order is in effect.

e. A defendant who fails within a reasonable time to comply with an order to install an approved ignition interlock device may be declared in contempt of court and punished accordingly.

f. A person who tampers with or circumvents an ignition interlock device installed under a court order while an order is in effect commits a serious misdemeanor.

9. *a.* A person whose noncommercial driver's license has either been revoked under this chapter, or revoked or suspended under chapter 321 solely for violations of this chapter, or who has been determined to be a habitual offender under chapter 321 based solely on violations of this chapter or on violations listed in section 321.560, subsection 1, paragraph "b", and who is not eligible for a temporary restricted license under this chapter may petition the court upon the expiration of the minimum period of ineligibility for a temporary restricted license provided for under this section, section 321J.9, 321J.12, 321J.20, or 321.560, for an order to the department to require the department to issue a temporary restricted license to the person notwithstanding section 321.560.

b. The petition shall include a current certified copy of the petitioner's official driving record issued by the department.

c. Upon the filing of a petition for a temporary restricted license under this section, the clerk of the district court in the county where the violation that resulted in the revocation occurred shall send notice of the petition to the department and the prosecuting attorney. The department and the prosecuting attorney shall each be given an opportunity to respond to and request a hearing on the petition.

d. The court shall determine if the temporary restricted license is necessary for the person to maintain the person's present employment. However, a temporary restricted license shall not be ordered or issued for a

violation of section 321J.2A or to a person under the age of twenty-one whose license is revoked under this section or section 321J.9 or 321J.12. If the court determines that the temporary restricted license is necessary for the person to maintain the person's present employment, and that the minimum period of ineligibility for receipt of a temporary license has expired, the court shall order the department to issue to the person a temporary restricted license conditioned upon the person's certification to the court of the installation of approved ignition interlock devices in all motor vehicles that it is necessary for the person to operate to maintain the person's present employment.

e. Section 321.561 does not apply to a person operating a motor vehicle in the manner permitted under this subsection.

f. If the person operates a motor vehicle which does not have an approved ignition interlock device or if the person tampers with or circumvents an ignition interlock device, in addition to other penalties provided, the person's temporary restricted license shall be revoked.

g. A person holding a temporary restricted license issued under this subsection shall not operate a commercial motor vehicle, as defined in section 321.1, on a highway if a commercial driver's license is required for the person to operate the commercial motor vehicle.

h. Notwithstanding any provision of this chapter to the contrary, the court may order the department to issue a temporary restricted license to a person otherwise eligible for a temporary restricted license under this subsection, whose period of revocation under this chapter has expired, but who has not met all requirements for reinstatement of the person's noncommercial driver's license or nonresident operating privileges.

321J.4B Motor vehicle impoundment or immobilization penalty liability of vehicle owner.

1. For purposes of this section:

a. "*Immobilized*" means the installation of a device in a motor vehicle that completely prevents a motor vehicle from being operated, or the installation of an ignition interlock device of a type approved by the commissioner of public safety.

b. "*Impoundment*" means the process of seizure and confinement within an enclosed area of a motor vehicle, for the purpose of restricting access to the vehicle.

c. "*Owner*" means the registered titleholder of a motor vehicle; except in the case where a rental or leasing agency is the registered titleholder, in which case the lessee of the vehicle shall be treated as the owner of the vehicle for purposes of this section.

2. A motor vehicle is subject to impoundment in the following circumstances:

a. If a person operates a vehicle in violation of section 321J.2, and if convicted for that conduct, the conviction would be a second or subsequent offense under section 321J.2.

b. If a person operates a vehicle while that person's driver's license or operating privilege has been suspended, denied, revoked, or barred due to a violation of section 321J.2.

The clerk of court shall send notice of a conviction of an offense for which the vehicle was impounded to the impounding authority upon conviction of the defendant for such offense.

Impoundment of the vehicle under this section may occur in addition to any criminal penalty imposed under chapter 321 or this chapter for the underlying criminal offense.

3. The motor vehicle operated by the person in the commission of any offense included in subsection 2 may be immediately impounded or immobilized in accordance with this section.

a. A person or agency taking possession of an impounded or immobilized motor vehicle shall do the following:

(1) Make an inventory of any property contained in the vehicle, according to the agency's inventory procedure. The agency responsible for the motor vehicle shall also deliver a copy of the inventory to the county attorney.

(2) Contact all rental or leasing agencies registered as owners of the vehicle, as well as any parties registered as holders of a secured interest in the vehicle, in accordance with subsection 12.

b. The county attorney shall file a copy of the inventory with the district court as part of each file related to criminal charges filed under this section.

4. An owner of a motor vehicle impounded or immobilized under this section, who knows of, should have known of, or gives consent to the operation of, the motor vehicle in violation of subsection 2, paragraph "*b*", shall be:

a. Guilty of a simple misdemeanor, and

b. Jointly and severally liable for any damages caused by the person who operated the motor vehicle, subject to the provisions of chapter 668.

5. *a.* The following persons shall be entitled to immediate return of the motor vehicle without payment of costs associated with the impoundment or immobilization of the vehicle:

(1) The owner of the motor vehicle, if the person who operated the motor vehicle is not a co-owner of the motor vehicle.

(2) A motor vehicle rental or leasing agency that owns the vehicle.

(3) A person who owns the motor vehicle and who is charged but is not convicted of the violation of section 321.218, 321.561, 321A.32, 321J.2, or 321J.21, which resulted in the impoundment or immobilization of the motor vehicle under this section.

b. Upon conviction of the defendant for a violation of subsection 2, paragraph "*a*", the court may order continued impoundment, or the immobilization, of the motor vehicle used in the commission of the offense, if the convicted person is the owner of the motor vehicle, and shall specify all of the following in the order:

(1) The motor vehicle that is subject to the order.

(2) The period of impoundment or immobilization.

(3) The person or agency responsible for carrying out the order requiring continued impoundment, or the immobilization, of the motor vehicle.

c. If the vehicle subject to the order is in the custody of a law enforcement agency, the court shall designate that agency as the responsible agency. If the vehicle is not in the custody of a law enforcement agency, the person or agency responsible for carrying out the order shall be any person deemed appropriate by the court, including but not limited to a law enforcement agency with jurisdiction over the area in which the residence of the vehicle owner is located. The person or agency responsible for carrying out the order shall determine whether the motor vehicle shall be impounded or immobilized.

d. The period of impoundment or immobilization of a motor vehicle under this section shall be the period of license revocation imposed upon the person convicted of the offense or one hundred eighty days, whichever period is longer. The impoundment or immobilization period shall commence on the day that the vehicle is first impounded or immobilized.

e. The clerk of the district court shall send a copy of the order to the department, the person convicted of the offense, the person or agency responsible for executing the order for impoundment or immobilization, and any holders of any security interests in the vehicle.

f. If the vehicle subject to the court order is not in the custody of a law enforcement agency, the person or agency designated in the order as the person or agency responsible for executing the order shall, upon receipt of the order, promptly locate the vehicle specified in the order, seize the motor vehicle and the license plates, and send or deliver the vehicle's license plates to the department.

If the vehicle is located at a place other than the place at which the court order is to be carried out, the person or agency responsible for executing the order shall arrange for the vehicle to be moved to the place of impoundment or immobilization. When the vehicle is found, is impounded or immobilized, and is at the place of impoundment or immobilization, the person or agency responsible for executing the order shall notify the clerk of the date on which the order was executed. The clerk shall notify the department of the date on which the order was executed.

g. Upon receipt of a court order for continued impoundment or immobilization of the motor vehicle, the agency shall review the value of the vehicle in relation to the costs associated with the period of impoundment of the motor vehicle specified in the order. If the agency determines that the costs of impoundment of the motor vehicle exceed the actual wholesale value of the motor vehicle, the agency may treat the vehicle as an abandoned vehicle pursuant to section 321.89. If the agency elects to treat the motor vehicle as abandoned, the agency shall notify the registered owner of the motor vehicle that the vehicle shall be deemed abandoned and shall be sold in the manner provided in section 321.89 if payment of the total cost of impoundment is not received within twenty-one days of the mailing of the notice. The agency shall provide documentation regarding the valuation of the vehicle and the costs of impoundment. This paragraph shall not apply to vehicles that are immobilized pursuant to this section or if subsection 12, paragraph "a" or "b", applies.

6. Upon conviction of the defendant for a second or subsequent violation of subsection 2, paragraph "b", the court shall order, if the convicted person is the owner of the motor vehicle used in the commission of the offense, that that motor vehicle be seized and forfeited to the state pursuant to chapters 809 and 809A.

7. *a.* Upon receipt of a notice of conviction of the defendant for a violation of subsection 2, the impounding authority shall seize the motor vehicle's license plates and registration, and shall send or deliver them to the

department.

b. The department shall destroy license plates received under this section and shall not authorize the release of the vehicle or the issuance of new license plates for the vehicle until the period of impoundment or immobilization has expired, and the fee and costs assessed under subsection 10 have been paid. The fee for issuance of new license plates and certificates of registration shall be the same as for the replacement of lost, mutilated, or destroyed license plates and certificates of registration.

8. *a.* Upon conviction for a violation of subsection 2, the court shall assess the defendant, in addition to any other penalty, a fee of one hundred dollars plus the cost of any expenses for towing, storage, and any other costs of impounding or immobilizing the motor vehicle, to be paid to the clerk of the district court.

b. The person or agency responsible for impoundment or immobilization under this section shall inform the court of the costs of towing, storage, and any other costs of impounding or immobilizing the motor vehicle. Upon payment of the fee and costs, the clerk shall forward a copy of the receipt to the department.

c. If a law enforcement agency impounds or immobilizes a motor vehicle, the amount of the fee and expenses deposited with the clerk shall be paid by the clerk to the law enforcement agency responsible for executing the order to reimburse the agency for costs incurred for impoundment or immobilization equipment and, if required, in sending officers to search for and locate the vehicle specified in the impoundment or immobilization order.

9. Operating a motor vehicle on a street or highway in this state in violation of an order of impoundment or immobilization is a serious misdemeanor. A motor vehicle which is subject to an order of impoundment or immobilization that is operated on a street or highway in this state in violation of the order shall be seized and forfeited to the state under chapters 809 and 809A.

10. Once the period of impoundment or immobilization has expired, the owner of the motor vehicle shall have thirty days to claim the motor vehicle and pay all fees and charges imposed under this section. If the owner or the owner's designee has not claimed the vehicle and paid all fees and charges imposed under this section within seven days from the date of expiration of the period, the clerk shall send written notification to the motor vehicle owner, at the owner's last known address, notifying the owner of the date of expiration of the period of impoundment or immobilization and of the period in which the motor vehicle must be claimed. If the motor vehicle owner fails to claim the motor vehicle and pay all fees and charges imposed within the thirty-day period, the motor vehicle shall be forfeited to the state under chapters 809 and 809A.

11. *a.* (1) During the period of impoundment or immobilization the owner of an impounded or immobilized vehicle shall not sell or transfer the title of the motor vehicle which is subject to the order of impoundment or immobilization.

(2) A person convicted of an offense under subsection 2, shall not purchase or register any motor vehicle during the period of impoundment, immobilization, or license revocation.

Violation of paragraph "*a*" is a serious misdemeanor.

b. If, during the period of impoundment or immobilization, the title to the motor vehicle which is the subject of the order is transferred by the foreclosure of a chattel mortgage, a sale upon execution, the cancellation of a conditional sales contract, or an order of a court, the court which enters the order that permits transfer of the title shall notify the department of the transfer of the title. The department shall enter notice of the transfer of the title to the motor vehicle in the previous owner's vehicle registration record.

12. Notwithstanding other requirements of this section:

a. Upon learning the address or phone number of a rental or leasing company which owns a motor vehicle impounded or immobilized under this section, the peace officer, county attorney, or attorney general shall immediately contact the company to inform the company that the vehicle is available for return to the company.

b. The holder of a security interest in a vehicle which is impounded or immobilized pursuant to this section or forfeited in the manner provided in chapters 809 and 809A shall be notified of the impoundment, immobilization, or forfeiture within seventy-two hours of the seizure of the vehicle and shall have the right to claim the motor vehicle without payment of any fees or surcharges unless the value of the vehicle exceeds the value of the security interest held by the creditor.

c. Any of the following persons may make application to the court for permission to operate a motor vehicle, which is impounded or immobilized pursuant to this section, during the period of impoundment or immobilization, if the applicant's driver's license or operating privilege has not been suspended, denied, revoked, or barred, and an ignition interlock device of a type approved by the commissioner of public safety is installed in the motor vehicle prior to operation:

(1) A person, other than the person who committed the offense which resulted in the impoundment or immobilization, who is not a member of the immediate family of the person who committed the offense but is a joint owner of the motor vehicle.

(2) A member of the immediate family of the person who committed the offense which resulted in the impoundment or immobilization, if the member demonstrates that the motor vehicle that is subject to the order for impoundment or immobilization is the only motor vehicle possessed by the family.

For purposes of this section, "*a member of the immediate family*" means a spouse, child, or parent of the person who committed the offense.

13. The impoundment, immobilization, or forfeiture of a motor vehicle under this chapter does not constitute loss of use of a motor vehicle for purposes of any contract of insurance.

321J.5 Preliminary screening test.

1. When a peace officer has reasonable grounds to believe that either of the following have occurred, the peace officer may request that the operator provide a sample of the operator's breath for a preliminary screening test using a device approved by the commissioner of public safety for that purpose:

a. A motor vehicle operator may be violating or has violated section 321J.2 or 321J.2A.

b. The operator has been involved in a motor vehicle collision resulting in injury or death.

2. The results of this preliminary screening test may be used for the purpose of deciding whether an arrest should be made or whether to request a chemical test authorized in this chapter, but shall not be used in any court action except to prove that a chemical test was properly requested of a person pursuant to this chapter.

86 Acts, ch 1220, §5; 95 Acts, ch 48, §12

321J.6 Implied consent to test.

1. A person who operates a motor vehicle in this state under circumstances which give reasonable grounds to

believe that the person has been operating a motor vehicle in violation of section 321J.2 or 321J.2A is deemed to have given consent to the withdrawal of specimens of the person's blood, breath, or urine and to a chemical test or tests of the specimens for the purpose of determining the alcohol concentration or presence of a controlled substance or other drugs, subject to this section. The withdrawal of the body substances and the test or tests shall be administered at the written request of a peace officer having reasonable grounds to believe that the person was operating a motor vehicle in violation of section 321J.2 or 321J.2A, and if any of the following conditions exist:

- a. A peace officer has lawfully placed the person under arrest for violation of section 321J.2.
- b. The person has been involved in a motor vehicle accident or collision resulting in personal injury or death.
- c. The person has refused to take a preliminary breath screening test provided by this chapter.
- d. The preliminary breath screening test was administered and it indicated an alcohol concentration equal to or in excess of the level prohibited by section 321J.2.
- e. The preliminary breath screening test was administered to a person operating a commercial motor vehicle as defined in section 321.1 and it indicated an alcohol concentration of 0.04 or more.
- f. The preliminary breath screening test was administered and it indicated an alcohol concentration less than the level prohibited by section 321J.2, and the peace officer has reasonable grounds to believe that the person was under the influence of a controlled substance, a drug other than alcohol, or a combination of alcohol and another drug.
- g. The preliminary breath screening test was administered and it indicated an alcohol concentration of .02 or more but less than .08 and the person is under the age of twenty- one.

2. The peace officer shall determine which of the three substances, breath, blood, or urine, shall be tested. Refusal to submit to a chemical test of urine or breath is deemed a refusal to submit, and section 321J.9 applies. A refusal to submit to a chemical test of blood is not deemed a refusal to submit, but in that case, the peace officer shall then determine which one of the other two substances shall be tested and shall offer the test. If the peace officer fails to offer a test within two hours after the preliminary screening test is administered or refused or the arrest is made, whichever occurs first, a test is not required, and there shall be no revocation under section 321J.9.

3. Notwithstanding subsection 2, if the peace officer has reasonable grounds to believe that the person was under the influence of a controlled substance, a drug other than alcohol, or a combination of alcohol and another drug, a blood or urine test shall be required even after another type of test has been administered. Section 321J.9 applies to a refusal to submit to a chemical test of urine or blood requested under this subsection.

321J.7 Dead or unconscious persons.

A person who is dead, unconscious, or otherwise in a condition rendering the person incapable of consent or refusal is deemed not to have withdrawn the consent provided by section 321J.6, and the test may be given if a licensed physician certifies in advance of the test that the person is dead, unconscious, or otherwise in a condition rendering that person incapable of consent or refusal. If the certification is oral, a written certification shall be completed by the physician within a reasonable time of the test.

321J.8 Statement of officer.

A person who has been requested to submit to a chemical test shall be advised by a peace officer of the following:

1. If the person refuses to submit to the test, the person's driver's license or nonresident operating privilege will be revoked by the department as required by and for the applicable period specified under section 321J.9.
2. If the person submits to the test and the results indicate the presence of a controlled substance or other drug, or an alcohol concentration equal to or in excess of the level prohibited by section 321J.2 or 321J.2A, the person's driver's license or nonresident operating privilege will be revoked by the department as required by and for the applicable period specified under section 321J.12.
3. If the person is operating a commercial motor vehicle as defined in section 321.1 and either refuses to submit to the test or submits to the test and the results indicate an alcohol concentration of 0.04 or more, the person is disqualified from operating a commercial motor vehicle for the applicable period under section 321.208 in addition to any revocation of the person's driver's license or nonresident operating privilege which may be applicable under this chapter.

This section does not apply in any case involving a person described in section 321J.7.

321J.9 Refusal to submit revocation.

1. If a person refuses to submit to the chemical testing, a test shall not be given, but the department, upon the receipt of the peace officer's certification, subject to penalty for perjury, that the officer had reasonable grounds to believe the person to have been operating a motor vehicle in violation of section 321J.2 or 321J.2A, that specified conditions existed for chemical testing pursuant to section 321J.6, and that the person refused to submit to the chemical testing, shall revoke the person's driver's license and any nonresident operating privilege for the following periods of time:

a. One year if the person has no previous revocation under this chapter; and

b. Two years if the person has had a previous revocation under this chapter.

2. *a.* A person whose driver's license or nonresident operating privileges are revoked under subsection 1, paragraph "*a*", shall not be eligible for a temporary restricted license for at least ninety days after the effective date of the revocation. A person whose driver's license or nonresident operating privileges are revoked under subsection 1, paragraph "*b*", shall not be eligible for a temporary restricted license for at least one year after the effective date of the revocation.

b. The defendant shall be ordered to install an ignition interlock device of a type approved by the commissioner of public safety on all vehicles owned or operated by the defendant if the defendant seeks a temporary restricted license at the end of the minimum period of ineligibility. A temporary restricted license shall not be granted by the department until the defendant installs the ignition interlock device.

3. If the person is a resident without a license or permit to operate a motor vehicle in this state, the department shall deny to the person the issuance of a license or permit for the same period a license or permit would be revoked, and deny issuance of a temporary restricted license for the same period of ineligibility for

receipt of a temporary restricted license, subject to review as provided in this chapter.

4. The effective date of revocation shall be ten days after the department has mailed notice of revocation to the person by first class mail, notwithstanding chapter 17A. The peace officer who requested or directed the administration of a chemical test may, on behalf of the department, serve immediate notice of intention to revoke and of revocation on a person who refuses to permit chemical testing. If the peace officer serves immediate notice, the peace officer shall take the Iowa license or permit of the driver, if any, and issue a temporary license effective for ten days. The peace officer shall immediately send the person's license to the department along with the officer's certificate indicating the person's refusal to submit to chemical testing.

321J.10 Tests pursuant to warrants.

1. Refusal to consent to a test under section 321J.6 does not prohibit the withdrawal of a specimen for chemical testing pursuant to a search warrant issued in the investigation of a suspected violation of section 707.5 or 707.6A if all of the following grounds exist:

- a.* A traffic accident has resulted in a death or personal injury reasonably likely to cause death.
- b.* There are reasonable grounds to believe that one or more of the persons whose driving may have been the proximate cause of the accident was violating section 321J.2 at the time of the accident.

2. Search warrants may be issued under this section in full compliance with chapter 808 or they may be issued under subsection 3.

3. Notwithstanding section 808.3, the issuance of a search warrant under this section may be based upon sworn oral testimony communicated by telephone if the magistrate who is asked to issue the warrant is satisfied that the circumstances make it reasonable to dispense with a written affidavit. The following shall then apply:

- a.* When a caller applies for the issuance of a warrant under this section and the magistrate becomes aware of the purpose of the call, the magistrate shall place under oath the person applying for the warrant.

- b.* The person applying for the warrant shall prepare a duplicate warrant and read the duplicate warrant, verbatim, to the magistrate who shall enter, verbatim, what is read to the magistrate on a form that will be considered the original warrant. The magistrate may direct that the warrant be modified.

- c.* The oral application testimony shall set forth facts and information tending to establish the existence of the grounds for the warrant and shall describe with a reasonable degree of specificity the person or persons whose driving is believed to have been the proximate cause of the accident and from whom a specimen is to be withdrawn and the location where the withdrawal of the specimen or specimens is to take place.

- d.* If a voice recording device is available, the magistrate may record by means of that device all of the call after the magistrate becomes aware of the purpose of the call. Otherwise, the magistrate shall cause a stenographic or longhand memorandum to be made of the oral testimony of the person applying for the warrant.

- e.* If the magistrate is satisfied from the oral testimony that the grounds for the warrant exist or that there is probable cause to believe that they exist, the magistrate shall order the issuance of the warrant by directing the person applying for the warrant to sign the magistrate's name on the duplicate warrant. The magistrate shall immediately sign the original warrant and enter on its face the exact time when the issuance was ordered.

f. The person who executes the warrant shall enter the time of execution on the face of the duplicate warrant.

g. The magistrate shall cause any record of the call made by means of a voice recording device to be transcribed, shall certify the accuracy of the transcript, and shall file the transcript and the original record with the clerk. If a stenographic or longhand memorandum was made of the oral testimony of the person who applied for the warrant, the magistrate shall file a signed copy with the clerk.

h. The clerk of court shall maintain the original and duplicate warrants along with the record of the telephone call and any transcript or memorandum made of the call in a confidential file until a charge, if any, is filed.

4. *a.* Search warrants issued under this section shall authorize and direct peace officers to secure the withdrawal of blood specimens by medical personnel under section 321J.11. Reasonable care shall be exercised to ensure the health and safety of the persons from whom specimens are withdrawn in execution of the warrants.

b. If a person from whom a specimen is to be withdrawn objects to the withdrawal of blood, the warrant may be executed as follows:

(1) If the person is capable of giving a specimen of breath, and a direct breath testing instrument is readily available, the warrant may be executed by the withdrawal of a specimen of breath for chemical testing, unless the peace officer has reasonable grounds to believe that the person was under the influence of a controlled substance, a drug other than alcohol, or a combination of alcohol and another drug.

(2) If the testimony in support of the warrant sets forth facts and information that the peace officer has reasonable grounds to believe that the person was under the influence of a controlled substance, a drug other than alcohol, or a combination of alcohol and another drug, a urine sample shall be collected in lieu of a blood sample, if the person is capable of giving a urine sample and the sample can be collected without the need to physically compel the execution of the warrant.

5. The act of any person knowingly resisting or obstructing the withdrawal of a specimen pursuant to a search warrant issued under this section constitutes a contempt punishable by a fine not exceeding one thousand dollars or imprisonment in a county jail not exceeding one year or by both such fine and imprisonment. Also, if the withdrawal of a specimen is so resisted or obstructed, sections 321J.9 and 321J.16 apply.

6. Nonsubstantive variances between the contents of the original and duplicate warrants shall not cause a warrant issued under subsection 3 of this section to be considered invalid.

7. Specimens obtained pursuant to warrants issued under this section are not subject to disposition under section 808.9 or chapter 809 or 809A.

8. Subsections 1 to 7 of this section do not apply where a test may be administered under section 321J.7.

9. Medical personnel who use reasonable care and accepted medical practices in withdrawing blood specimens are immune from liability for their actions in complying with requests made of them pursuant to search warrants or pursuant to section 321J.11.

86 Acts, ch 1220, § 10; 90 Acts, ch 1233, § 21; 96 Acts, ch 1133, § 44; 98 Acts, ch 1138, § 18

321J.11 Taking sample for test.

Only a licensed physician, licensed physician assistant as defined in section 148C.1, medical technologist, or registered nurse, acting at the request of a peace officer, may withdraw a specimen of blood for the purpose of determining the alcohol concentration or the presence of a controlled substance or other drugs. However,

any peace officer, using devices and methods approved by the commissioner of public safety, may take a specimen of a person's breath or urine for the purpose of determining the alcohol concentration, or may take a specimen of a person's urine for the purpose of determining the presence of a controlled substance or other drugs. Only new equipment kept under strictly sanitary and sterile conditions shall be used for drawing blood.

The person may have an independent chemical test or tests administered at the person's own expense in addition to any administered at the direction of a peace officer. The failure or inability of the person to obtain an independent chemical test or tests does not preclude the admission of evidence of the results of the test or tests administered at the direction of the peace officer. Upon the request of the person who is tested, the results of the test or tests administered at the direction of the peace officer shall be made available to the person.

321J.12 Test result revocation.

1. Upon certification, subject to penalty for perjury, by the peace officer that there existed reasonable grounds to believe that the person had been operating a motor vehicle in violation of section 321J.2, that there existed one or more of the necessary conditions for chemical testing described in section 321J.6, subsection 1, and that the person submitted to chemical testing and the test results indicated the presence of a controlled substance or other drug, or an alcohol concentration equal to or in excess of the level prohibited by section 321J.2, or a combination of alcohol and another drug in violation of section 321J.2, the department shall revoke the person's driver's license or nonresident operating privilege for the following periods of time:

a. One hundred eighty days if the person has had no revocation under this chapter.

b. One year if the person has had a previous revocation under this chapter.

2. *a.* A person whose driver's license or nonresident operating privileges have been revoked under subsection 1, paragraph "a", whose alcohol concentration is .08 or more but not more than .10 shall not be eligible for any temporary restricted license for at least thirty days after the effective date of the revocation if a test was obtained and an accident resulting in personal injury or property damage occurred. The defendant shall be ordered to install an ignition interlock device of a type approved by the commissioner of public safety on all vehicles owned or operated by the defendant if the defendant seeks a temporary license. There shall be no such period of ineligibility if no such accident occurred, and the defendant shall not be ordered to install an ignition interlock device.

b. A defendant whose alcohol concentration is more than .10 shall not be eligible for any temporary restricted license for at least thirty days if a test was obtained and an accident resulting in personal injury or property damage occurred or the defendant's alcohol concentration exceeded .15. There shall be no such period of ineligibility if no such accident occurred and the defendant's alcohol concentration did not exceed .15. In either case, where a defendant's alcohol concentration is more than .10, the defendant shall be ordered to install an ignition interlock device of a type approved by the commissioner of public safety on all vehicles owned or operated by the defendant if the defendant seeks a temporary restricted license.

c. If the person is under the age of twenty-one, the person shall not be eligible for a temporary restricted license for at least sixty days after the effective date of the revocation.

d. A person whose license or privileges have been revoked under subsection 1, paragraph "b", for one year shall not be eligible for any temporary restricted license for one year after the effective date of the revocation, and the person shall be ordered to install an ignition interlock device of a type approved by the commissioner of public safety on all vehicles owned or operated by the defendant if the defendant seeks a temporary

restricted license at the end of the minimum period of ineligibility. A temporary restricted license shall not be granted by the department until the defendant installs the ignition interlock device.

3. The effective date of the revocation shall be ten days after the department has mailed notice of revocation to the person by first class mail, notwithstanding chapter 17A. The peace officer who requested or directed the administration of the chemical test may, on behalf of the department, serve immediate notice of revocation on a person whose test results indicated the presence of a controlled substance or other drug, or an alcohol concentration equal to or in excess of the level prohibited by section 321J.2, or a combination of alcohol and another controlled substance or drug in violation of section 321J.2.

4. If the peace officer serves that immediate notice, the peace officer shall take the person's Iowa license or permit, if any, and issue a temporary license valid only for ten days. The peace officer shall immediately send the person's driver's license to the department along with the officer's certificate indicating that the test results indicated the presence of a controlled substance or other drug, or an alcohol concentration equal to or in excess of the level prohibited by section 321J.2.

5. Upon certification, subject to penalty of perjury, by the peace officer that there existed reasonable grounds to believe that the person had been operating a motor vehicle in violation of section 321J.2A, that there existed one or more of the necessary conditions for chemical testing described in section 321J.6, subsection 1, and that the person submitted to chemical testing and the test results indicated an alcohol concentration of .02 or more but less than .08, the department shall revoke the person's driver's license or operating privilege for a period of sixty days if the person has had no previous revocation under this chapter, and for a period of ninety days if the person has had a previous revocation under this chapter.

6. The results of a chemical test may not be used as the basis for a revocation of a person's driver's license or nonresident operating privilege if the alcohol or drug concentration indicated by the chemical test minus the established margin of error inherent in the device or method used to conduct the chemical test is not equal to or in excess of the level prohibited by section 321J.2 or 321J.2A.

321J.13 Hearing on revocation appeal.

1. Notice of revocation of a person's noncommercial driver's license or operating privilege served pursuant to section 321J.9 or 321J.12 shall include a form accompanied by a preaddressed envelope on which the person served may indicate by a checkmark if the person only wishes to request a temporary restricted license after the mandatory ineligibility period for issuance of a temporary restricted license has ended, or if the person wishes a hearing to contest the revocation. The form shall clearly state on its face that the form must be completed and returned within ten days of receipt or the person's right to a hearing to contest the revocation is foreclosed. The form shall also be accompanied by a statement of the operation of and the person's rights under this chapter.

2. The department shall grant the person an opportunity to be heard within forty-five days of receipt of a request for a hearing if the request is made not later than ten days after receipt of notice of revocation served pursuant to section 321J.9 or 321J.12. The hearing shall be before the department in the county where the alleged events occurred, unless the director and the person agree that the hearing may be held in some other county, or the hearing may be held by telephone conference at the discretion of the agency conducting the hearing. The hearing may be recorded and its scope shall be limited to the issues of whether a peace officer had reasonable grounds to believe that the person was operating a motor vehicle in violation of section 321J.2 or 321J.2A and one or more of the following:

a. Whether the person refused to submit to the test or tests.

b. Whether a test was administered and the test results indicated an alcohol concentration equal to or in excess of the level prohibited under section 321J.2 or 321J.2A.

c. Whether a test was administered and the test results indicated the presence of alcohol, a controlled substance or other drug, or a combination of alcohol and another drug, in violation of section 321J.2.

3. After the hearing the department shall order that the revocation be either rescinded or sustained. Upon receipt of the decision of the department to sustain a revocation, the person contesting the revocation has ten days to file a request for review of the decision by the director. The director or the director's designee shall review the decision within thirty days and shall either rescind or sustain the revocation or order a new hearing. If the director orders a new hearing, the department shall grant the person a new hearing within twenty days of the director's order.

4. The department shall stay the revocation of a person's driver's license or operating privilege for the period that the person is contesting the revocation under this section or section 321J.14 if it is shown to the satisfaction of the department that the new evidence is material and that there were valid reasons for failure to present it in the contested case proceeding before the department. However, a stay shall not be granted for violations of section 321J.2A.

5. If the department fails to comply with the time limitations of this section regarding granting a hearing, review by the director or the director's designee, or granting a new hearing, and if the request for a hearing or review by the director was properly made under this section, the revocation of the driver's license or operating privilege of the person who made the request for a hearing or review shall be rescinded. This subsection shall not apply in those cases in which a continuance to the hearing has been granted at the request of either the person who requested the hearing or the peace officer who requested or administered the chemical test.

6. a. The department shall grant a request for a hearing to rescind the revocation if the person whose motor vehicle license or operating privilege has been or is being revoked under section 321J.9 or 321J.12 submits a petition containing information relating to the discovery of new evidence that provides grounds for rescission of the revocation.

b. The person shall prevail at the hearing if, in the criminal action on the charge of violation of section 321J.2 or 321J.2A resulting from the same circumstances that resulted in the administrative revocation being challenged, the court held one of the following:

(1) That the peace officer did not have reasonable grounds to believe that a violation of section 321J.2 or 321J.2A had occurred to support a request for or to administer a chemical test.

(2) That the chemical test was otherwise inadmissible or invalid.

c. Such a holding by the court in the criminal action is binding on the department, and the department shall rescind the revocation.

321J.15 Evidence in any action.

Upon the trial of a civil or criminal action or proceeding arising out of acts alleged to have been committed by a person while operating a motor vehicle in violation of section 321J.2 or 321J.2A, evidence of the alcohol concentration or the presence of a controlled substance or other drugs in the person's body substances at the time of the act alleged as shown by a chemical analysis of the person's blood, breath, or urine is admissible. If it is established at trial that an analysis of a breath specimen was performed by a certified operator using a device intended to determine alcohol concentration and methods approved by the commissioner of public safety, no further foundation is necessary for introduction of the evidence.

The money collected by the department under this section shall be transmitted to the treasurer of state who shall deposit one-half of the money in the separate fund established in section 915.94 and one-half of the money in the general fund of the state. A temporary restricted license shall not be issued unless an ignition interlock device has been installed pursuant to section 321J.4 and the civil penalty has been paid. A driver's license or nonresident operating privilege shall not be reinstated unless proof of deinstallation of an ignition interlock device installed pursuant to section 321J.4 has been submitted to the department and the civil penalty has been paid.

2. If the department or a court orders the revocation of a person's driver's license or nonresident operating privilege under this chapter, the department or court shall also order the person, at the person's own expense, to do the following:

a. Enroll, attend, and satisfactorily complete a course for drinking drivers, as provided in section 321J.22.

b. Submit to evaluation and treatment or rehabilitation services.

The court or department may request that the community college or substance abuse treatment providers licensed under chapter 125 conducting the course for drinking drivers that the person is ordered to attend immediately report to the court or department that the person has successfully completed the course for drinking drivers. The court or department may request that the treatment program which the person attends periodically report on the defendant's attendance and participation in the program, as well as the status of treatment or rehabilitation.

A driver's license or nonresident operating privilege shall not be reinstated until proof of completion of the

requirements of this subsection is presented to the department.

3. The department shall also require certification of installation of an ignition interlock device of a type approved by the commissioner of public safety on all motor vehicles owned or operated by any person seeking reinstatement following a second or subsequent conviction for a violation of section 321J.2, unless such a person has previously received a temporary restricted license as authorized by this chapter. 1. The department may, on application, issue a temporary restricted license to a person whose noncommercial driver's license is revoked under this chapter allowing the person to drive to and from the person's home and specified places at specified times which can be verified by the department and which are required by the person's full-time or part-time employment, continuing health care or the continuing health care of another who is dependent upon the person, continuing education while enrolled in an educational institution on a part-time or full-time basis and while pursuing a course of study leading to a diploma, degree, or other certification of successful educational completion, substance abuse treatment, and court-ordered community service responsibilities if the person's driver's license has not been revoked previously under section 321J.4, 321J.9, or 321J.12 and if any of the following apply:

a. The person's noncommercial driver's license is revoked under section 321J.4 and the minimum period of ineligibility for issuance of a temporary restricted license has expired. This subsection shall not apply to a revocation ordered under section 321J.4 resulting from a plea or verdict of guilty of a violation of section 321J.2 that involved a death.

b. The person's noncommercial driver's license is revoked under section 321J.9 and the person has entered a plea of guilty on a charge of a violation of section 321J.2 which arose from the same set of circumstances which resulted in the person's driver's license revocation under section 321J.9 and the guilty plea is not withdrawn at the time of or after application for the temporary restricted license, and the minimum period of ineligibility for issuance of a temporary restricted license has expired.

c. The person's noncommercial driver's license is revoked under section 321J.12, and the minimum period of ineligibility for issuance of a temporary restricted license has expired.

However, a temporary restricted license may be issued if the person's noncommercial driver's license is revoked under section 321J.9, and the revocation is a second revocation under this chapter, and the first three hundred sixty-five days of the revocation have expired.

2. This section does not apply to a person whose license was revoked under section 321J.2A or section 321J.4, subsection 4 or 6, or to a person whose license is suspended or revoked for another reason.

3. A person holding a temporary restricted license issued by the department under this section shall not operate a motor vehicle for pleasure.

Installation of an ignition interlock device under this section shall be required for the period of time for which the temporary restricted license is issued.

7. Notwithstanding any provision of this chapter to the contrary, the department may issue a temporary restricted license to a person otherwise eligible for a temporary restricted license under this section, whose period of revocation under this chapter has expired, but who has not met all requirements for reinstatement of the person's driver's license or nonresident operating privileges.

321J.23 Legislative findings.

The general assembly finds and declares as follows:

1. Drivers often do not realize the consequences of drinking alcohol or using other drugs, and driving a motor vehicle.
2. Prompt intervention is needed to protect society, including drivers, from death or serious long-term injury.
3. The conviction of a driver for operating while intoxicated identifies that person as a risk to the health and safety of others, as well as to the intoxicated driver.
4. Close observation of the effects on others of alcohol and drug use by an intoxicated driver convicted of operating while intoxicated may have a marked effect on recidivism and should therefore be encouraged by the courts.
5. The reality education substance abuse prevention program provides guidelines for the operation of an intensive program to discourage recidivism.

321J.24 Court-ordered visitation for offenders immunity from liability.

Upon a conviction or adjudication for a violation of section 321J.2, or the entry of a deferred judgment concerning a violation of section 321J.2, the court or juvenile court may order participation in the reality education substance abuse prevention program as a term and condition of probation or disposition in addition to any other term or condition of probation or disposition required or authorized by law. The court or juvenile court shall require the defendant or delinquent child to abstain from consuming any controlled substance, alcoholic liquor, wine, or beer while participating in the program.

3. The court or juvenile court shall consult with the defendant or delinquent child and the defendant's or

delinquent child's attorney, if any, and may consult with any other person, including but not limited to the defendant's or delinquent child's parents or other family members, to determine if the defendant or delinquent child is suitable for participation in the program, if the program will be educational and meaningful to the defendant or delinquent child, and if any physical, emotional, mental, or other reasons exist which indicate that the program would be inappropriate or would cause any injury to the defendant or delinquent child.

4. The court or juvenile court may appoint a program coordinator, to coordinate all tours and select appropriate tour supervisors for each tour. The program coordinator shall monitor compliance by contacting each tour supervisor following the completion of a tour.

5. The court or juvenile court may include a requirement for a supervised educational tour by the defendant or delinquent child to any or all of the following:

a. A hospital or other emergency medical care facility which regularly receives victims of motor vehicle accidents, to observe treatment of appropriate victims of motor vehicle accidents involving intoxicated drivers, under the supervision of a registered nurse, physician, paramedic, or emergency medical technician.

6. Prior to a tour, the program coordinator shall explain and discuss the experiences which may be encountered during the tour to the participant. If the program coordinator determines at any time before or during a tour that the tour may be traumatic or otherwise inappropriate for the participant, the program coordinator shall terminate the tour without prejudice to the participant.

7. The court or juvenile court may order a personal conference after the tours with the participant, the participant's attorney, if any, and any other persons if available and deemed necessary by the court or juvenile court, to discuss the experiences of the participant in the program and how those experiences may impact the participant's conduct. The court or juvenile court may order the participant to write a report or letter concerning the participant's experiences in the program.

8. Tour supervisors and facilities toured during the program are not liable for any civil damages resulting from injury to the participant, or civil damages caused by the participant during or from any activities related to a tour, except for willful or grossly negligent acts intended to, or reasonably expected to result in, such injury or damage.

9. The chief judge of the judicial district shall determine fees to be paid by participants in the program. The judicial branch shall use the fees to pay all costs associated with the program. The court shall either require the participant to pay the fee in order to participate in the program, or may waive the fee or collect a lesser amount upon a showing of cause.
