

100C.10 Fire extinguishing system contractors advisory board.

1. A fire extinguishing system contractors advisory board is established in the division of fire protection of the department of public safety and shall advise the state fire marshal on matters pertaining to the application and certification of fire extinguishing system contractors pursuant to this chapter.
2. The board shall consist of seven voting members appointed by the commissioner of public safety as follows:
 - a. Two full-time fire officials of incorporated municipalities or counties.
 - b. One full-time building official of an incorporated municipality or county.
 - c. Two fire extinguishing system contractors, certified pursuant to this chapter, of which at least one shall be a water-based fire sprinkler contractor.
 - d. One professional engineer or architect licensed in the state.
 - e. One representative of the general public.
3. The state fire marshal, or the state fire marshal's designee, shall be a nonvoting ex officio member of the board.
4. The commissioner shall initially appoint two members for two-year terms, two members for four-year terms, and three members for six-year terms. Following the expiration of the terms of initially appointed members, each term thereafter shall be for a period of six years. No member shall serve more than two consecutive terms.
5. Four voting members of the advisory board shall constitute a quorum. A majority vote of the board shall be required to conduct business.
