d. A class "E" liquor control license may be issued to a city council for premises located within the limits of the city if there are no class "E" liquor control licensees operating within the limits of the city and no other applications for a class "E" license for premises located within the limits of the city at the time the city council's application is filed. If a class "E" liquor control license is subsequently issued to a private person for premises located within the limits of the city, the city council shall surrender its license to the division within one year of the date that the class "E" liquor control licensee begins operating, liquidate any remaining assets connected with the liquor store, and cease operating the liquor store.

2. No liquor control license shall be issued for premises which do not conform to all applicable laws, ordinances, resolutions, and health and fire regulations. Nor shall any licensee have or maintain any interior access to residential or sleeping quarters unless permission is granted by the administrator in the form of a

living quarters permit.

3. Liquor control licenses issued under this chapter shall be of the following classes:

a. Class "A". A class "A" liquor control license may be issued to a club and shall authorize the holder to purchase alcoholic liquors from class "E" liquor control licensees only, wine from class "A" wine permittees or class "B" wine permittees who also hold class "E" liquor control licenses only, and native wines from native wine manufacturers, and to sell liquors, wine, and beer to bona fide members and their guests by the individual drink for consumption on the premises only.

However, beer may also be sold for consumption off the premises. Each license shall be effective throughout the premises described in the application.

However, beer may also be sold for consumption off the premises. The license issued to holders of a special class "C" license shall clearly state on its face that the license is limited.

d. Class "D".

Each license is valid throughout the state. Only one license is required for all trains, watercraft, or aircraft operated in the state by the licensee. However, if a watercraft is an excursion gambling boat licensed under chapter 99F, the owner shall obtain a separate class "D" liquor control license for each excursion gambling boat operating in the waters of this state.

e. Class "E". A class "E" liquor control license may be issued and shall authorize the holder to purchase alcoholic liquor from the division only and to sell the alcoholic liquor to patrons for consumption off the licensed premises and to other liquor control licensees. A class "E" license shall not be issued to premises at which gasoline is sold. A holder of a class "E" liquor control license may hold other retail liquor control licenses or retail wine or beer permits, but the premises licensed under a class "E" liquor control license shall

be separate from other licensed premises, though the separate premises may have a common entrance. However, the holder of a class "E" liquor control license may also hold a class "B" wine or class "C" beer permit or both for the premises licensed under a class "E" liquor control license.

The division may issue a class "E" liquor control license for premises covered by a liquor control license or wine or beer permit for on-premises consumption, if the premises are in a county having a population under nine thousand five hundred in which no other class "E" liquor control license has been issued by the division, and no other application for a class "E" license has been made within the previous twelve consecutive months.

3. *Licensed premises for local events.* A local authority may define, by motion of the local authority, licensed premises which shall be used by holders of liquor control licenses, beer permits, and wine permits at festivals, fairs, or celebrations which are sponsored or authorized by the local authority. The licensed premises defined by motion of the local authority shall be used by the holders of five-day or fourteen-day liquor control licenses, or five-day or fourteen-day beer permits only.

Upon receipt of an application having been approved by the local authority, the division shall make an investigation as the administrator deems necessary to determine that the applicant complies with all requirements for holding a license or permit, and may require the applicant to appear to be examined under oath to demonstrate that the applicant complies with all of the requirements to hold a license or permit. If the administrator requires the applicant to appear and to testify under oath, a record shall be made of all testimony or evidence and the record shall become a part of the application. However, for the renewal of a class "E" license, the simplified application form for renewal, accompanied by the necessary fee and bond if required, shall be filed directly with the administrator without the endorsement of local authorities if all of the following conditions are met: the applicant's license has not been suspended or revoked since the preceding license was issued; a civil penalty has not been imposed against the applicant under this chapter since the preceding license was issued; an administrative proceeding is not pending against the applicant to suspend or revoke the applicant's license or to impose a civil penalty under this chapter; and the applicant has not been convicted of a violation of this chapter since the preceding license was issued.

123.37 Exclusive power to license and levy taxes disputed taxes.

The power to establish licenses and permits and levy taxes as imposed in chapter 123 is vested exclusively with the state. Unless specifically provided, a local authority shall not require the obtaining of a special license or permit for the sale of alcoholic beverages, wine, or beer at any establishment, or require the obtaining of a license by any person as a condition precedent to the person's employment in the sale, serving, or handling of alcoholic beverages, wine, or beer, within an establishment operating under a license or permit.

The administrator may compromise and settle doubtful and disputed claims for taxes imposed under this chapter or for taxes of doubtful collectibility, notwithstanding section 7D.9. The administrator may enter into informal settlements pursuant to section 17A.10 to compromise and settle doubtful and disputed claims for taxes imposed under this chapter. The administrator may make a claim under a licensee's or permittee's penal bond for taxes of doubtful collectibility. Whenever a compromise or settlement is made, the administrator shall make a complete record of the case showing the tax assessed, reports and audits, if any, the licensee's or permittee's grounds for dispute or contest, together with all evidence of the dispute or contest, and the amounts, conditions, and settlement or compromise of the dispute or contest.

A licensee or permittee who disputes the amount of tax imposed must pay all tax and penalty pertaining to the disputed tax liability prior to appealing the disputed tax liability to the administrator.

The administrator shall adopt rules establishing procedures for payment of disputed taxes imposed under this chapter. If it is determined that the tax is not due in whole or in part, the division shall promptly refund the part of the tax payment which is determined not to be due.

123.38 Nature of permit or license surrender transfer.

A special liquor permit, liquor control license, wine permit, or beer permit is a personal privilege and is revocable for cause. It is not property nor is it subject to attachment and execution nor alienable nor assignable, and it shall cease upon the death of the permittee or licensee. However, the administrator of the division may in the administrator's discretion allow the executor or administrator of a permittee or licensee to operate the business of the decedent for a reasonable time not to exceed the expiration date of the permit or license. Every permit or license shall be issued in the name of the applicant and no person holding a permit or license shall allow any other person to use it.

Any licensee or permittee, or the licensee's or permittee's executor or administrator, or any person duly appointed by the court to take charge of and administer the property or assets of the licensee or permittee for the benefit of the licensee's or permittee's creditors, may voluntarily surrender a license or permit to the division. When a license or permit is surrendered the division shall notify the local authority, and the division or the local authority shall refund to the person surrendering the license or permit, a proportionate amount of the fee received by the division or the local authority for the license or permit as follows: if a license or permit is surrendered during the first three months of the period for which it was issued, the refund shall be three-fourths of the amount of the fee; if surrendered more than three months but not more than six months after issuance, the refund shall be one-half of the amount of the fee; if surrendered more than six months but not more than nine months after issuance, the refund shall be one-fourth of the amount of the fee. No refund shall be made, however, for any special liquor permit, nor for a liquor control license, wine permit, or beer permit surrendered more than nine months after issuance. For purposes of this paragraph, any portion of

license or permit fees used for the purposes authorized in section 331.424, subsection 1, paragraphs "a" and "b", and in section 331.424A, shall not be deemed received either by the division or by a local authority. No refund shall be made to any licensee or permittee, upon the surrender of the license or permit, if there is at the time of surrender, a complaint filed with the division or local authority, charging the licensee or permittee with a violation of this chapter. If upon a hearing on a complaint the license or permit is not revoked or suspended, then the licensee or permittee is eligible, upon surrender of the license or permit, to receive a refund as provided in this section; but if the license or permit is revoked or suspended upon hearing the licensee or permittee is not eligible for the refund of any portion of the license or permit fee.

The local authority may in its discretion authorize a licensee or permittee to transfer the license or permit from one location to another within the same incorporated city, or within a county outside the corporate limits of a city, provided that the premises to which the transfer is to be made would have been eligible for a license or permit in the first instance and such transfer will not result in the violation of any law. All transfers authorized, and the particulars of same, shall be reported to the administrator by the local authority. The administrator may by rule establish a uniform transfer fee to be assessed by all local authorities upon licensees or permittees to cover the administrative costs of such transfers, such fee to be retained by the local authority involved.

123.39 Suspension or revocation of license or permit civil penalty.

1. *a.* The administrator or the local authority may suspend a license or permit issued pursuant to this chapter for a period not to exceed one year, revoke the license or permit, or impose a civil penalty not to exceed one thousand dollars per violation. Before suspension, revocation, or imposition of a civil penalty, the license or permit holder shall be given written notice and an opportunity for a hearing. The administrator may appoint a member of the division or may request an administrative law judge from the department of inspections and appeals to conduct the hearing and issue a proposed decision. Upon the motion of a party to the hearing or upon the administrator's own motion, the administrator may review the proposed decision in accordance with chapter 17A. Upon review of the proposed decision, the administrator may affirm, reverse, or modify the proposed decision. A licensee or permittee aggrieved by a decision of the administrator may seek judicial review of the administrator's decision in accordance with chapter 17A.

b. A license or permit issued under this chapter may be suspended or revoked, or a civil penalty may be imposed on the license or permit holder by the local authority or the administrator for any of the following causes:

- (1) Misrepresentation of any material fact in the application for the license or permit.
- (2) Violation of any of the provisions of this chapter.
- (3) Any change in the ownership or interest in the business operated under a class "A", class "B", or class "C" liquor control license, or any wine or beer permit, which change was not previously reported to and approved by the local authority and the division.
- (4) An event which would have resulted in disqualification from receiving the license or permit when originally issued.
- (5) Any sale, hypothecation, or transfer of the license or permit.

(6) The failure or refusal on the part of any licensee or permittee to render any report or remit any taxes to the division under this chapter when due.

c. A criminal conviction is not a prerequisite to suspension, revocation, or imposition of a civil penalty pursuant to this section. A local authority which acts pursuant to this section or section 123.32 shall notify the division in writing of the action taken, and shall notify the licensee or permit holder of the right to appeal a suspension, revocation, or imposition of a civil penalty to the division. Civil penalties imposed and collected by the local authority under this section shall be retained by the local authority. Civil penalties imposed and collected by the division under this section shall be retained by the division.

2. Local authorities may suspend any retail wine or beer permit or liquor control license for a violation of any ordinance or regulation adopted by the local authority. Local authorities may adopt ordinances or regulations for the location of the premises of retail wine or beer and liquor control licensed establishments and local authorities may adopt ordinances, not in conflict with this chapter and that do not diminish the hours during which beer, wine, or alcoholic beverages may be sold or consumed at retail, governing any other activities or matters which may affect the retail sale and consumption of beer, wine, and alcoholic liquor and the health, welfare and morals of the community involved.

3. When a liquor license or wine or beer permit is suspended after a hearing as a result of violations of this chapter by the licensee, permittee or the licensee's or permittee's agents or employees, the premises which were licensed by the license or permit shall not be relicensed for a new applicant until the suspension has terminated or time of suspension has elapsed, or ninety days have elapsed since the commencement of the suspension, whichever occurs first. However, this section does not prohibit the premises from being relicensed to a new applicant before the suspension has terminated or before the time of suspension has elapsed or before ninety days have elapsed from the commencement of the suspension, if the premises prior to the time of the suspension had been purchased under contract, and the vendor under that contract had exercised the person's rights under chapter 656 and sold the property to a different person who is not related to the previous licensee or permittee by marriage or within the third degree of consanguinity or affinity and if the previous licensee or permittee does not have a financial interest in the business of the new applicant.

4. If the cause for suspension is a first offense violation of section 123.49, subsection 2, paragraph "h", the administrator or local authority shall impose a civil penalty in the amount of five hundred dollars in lieu of suspension of the license or permit. Local authorities shall retain civil penalties collected under this paragraph if the proceeding to impose the penalty is conducted by the local authority. The division shall retain civil penalties collected under this paragraph if the proceeding to impose the penalty is conducted by the administrator of the division.

A broker's permit is valid throughout the state, and a broker who represents more than one distiller is required to obtain only one broker's permit.

123.48 Seizure of false or altered driver's license or nonoperator identification card.

1. If a liquor control licensee or wine or beer permittee or an employee of the licensee or permittee has a reasonable belief based on factual evidence that a driver's license as defined in section 321.1, subsection 20A, or nonoperator identification card issued pursuant to section 321.190 offered by a person who wishes to purchase an alcoholic beverage at the licensed premises is altered or falsified or belongs to another person, the licensee, permittee, or employee may retain the driver's license or nonoperator identification card. a. A person other than a person required to hold a license or permit under this chapter who dispenses or gives

an alcoholic beverage, wine, or beer in violation of this subsection is not civilly liable to an injured person or the estate of a person for injuries inflicted on that person as a result of intoxication by the consumer of the alcoholic beverage, wine, or beer.

b. The general assembly declares that this subsection shall be interpreted so that the holding of *Clark v. Mincks*, 364 N.W.2d. 226 (Iowa 1985) is abrogated in favor of prior judicial interpretation finding the consumption of alcoholic beverages, wine, or beer rather than the serving of alcoholic beverages, wine, or beer as the proximate cause of injury inflicted upon another by an intoxicated person.

2. A person or club holding a liquor control license or retail wine or beer permit under this chapter, and the person's or club's agents or employees, shall not do any of the following:

a. Knowingly permit any gambling, except in accordance with chapter 99B, 99D, 99F, or 99G, or knowingly permit solicitation for immoral purposes, or immoral or disorderly conduct on the premises covered by the license or permit.

b. Sell or dispense any alcoholic beverage or beer on the premises covered by the license or permit, or permit its consumption thereon between the hours of two a.m. and six a.m. on a weekday, and between the hours of two a.m. on Sunday and six a.m. on the following Monday, however, a holder of a liquor control license or retail beer permit granted the privilege of selling alcoholic liquor or beer on Sunday may sell or dispense alcoholic liquor or beer between the hours of eight a.m. on Sunday and two a.m. on the following Monday.

c. Sell alcoholic beverages, wine, or beer to any person on credit, except with a bona fide credit card. This provision does not apply to sales by a club to its members, to sales by a hotel or motel to bona fide registered guests, nor to retail sales by the managing entity of a convention center, civic center, or events center.

d. Keep on premises covered by a liquor control license any alcoholic liquor in any container except the original package purchased from the division, and except mixed drinks or cocktails mixed on the premises for immediate consumption. This prohibition does not apply to common carriers holding a class "D" liquor control license.

e. Reuse for packaging alcoholic liquor or wine any container or receptacle used originally for packaging alcoholic liquor or wine; or adulterate, by the addition of any substance, the contents or remaining contents of an original package of an alcoholic liquor or wine; or knowingly possess any original package which has been so reused or adulterated.

f. Employ a person under eighteen years of age in the sale or serving of alcoholic liquor, wine, or beer for consumption on the premises where sold.

g. Allow any person other than the licensee, permittee, or employees of the licensee or permittee, to use or keep on the licensed premises any alcoholic liquor in any bottle or other container which is designed for the transporting of such beverages, except as permitted in section 123.95. This paragraph does not apply to the lodging quarters of a class "B" liquor control licensee or wine or beer permittee, or to common carriers holding a class "D" liquor control license.

h. Sell, give, or otherwise supply any alcoholic beverage, wine, or beer to any person, knowing or failing to exercise reasonable care to ascertain whether the person is under legal age, or permit any person, knowing or failing to exercise reasonable care to ascertain whether the person is under legal age, to consume any alcoholic beverage, wine, or beer.

i. In the case of a retail beer or wine permittee, knowingly allow the mixing or adding of alcohol or any alcoholic beverage to beer, wine, or any other beverage in or about the permittee's place of business.

j. Knowingly permit or engage in any criminal activity on the premises covered by the license or permit.

k. Sell or dispense any wine on the premises covered by the permit or permit the consumption on the premises between the hours of two a.m. and six a.m. on a weekday, and between the hours of two a.m. on Sunday and six a.m. on the following Monday, however, a holder of a wine permit authorized to sell wine on Sunday may sell or dispense wine between the hours of eight a.m. on Sunday and two a.m. on the following Monday.

3. A person under legal age shall not misrepresent the person's age for the purpose of purchasing or attempting to purchase any alcoholic beverage, wine, or beer from any licensee or permittee. If any person under legal age misrepresents the person's age, and the licensee or permittee establishes that the licensee or permittee made reasonable inquiry to determine whether the prospective purchaser was over legal age, the licensee or permittee is not guilty of selling alcoholic liquor, wine, or beer to a person under legal age.

4. No privilege of selling alcoholic liquor, wine, or beer on Sunday as provided in sections 123.36, subsection 6, and 123.134, subsection 5, shall be granted to a club or other organization which places restrictions on admission or membership in the club or organization on the basis of sex, race, religion, or national origin. However, the privilege may be granted to a club or organization which places restrictions on membership on the basis of sex, if the club or organization has an auxiliary organization open to persons of the other sex.

c. A third violation within three years shall subject the licensee or permittee to a sixty-day suspension and a civil penalty in the amount of one thousand five hundred dollars.

123.92 Civil liability for dispensing or sale and service of beer, wine, or intoxicating liquor (Dramshop Act) liability insurance underage persons.

Any person who is injured in person or property or means of support by an intoxicated person or resulting from the intoxication of a person, has a right of action for all damages actually sustained, severally or jointly, against any licensee or permittee, whether or not the license or permit was issued by the division or by the licensing authority of any other state, who sold and served any beer, wine, or intoxicating liquor to the intoxicated person when the licensee or permittee knew or should have known the person was intoxicated, or who sold to and served the person to a point where the licensee or permittee knew or should have known the person would become intoxicated. If the injury was caused by an intoxicated person, a permittee or licensee may establish as an affirmative defense that the intoxication did not contribute to the injurious action of the person. The remedy provided by this section shall apply both prospectively, to actions filed on or after July 1, 1992, and retrospectively, to actions pending in trial or appellate courts prior to July 1, 1992.

Every liquor control licensee and class "B" beer permittee, except a class "E" liquor control licensee, shall furnish proof of financial responsibility by the existence of a liability insurance policy in an amount determined by the division.

Notwithstanding section 123.49, subsection 1, any person who is injured in person or property or means of support by an intoxicated person who is under legal age or resulting from the intoxication of a person who is under legal age, has a right of action for all damages actually sustained, severally or jointly, against a person who is not a licensee or permittee and who dispensed or gave any beer, wine, or intoxicating liquor to the intoxicated underage person when the nonlicensee or nonpermittee who dispensed or gave the beer, wine, or intoxicating liquor to the underage person knew or should have known the underage person was intoxicated, or who dispensed or gave beer, wine, or intoxicating liquor to the underage person to a point where the nonlicensee or nonpermittee knew or should have known that the underage person would become intoxicated. If the injury was caused by an intoxicated person who is under legal age, a person who is not a licensee or permittee and who dispensed or gave beer, wine, or intoxicating liquor to the underage person may establish as an affirmative defense that the intoxication did not contribute to the injurious action of the underage person. For purposes of this paragraph, "*dispensed*" or "*gave*" means the act of physically presenting a receptacle containing beer, wine, or intoxicating liquor to the underage person whose actions or intoxication results in the sustaining of damages by another person. However, a person who dispenses or gives beer, wine, or intoxicating liquor to an underage person shall only be liable for any damages if the person knew or should have known that the underage person was under legal age.
