

157.3A License requirements additional training.

In addition to the license requirements of section 157.3, as provided in this section, a written application and proof of additional training and certification shall be required prior to approval by the board for the provision of the services described in this section.

1. *a.* A licensed esthetician, who intends to provide services pursuant to section 157.1, subsection 12, paragraphs "a" and "c", having received additional training on the use of microdermabrasion or a certified laser product shall submit a written application and proof of additional training and certification for approval by the board. Training shall be specific to the service provided or certified laser product used.

b. A licensed esthetician who applies permanent makeup or cosmetic micropigmentation shall comply with the provisions of section 135.37 and applicable rules.

c. Extractions shall be administered only by a licensed esthetician who has been trained in extraction procedures.

d. Chemical peels shall be administered only by a licensed esthetician who has been certified by the manufacturer of the product being used.

2. *a.* A licensed cosmetologist having received additional training in the use of chemical peels, microdermabrasion, or a certified laser product shall submit a written application and proof of additional training and certification for approval by the board. A cosmetologist who is licensed after July 1, 2005, shall not be eligible to provide chemical peels, practice microdermabrasion procedures, or use certified laser products.

b. A licensed cosmetologist who applies permanent makeup or cosmetic micropigmentation shall comply with the provisions of section 135.37 and applicable rules.

3. A licensed electrologist having received additional training on the use of a certified laser product for the purpose of hair removal shall submit a written application and proof of additional training and certification for approval by the board.

4. Any additional training received by a licensed esthetician, cosmetologist, or electrologist and submitted to the board relating to utilization of a certified laser product shall include a safety training component which provides a thorough understanding of the procedures being performed. The training program shall address fundamentals of nonbeam hazards, management and employee responsibilities relating to control measures, and regulatory requirements.

5. A certified laser product shall only be used on surface epidermal layers of the skin except for hair removal.
