

159A.5 Purpose of the committee.

1. The purpose of the committee is to provide general oversight of operations of the office and to advise the office about all aspects concerning the production and consumption of renewable fuels and coproducts. However, the committee shall not control policy decisions or direct the administration of this chapter.
2. The committee shall monitor conditions, practices, policies, programs, and procedures affecting the production and consumption of renewable fuels and coproducts.
3. The committee shall monitor the condition of the fund and financial reports concerning the fund submitted by the office.
4. The committee shall review the annual report to the secretary regarding renewable fuels and coproducts activities, as provided in section 159A.3. The committee may make written comments concerning the contents of the report. Upon request of the committee, the coordinator shall include the comments as part of the report.
5. The committee, in cooperation with the coordinator, shall do all of the following:
 - a.* Review the operations of the office and shall make recommendations regarding the effectiveness of programs provided under this chapter.
 - b.* Establish performance goals for the office and adopt recommendations relating to improving the functions of the office and furthering the purposes of this chapter.
 - c.* Encourage full support of programs designed to inform the public or targeted groups regarding renewable fuels and coproducts production and consumption.
 - d.* Support promotional programs or marketing strategies designed to encourage public consumption of renewable fuels and coproducts.
