

161A.20 Special annual tax.

After obtaining agreements to carry out recommended soil conservation measures and proper farm plans from owners of not less than fifty percent of the lands situated in the subdistrict, a subdistrict shall have the authority to impose a special annual tax, the proceeds of which shall be used for the repayment of actual and necessary expenses incurred to organize the subdistrict, to acquire land or rights or interests therein by purchase or condemnation, repair, alteration, maintenance and operation of the present and future works of improvement within its boundaries.

On or before January 10 of each year its governing body shall make an estimate of the amount it deems necessary to be raised by such special tax for the ensuing year and transmit said estimate in dollars to the board of supervisors of the county in which the subdistrict lies.

If portions of the subdistrict are in more than one county, then the governing body, as hereinbefore designated in such event, after arriving at the estimate in dollars deemed necessary for the entire subdistrict shall ratably apportion such amount between the counties and transmit and certify the prorated portion to the respective boards of supervisors of each of the counties.

The board or boards of supervisors shall upon receipt of certification from the governing body of the district make the necessary levy on the assessed valuation of all real estate within the boundaries of the subdistrict lying within their respective county to raise said amounts, but in no event to exceed one dollar and eight cents per thousand dollars of assessed value.

The special tax so levied shall be collected in the same manner as other taxes with like penalty for delinquency, with the proceeds therefrom to be kept in a separate account by the appropriate county treasurer or treasurers identified by the official name of the subdistrict and expenditures therefrom shall be made on requisition of the chairperson and secretary of the governing body of the subdistrict.
