

163.43 Certificate required.

1. A person shall not be a party to a lease of a breeding bull within this state in which the lessor is a licensee, unless the breeding bull is accompanied by a certificate of veterinary inspection. For the purposes of this section, a breeding bull is leased within this state if it is leased to an Iowa resident.
2. The certificate of veterinary inspection shall be issued by a licensed veterinarian who examines the breeding bull and signs the certificate. The certificate shall include all of the following:
 - a.* A statement that, to the best of the knowledge and belief of the veterinarian, the breeding bull is apparently free from an infectious or contagious disease.
 - b.* A statement that the breeding bull has reacted negatively to a test for brucellosis conducted within six months prior to the date that the veterinarian signs the certificate.
 - c.* If the breeding bull does not originate from this state, a statement providing that importing the breeding bull satisfies applicable importation requirements.
 - d.* The identification number of the breeding bull as required pursuant to section 163.42.
 - e.* The date that the certificate was issued.
3. The certificate of veterinary inspection shall not be valid after the term of the lease expires or after the breeding bull moves from the lessee's premises. Thereafter, a new certificate must be issued as required in this section.
4. One copy of the certificate of veterinary inspection shall be issued to the licensee who shall maintain the certificate as part of the licensee's business records. One copy of the certificate shall be issued to the lessee when the breeding bull is delivered to the lessee. A licensee shall show the certificate upon request to any person designated by the department to enforce the provisions of this section.
