

255.5 Report by physician.

Such physician shall make a report in duplicate on blanks furnished as provided in this chapter, answering the questions contained in the blanks and setting forth the information required, giving such history of the case as will be likely to aid the medical or surgical treatment or hospital care of such patient, describing the pregnancy, deformity, or malady in detail, and stating whether or not in the physician's opinion the pregnancy, deformity, or malady can probably be improved or cured or advantageously treated, which report shall be filed in the office of the county general assistance director.
