

263.10 Persons admitted.

Every resident of the state who is not more than twenty-one years of age, who has such severe disabilities as to be unable to acquire an education in the common schools, and every such person who is twenty-one and under thirty-five years of age who has the consent of the state board of regents, shall be entitled to receive an education, care, and training in the university of Iowa hospitals and clinics center for disabilities and development, and nonresidents similarly situated may be entitled to an education and care at the center upon such terms as may be fixed by the state board of regents. The fee for nonresidents shall be not less than the average expense of resident pupils and shall be paid in advance. Residents and persons under the care and control of a director of a division of the department of human services who have severe disabilities may be transferred to the center upon such terms as may be agreed upon by the state board of regents and the director.
