

277.2 Special election.

The board of directors in a school corporation may call a special election at which the voters shall have the powers exercised at the regular election with reference to the sale of school property and the application to be made of the proceeds, the authorization of seven members on the board of directors, the authorization to establish or change the boundaries of director districts, and the authorization of a voter-approved physical plant and equipment levy or indebtedness, as provided by law.
