

303.27 Controls.

After the establishment of a district, an exterior portion of any building, exterior fixture, or other exterior structure, or any above-ground utility structure or any type of outdoor advertising sign shall not be erected, altered, restored, moved or demolished within such district until after an application for a certificate of appropriateness as to exterior features has been submitted to and approved by the commission.

[C77, 79, 81, § 303.27]
