

321E.2 Permit-issuing authorities.

Annual, multi-trip, and single-trip permits shall be issued by the authority responsible for the maintenance of the system of highways or streets. However, the department may issue permits on primary road extensions in cities in conjunction with movements on the rural primary road system. The department may issue an all-system permit under section 321E.8 which is valid for movements on all highways or streets under the jurisdiction of either the state or those local authorities which have indicated in writing to the department those streets or highways for which an all-system permit is not valid.

At the request of a local authority, the department shall issue annual, multi-trip, and single-trip permits that are under the jurisdiction of the local authority.
