

326.18 Nonresident fleet owner privileges.

When a nonresident fleet owner has registered vehicles on a prorated basis, the vehicles are fully registered insofar as interstate commerce is concerned. The privileges granted to a nonresident pursuant to this chapter permit the operation of a vehicle which is simultaneously engaged in interstate movements and intrastate commerce, provided that the owner has intrastate authority or rights granted by the department. The director may also enter into reciprocity agreements pursuant to section 326.5 to permit interstate and intrastate movement of vehicles registered on a prorated basis by a nonresident fleet owner, provided the owner has intrastate authority granted by the department and the jurisdiction in which the nonresident is base plated grants the same privilege to an Iowa base plated vehicle. Each vehicle upon which an Iowa base plate is required to be displayed under this chapter is fully registered for both interstate commerce and intrastate commerce.
