

327I.17 Exemption from construction and bidding requirements for public buildings.

A railway facility is not subject to any requirements relating to public buildings, structures, grounds, works or improvements imposed by any other law, except as determined by the governing board, or any other similar requirements which may be lawfully waived by this section and any requirement of competitive bidding or other restriction imposed on the procedure for awarding contracts for such purpose or the lease, sale, or other disposition of property of the authority is not applicable to any action taken under the provisions of this chapter.
