

328.16 Disposition of federal funds.

All moneys accepted for disbursement by the department pursuant to section 328.14 shall be deposited in the state treasury, and, unless otherwise prescribed by the authority from which the money is received, kept in separate funds, designated according to the purposes for which the moneys were made available, and held by the state in trust for such purposes. All such moneys are hereby appropriated for the purposes for which the same were made available, to be expended in accordance with federal laws and regulations and with this chapter. The department is authorized, whether acting for this state or as the agent of any of its governmental subdivisions, or when requested by the United States government or any agency or department thereof, to disburse such moneys for the designated purposes, but this shall not preclude any other authorized method of disbursement.
