2. Participation in a charter commission under this chapter may be proposed by:

a. The city council adopting a resolution calling for participation.

2. Only eligible electors of the county not holding a city, county, or state office shall be members of the commission. In counties having multiple state legislative districts, the districts shall be represented as equally as possible. The membership shall be bipartisan and gender balanced and each appointing authority under subsection 1 shall provide for representation of various age groups, racial minorities, economic groups, and representatives of identifiable geographically defined populations, all in reasonable relationship to the proportions in which these groups are present in the population of the commission area. A vacancy on the commission shall be filled by appointment in the same manner as the original appointment. The county auditor shall notify the appropriate appointing authority of a vacancy.

The legislative appointing authorities shall be considered one appointing authority for the purpose of complying with this subsection. Notice of the date, time, and place of the hearing shall be published in the official county newspapers of each county in which the participating cities are located.
2. Within nine months after the organization of the commission, the commission shall submit a preliminary report to the councils of the participating cities, which report may include the text of the proposed charter. If a proposed charter is included in the preliminary report, the report shall also include an analysis of the fiscal impact of the proposed charter. The commission shall hold at least one public hearing after submission of the preliminary report to obtain public comment.

The final report may recommend no change to the existing form of government and that no charter be submitted to the electorate, or it may recommend consolidation of the participating cities with the county. If the board of supervisors by resolution agrees to participate in consolidation, then the participating cities and county shall proceed under sections 331.231 through 331.252.
4. The final report of the commission shall be made available to the residents of the participating cities upon request. If a charter is not recommended, the commission is dissolved upon submission of its final report to the councils of the participating cities.

A summary of the proposed charter shall be published in a newspaper of general circulation in each city participating in the charter commission process at least ten but not more than twenty days before the date of the election. The proposed charter shall be effective in regard to a city only if a majority of the electors of the city voting approves the proposed charter.

91 Acts, ch 256, §46

373.8 Effect of consolidation.

Cities consolidating pursuant to this chapter shall retain all the rights, powers, and duties conferred upon them by the Constitution of the State of Iowa and shall retain all the rights, powers, and duties conferred upon them by the laws of the state of Iowa, except to the extent those statutory rights, powers, and duties are limited by the charter government in fulfilling its duty to provide efficient administration and delivery of services to its citizens.

The consolidation charter may provide for the replacement of the city government of the member city with the largest population, according to the most recent certified federal census. That city shall be known as the home city of the consolidated metropolitan corporation. If its government is replaced, the consolidation charter shall provide that the home city be governed either directly by the metropolitan council or by those members of the metropolitan council who reside within the corporate boundaries of the home city. The home city shall retain its geographic boundaries for the purposes of taxation.

Cities participating in consolidation shall be referred to as member cities of the consolidated metropolitan corporation.

A city may join an existing consolidated metropolitan corporation government by resolution of the city council or upon petition of eligible electors of the city equal in number to at least twenty-five percent of the persons who voted at the last general election for the office of governor or president of the United States, whichever is fewer. Within fifteen days after receiving a valid petition, the city council of the petitioning city

shall adopt a resolution in favor of participation and shall immediately forward the resolution to the metropolitan council. If a majority of the metropolitan council approves the resolution, the question of joining the consolidated metropolitan corporation shall be submitted to the electorate of the petitioning city within sixty days after approval of the resolution.

91 Acts, ch 256, §47

373.9 Metropolitan council.

1. A consolidated metropolitan corporation shall be governed by a metropolitan council. The council shall consist of an odd number of members, not less than eleven and not more than seventeen. If a vacancy on the metropolitan council occurs more than sixty days before the next general election, the council shall direct the county commissioner of elections to conduct a special election to fill the vacancy until the next general election.

2. Unless otherwise specified in the consolidation charter, the council shall act by a majority vote of the members on the council.

91 Acts, ch 256, §48

373.10 Taxing authority.

The metropolitan council shall have the authority to levy city taxes to the extent the city tax levy authority is transferred by the charter to the metropolitan council. A member city shall transfer a portion of the city's tax levy authorized under section 384.1 or 384.12, whichever is applicable, to the metropolitan council. The maximum rates of taxes authorized to be levied under sections 384.1 and 384.12 by a member city shall be reduced by an amount equal to the rates of the same or similar taxes levied in the city by the metropolitan council.

91 Acts, ch 256, §49

373.11 Service delivery.

1. The charter of consolidation shall provide for the transfer into the metropolitan consolidated corporation of areawide services which had been provided by other boards, commissions, and local governments. The metropolitan council shall have the authority to determine the boundaries of the service areas, except that formation of a consolidated metropolitan corporation shall not affect the assignment of electric utility service territories pursuant to chapter 476, and shall not affect the rights of a city to grant a franchise under chapter 364.

For each service provided by the consolidated metropolitan corporation, the consolidated metropolitan corporation shall assume the same statutory rights, powers, and duties, except taxing authority, relating to the provision of such service as if the member city were itself providing the service to its citizens. However, the consolidated metropolitan corporation shall not assume any of the governmental functions of its member cities except as the functions relate to the delivery of services and except as provided in section 373.8.

If a service is being provided by the consolidated metropolitan corporation to any member city that member city shall not invoke any statutory right, power, or duty relating to the delivery of the service to its citizens.

2. A member city may apply to the metropolitan council for the purchase of any service which is being provided by the consolidated metropolitan corporation to any other member city, including the home city of the consolidated metropolitan corporation. Such an agreement to provide services shall be executed pursuant to chapter 28E and must contain provisions necessary for the lawful execution of the agreement.
