

445.36A Partial payments.

1. As an alternative to the semiannual or annual payment of taxes, the county treasurer may accept partial payments of taxes. A minimum payment amount shall be established by the treasurer. The treasurer shall transfer amounts from each taxpayer's account to be applied to each semiannual tax installment prior to the delinquency dates specified in section 445.37 and the amounts collected shall be apportioned by the tenth of the month following transfer. If, prior to the due date of each semiannual installment, the account balance is insufficient to fully satisfy the installment, the treasurer shall transfer and apply the entire account balance, leaving an unpaid balance of the installment. Interest shall attach on the unpaid balance in accordance with section 445.39. Unless funds sufficient to fully satisfy the delinquency are received, the treasurer shall collect the unpaid balance as provided in sections 445.3 and 445.4 and chapter 446. Any remaining balance in a taxpayer's account in excess of the amount needed to fully satisfy an installment shall remain in the account to be applied toward the next semiannual installment. Any interest income derived from the account shall be deposited in the county's general fund to cover administrative costs. The treasurer shall send a notice with the tax statement or by separate mail to each taxpayer stating that, upon request to the treasurer, the taxpayer may make partial payments of taxes.

2. Partial payment of taxes which are delinquent may be made to the county treasurer. A minimum payment amount shall be established by the treasurer. The minimum payment must be equal to or exceed the interest and costs attributed to the oldest delinquent installment of the tax and shall be apportioned in accordance with section 445.57. If the payment does not include the whole of any installment of the delinquent tax, the unpaid tax shall continue to accrue interest pursuant to section 445.39. Partial payment shall not be permitted in lieu of redemption if the property has been sold for taxes under chapter 446 and under any circumstances shall not constitute an extension of the time period for a sale under chapter 446.

Current year taxes may be paid at any time regardless of any outstanding prior year delinquent tax.

This section does not apply to the payment of manufactured or mobile home taxes, special assessments, or rates or charges.
