

452A.6 Ethanol blended gasoline and other products blender's license.

A person other than a supplier, restrictive supplier, or importer licensed under this division, who blends gasoline with alcohol distilled from cereal grains so that the blend contains at least ten percent alcohol distilled from cereal grains, shall obtain a blender's license. A person who blends two or more special fuel products or sells one hundred percent biofuel shall obtain a blender's license. The license shall be obtained by following the procedure under section 452A.4 and the license is subject to the same restrictions as contained in that section. A blender shall maintain records as required by section 452A.10 as to motor fuel, alcohol, ethanol blended gasoline, and special fuels.
