

46.23 General election and absent voter laws.

So far as applicable, general election and absent voter laws shall apply to judicial elections. An application for an absent voter ballot for a general election shall also constitute an application for an absent voter ballot for a judicial election to be held at the same time, and the ballots shall be mailed or delivered to the voter together. The sealed envelope transmitted by the absent voter to the county commissioner of elections containing the absent voter general election ballot may also contain the judicial election ballot.
