

468.67 Procedure governing reclassification.

The proceedings for such reclassification shall in all particulars be governed by the same rules as for original classification. The commissioners shall fix the percentage of actual benefits and make an equitable apportionment of the costs and expenses of such repairs, improvements or extensions and file a report thereof with the auditor in the same form and manner as for original classification. Thereafter, all the proceedings in relation thereto as to notice, hearing, and fixing of percentage of benefits and amount of assessments shall be as in this subchapter, parts 1 through 5, provided in relation to original classification and assessments, and at such hearing the board may affirm, increase, or diminish the percentage and assessment of benefits and apportionment of costs and expenses so as to make them just and equitable, and cause the record of the original classification, percentage of benefits, and assessments to be modified accordingly.
