

473.12 Implementation of energy conservation measures state board of regents.

1. The state board of regents shall cause to be performed comprehensive engineering analyses of facilities under the control of the state board of regents and shall implement the energy conservation measures identified in the analyses which are economically feasible and practical and which do not require more than an aggregate period of six years for the recoupment of the cost of construction of the improvements used to secure the implementation of the energy conservation measure. The comprehensive engineering analyses shall be completed no later than June 30, 1989.

2. The department may, pursuant to section 7D.34, reduce the cost of financing for implementation of the energy conservation measures identified, through funds deposited in the state of Iowa facilities improvement corporation established by the department. In order for the state board of regents to receive financing under section 7D.34, the department shall require completion of an energy management plan, including an energy audit and a comprehensive engineering analysis.

3. The state board of regents shall annually report on October 1 to the department the status of all energy conservation measures identified in their comprehensive engineering analysis, whether or not the measures have been acquired or implemented, and the results of energy usage analyses of the board's facilities.
