

473.13A Energy conservation measures identified and implemented.

The state, state agencies, political subdivisions of the state, school districts, area education agencies, and community colleges shall identify and implement, through energy audits and engineering analyses, all energy conservation measures identified for which financing is made available by the department to the entity. The energy conservation measure financings shall be supported through payments from energy savings.

The department shall not require a school district, community college, area education agency, city, or county to perform an engineering analysis if the school district, community college, area education agency, city, or county demonstrates to the department that the facility which is the subject of the proposed engineering analysis at issue is unlikely to be in use or operation in six years by the governmental entity currently using or occupying the facility.
