

DUAL PARTY RELAY SERVICE

477C.1 Dual party relay service purpose.

The general assembly finds that the provision of a statewide dual party relay service will further the public interest and protect the health, safety, and welfare of the people of Iowa through an increase in the usefulness and availability of the telephone system. Many persons who are deaf, hard-of-hearing, or have speech impairments are not able to utilize the telephone system without this type of service. Therefore, it is the purpose of this chapter to enable the orderly development, operation, promotion, and funding of a statewide dual party relay service.
