

481C.2 Duties.

The director of the department of natural resources shall enter into a memorandum of agreement with the United States department of agriculture, animal damage control division. The wild animal depredation unit shall serve and act as the liaison to the department for the producers in the state who suffer crop and nursery damage due to wild animals. The department shall issue depredation permits to any landowner who incurs crop and nursery damage of one thousand dollars or more due to wild animals. The criteria for issuing depredation permits shall be established in administrative rules in consultation with the farmer advisory committee created in section 481A.10A. The administrative rules adopted pursuant to this section shall not require a producer to erect or maintain fencing at a cost exceeding one thousand dollars as a requisite for receiving a depredation permit or for participation in a depredation plan.
