

48A.31 Deceased persons record.

The state registrar of vital statistics shall transmit or cause to be transmitted to the state registrar of voters, once each calendar quarter, a certified list of all persons seventeen and one-half years of age and older in the state whose deaths have been reported to the bureau of vital records of the Iowa department of public health since the previous list of decedents was certified to the state registrar of voters. The list shall be submitted according to the specifications of the state registrar of voters, who shall determine whether each listed decedent was registered to vote in this state. If the decedent was registered in a county which uses its own data processing facilities for voter registration recordkeeping, the registrar shall notify the commissioner in that county who shall cancel the decedent's registration. If the decedent was registered in a county for which voter registration recordkeeping is performed under contract by the registrar, the registrar shall immediately cancel the registration and notify the commissioner of the county in which the decedent was registered to vote of the cancellation.
