

504.825 Quorum and voting.

1. Except as otherwise provided in this subchapter,* or the articles or bylaws of a corporation, a quorum of a board of directors consists of a majority of the directors in office immediately before a meeting begins. The articles or bylaws shall not authorize a quorum of fewer than one-third of the number of directors in office.
2. If a quorum is present when a vote is taken, the affirmative vote of a majority of directors present is the act of the board unless this subchapter,* the articles, or bylaws require the vote of a greater number of directors.
