

504C.1 Housing persons with physical disabilities.

1. For the purposes of this chapter, "*physical disability*" means a physical impairment that results in significant functional limitations in one or more areas of major life activity and in the need for specialized care, treatment, or training services of extended duration.
2. Individuals with physical disabilities may form nonprofit corporations pursuant to chapter 504 or 504A for the sole purpose of establishing homes for persons with disabilities which are intended to serve two to five residents who are members of the nonprofit corporation.
3. A nonprofit corporation formed under this section may do any of the following:
 - a. Design, modify, or construct a specific housing facility to provide appropriate services and support to the residents of the specific housing facility. Local requirements shall not be more restrictive than the rules adopted for a family home, as defined in section 335.25 or 414.22, and the state building code requirements for single-family or multiple-family housing, as adopted pursuant to section 103A.7.
 - b. Contract for or employ staff for personal attendant needs and for the management and operation of the housing facility.
 - c. Purchase, modify, maintain, and operate transportation services for the use of the housing facility residents.
4. Residents of housing facilities established under this chapter shall be eligible to apply for or continue to receive funding provided through federal, state, and county funding sources, and assets of the members of the nonprofit corporation used in the establishment, management, and operation of the housing facility, including but not limited to provision of services to the residents of the facility, shall not be considered in determining a resident's eligibility for funding provided through sources otherwise available to the resident.
