

518.12 Properties to be insured.

County mutual insurance associations are permitted to insure only the following classes of property:

1. Farm property, including residences and other farm buildings and all classes of personal property in connection therewith;
2. Buildings and personal property used in the processing of agricultural products in conjunction with a farming operation;
3. City and suburban residences, including household and personal effects;
4. Churches, schools and community buildings.
