

524.1005 Trust companies operating on January 1, 1970.

1. A trust company existing and operating on January 1, 1970 and which was authorized to act only as a trust company may continue to act only in a fiduciary capacity according to the terms of its articles of incorporation. The articles of incorporation of the trust company may be renewed in perpetuity. When applicable, this chapter applies to the operations of the trust company. Section 524.107, subsection 2, regarding the use of the word "trust" does not apply to a trust company subject to this section.

2. Notwithstanding subsection 1, a trust company shall have the power to do all of the following:

a. Acquire and hold, or lease as lessee, such personal property as is used, or is to be used, in its operations.

b. Subject to the prior approval of the superintendent, acquire and hold, or lease as lessee, only such real property as is used, or is to be used, wholly or substantially, in its operations or acquired for future use.

c. Subject to the prior approval of the superintendent, acquire and hold shares of a corporation engaged solely in holding and operating real property used wholly or substantially by the trust company in its operation or acquired for its future use.

d. Subject to the prior approval of the superintendent, acquire and hold shares of a corporation organized to perform, or performing, functions or activities that may be performed by a trust company, including activities of a fiduciary, agency, or custodial nature, in the manner authorized by federal or state law, as long as the corporation is not a bank and does not make loans and investments or accept deposits other than the following permitted deposits:

(1) Deposits that are generated from trust funds not currently invested and that are properly secured to the extent required by law.

(2) Deposits representing funds received for a special use in the capacity of managing agent or custodian for an owner of, or investor in, real property, securities, or other personal property; or for such owner or investor as agent or custodian of funds held for investment or as escrow agent; or for an issuer of, or broker or dealer in securities, in a capacity such as a paying agent, dividend disbursing agent, or securities clearing agent. However, such deposits shall not be employed by or for the account of the customer in the manner of a general purpose checking account or interest-bearing account.

(3) Making call loans to securities dealers or purchasing money market instruments such as certificates of deposit, commercial paper, government or municipal securities, and bankers acceptances. Such authorized loans and investments, however, shall not be used as a method of channeling funds to nontrust company affiliates of the trust company.

e. Subject to the prior approval of the superintendent, acquire and hold shares of a corporation organized to perform, or performing, the collection of charges and premiums from, or adjusting and settling claims on, residents of this state and any other state where authorized or qualified to conduct such activity, in connection with life or health insurance coverage or annuities.
