The interim order becomes effective upon service upon the state bank, or upon the director, officer, employee, or substantial shareholder of the state bank and, unless set aside, limited, or suspended by a court as provided in this chapter, remains effective and enforceable pending the completion of the administrative proceedings pursuant to the interim order and until such time as the superintendent dismisses the charges specified in the interim order, or, if a final cease and desist order is issued against the state bank or the director, officer, employee, or substantial shareholder until the effective date of the final order.

2. Within ten days after the state bank concerned or any director, officer, employee, or substantial shareholder is served with an interim order, the bank or such director, officer, employee, or substantial shareholder may apply to the district court in the county in which the bank has its principal place of business, for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of such interim order pending the completion of the administrative proceedings. If serious prejudice to the interests of the superintendent, the state bank, the officer, director, employee, or substantial shareholder would result from such hearing, the court may order the judicial proceeding to be conducted in camera.

3. The interim order shall contain a concise statement of the facts constituting the alleged unsafe or unsound practice or alleged dishonest act, and shall fix a time and place at which a hearing will be held to determine whether a final order to cease and desist should issue against the state bank or any director, officer, employee, or substantial shareholder. The hearing shall be fixed for a date not later than thirty days after service of the interim order unless a later date is set at the request of the party so served. If the state bank, or the director, officer, employee, or substantial shareholder fails to appear at the hearing, the state bank, or the director,

officer, employee, or substantial shareholder is deemed to have consented to the issuance of a cease and desist order. In the event of such consent, or if upon the record made at the hearing the superintendent finds that any unsafe or unsound practice or dishonest act specified in the interim order has been established, the superintendent may issue and serve upon the bank, or the director, officer, employee, or substantial shareholder a final order to cease and desist from any such practice or act. The order may require the state bank, or the director, officer, employee, or substantial shareholder to cease and desist from any such practice or act and, further, to take affirmative action, including suspension of the director, officer, or employee.

4. A hearing provided for in this section shall be presided over by an administrative law judge appointed in accordance with section 17A.11. The hearing shall be private, unless the superintendent determines after full consideration of the views of the party afforded the hearing, that a public hearing is necessary to protect the public interest. After the hearing, and within thirty days after the case has been submitted for decision, the superintendent shall review the proposed order of the administrative law judge and render a final decision, including findings of fact upon which the decision is predicated, and issue and serve upon each party to the proceeding an order consistent with this section.

5. Any final order issued by the superintendent pursuant to subsection 3 becomes effective upon service of the final order on the state bank, director, officer, employee, or substantial shareholder and shall remain effective except to the extent that it is stayed, modified, terminated, or set aside by action of the superintendent or of the district court of the county in which the state bank has its principal place of business in accordance with the terms of chapter 17A.

6. In the case of violation or threatened violation of, or failure to obey, an interim order issued pursuant to subsection 1 or a final order issued pursuant to subsection 3, the superintendent may apply to the district court of the county in which the state bank has its principal place of business for the enforcement of the order and such court shall have jurisdiction and power to order and require compliance with the interim order or final order.

7. For purposes of this section, "*substantial shareholder*" means a shareholder exercising a controlling influence over the management or policies of a state bank as determined by the superintendent.

- f.* The proposed state bank will have sufficient personnel with adequate knowledge and experience to conduct the business of the state bank, and to administer fiduciary accounts, if the state bank is to be authorized to act in a fiduciary capacity.

2. Within one hundred eighty days after the application is accepted for processing, the superintendent shall approve or disapprove the application on the basis of the investigation.
3. Within thirty days after the date of the second publication of the notice required under section 524.304, any interested person may submit written comments and information to the superintendent concerning the application. Comments challenging the legality of an application must be submitted separately in writing. The superintendent may extend the thirty-day comment period, if, in the judgment of the superintendent, extenuating circumstances which justify the extension exist.
4. Within thirty days after the date of the second publication of the notice required by section 524.304, any interested person may submit a written request of the superintendent for a hearing on the application. The request shall state the nature of the issues or facts to be presented and the reasons why written submissions would be insufficient to make an adequate presentation to the superintendent. If the reasons are related to factual disputes, the disputes shall be described. A written request for a hearing shall be evaluated by the superintendent, who may grant or deny the request in whole or in part. A hearing request shall generally be granted only if it is determined that written submissions would be inadequate or that a hearing would otherwise be beneficial to the decision-making process. A hearing may be limited to issues considered material by the superintendent.
5. If a request for a hearing is denied, the superintendent shall notify the applicant and all interested persons and shall state the reasons for the denial. An interested person may submit additional written comments or information on the application to the superintendent, with copies to the applicant at the time of submission to the superintendent, within fourteen days after the date of the notice of denial. The applicant shall be provided an additional seven days, after the fourteen-day deadline has expired, within which to respond to any comments submitted within the fourteen-day period after the notice of denial. The superintendent may waive this seven-day period if requested by the applicant. A copy of any response submitted by the applicant shall also be mailed by the applicant to the interested persons at the time the response is submitted to the superintendent.
6. If the superintendent approves the application, the superintendent shall notify the incorporators or organizers, and such other persons who requested in writing that they be notified, of the approval. If the superintendent disapproves the application, the superintendent shall notify the incorporators or organizers of the action and the reason for the decision.
7. The actions of the superintendent shall be subject to judicial review in accordance with chapter 17A. The court may award damages to the incorporators or organizers if it finds that review is sought frivolously or in bad faith.
8. Subsections 3, 4, and 5 shall not apply if the superintendent finds that one of the purposes of the proposed state bank is the merger with, or the purchase of some or all of the assets of and assumption of some or all of the liabilities of, a bank for which a receiver has been appointed or which has been ordered, by authorities of this state or the United States, to cease to carry on its business, or if the superintendent finds for any other reason that immediate action on the pending application is advisable in order to protect the interests of depositors or the assets of any other bank.
9. As a condition of receiving the decision of the superintendent with respect to the application, the incorporators or organizers shall reimburse the superintendent for all expenses incurred by the superintendent in connection with the application.

The secretary of state shall record the articles of incorporation and forward a copy of them to the county recorder of the county in which the state bank is to have its principal place of business.

2. The secretary of state's acknowledgment of filing of the articles of incorporation is conclusive proof that the incorporators or organizers satisfied all conditions precedent to incorporation or organization, except in a proceeding instituted by the superintendent to cancel or revoke the incorporation or involuntarily dissolve the corporation or organization.

524.308 Issuance of authorization to do business.

1. The state bank shall not accept deposits or transact any business except such business as is incident to commencement of business, or to the obtaining of subscriptions and payment for its shares until receipt of an authorization to do business from the superintendent. The superintendent shall issue an authorization to do business upon finding that the proposed state bank has complied with all the requirements of this chapter precedent to commencing business and has submitted to the superintendent a statement under oath, in the manner designated by the superintendent, showing that the capital, surplus and undivided profits required by the superintendent in accordance with this chapter have been fully paid in.

2. 3. If a state bank existing and operating on January 1, 1970, causes its corporate or organizational name to be changed, the name as changed shall comply with subsection 1 of this section.

No person shall, directly or indirectly, receive or contract to receive any commission or bonus of any kind for organizing any state bank or for securing a subscription to the original capital of any state bank or to any increase thereof; provided that this section shall not be construed as prohibiting the payment of reasonable compensation for legal or accounting services in connection with organization.

524.312 Location of state bank exceptions.

1. A state bank originally incorporated or organized pursuant to this chapter shall have its principal place of business within the city limits of a municipal corporation. The existence of a state bank shall not, however, be affected by the subsequent discontinuance of the municipal corporation. A state bank existing and operating on January 1, 1970, which does not have its principal place of business within the city limits of a municipal corporation, may renew its corporate or organizational existence pursuant to section 524.314 without regard to this section and may also operate as a bank or convert to and operate as a bank office when acquired by or merged into another state bank and approved by the superintendent.

2. A state bank may, with the prior written approval of the superintendent, change the location of its principal place of business to a new location. A change of location shall be limited to another location in the same municipal corporation, to a location in a municipal corporation in the same county, or to a location in a municipal corporation in a county that is contiguous to or touching or cornering on the county in which the state bank is located. If a state bank has its principal place of business in an unincorporated area, the superintendent may authorize a change of location of its principal place of business to a new location within the same unincorporated area as well as to any location referred to in this subsection.

3. If a change in the location of the principal place of business of a state bank is proposed, application for approval of the superintendent shall be made as required by the superintendent pursuant to this section. A change in location of the principal place of business of a state bank, including a change from one municipal corporation to another municipal corporation within an urban complex, requires an amendment to the articles of incorporation pursuant to sections 524.1502, 524.1504, and 524.1506. A state bank seeking approval of a change of location pursuant to this subsection shall publish once each week for two consecutive weeks a notice of the proposed change of location in a newspaper of general circulation in the municipal corporation or unincorporated area in which the state bank has its principal place of business, or if there is none, in a newspaper of general circulation in the county, or in a county adjoining the county, in which the state bank has its principal place of business, and in the municipal corporation in which it seeks to establish its principal place of business, or if there is none, in a newspaper of general circulation in the county, or in a county adjoining the county, in which the municipal corporation is located. The notices shall be published within thirty days after the application to the superintendent for approval of the change in location is accepted for processing. The notice shall set forth the name of the state bank, the present location of its principal place of business, the location to which it proposes to move its principal place of business, and the date upon which the application was accepted for processing by the superintendent.

4. Within thirty days after acceptance of an application for approval of a change of location of the principal place of business of a state bank pursuant to subsection 3, the superintendent shall commence an investigation into the circumstances of the application as deemed necessary by the superintendent, giving due consideration to factors substantially similar to those set forth in section 524.305, subsection 1, paragraphs "c" through "f". Within one hundred eighty days after the application has been accepted for processing, the superintendent shall approve or disapprove the application on the basis of the investigation. The superintendent shall give written notice of the decision to the state bank, and in the event of disapproval a statement of the reasons for the disapproval. If the superintendent approves the change in location the superintendent shall deliver the articles of amendment to the secretary of state. As a condition of receiving the decision of the superintendent with respect to the application, the state bank shall reimburse the superintendent for all expenses incurred by the superintendent in connection with the application.

5. A state bank approved under the provisions of section 524.305, subsection 8, shall not commence its business at any location other than within a municipal corporation or unincorporated area in which was located the principal place of business or an office of the bank the condition of which was the basis for the superintendent authorizing incorporation or organization of the new state bank.

524.313 Bylaws.

A state bank may adopt bylaws. The power to adopt, amend, or repeal bylaws or adopt new bylaws is vested in the board of directors unless reserved to the shareholders by the articles of incorporation. The bylaws may contain any provisions for the regulation and management of the affairs of the state bank not inconsistent with law or the articles of incorporation. 1. The corporate existence of a state bank existing and operating on January 1, 1970, which expires subsequent to that date, may be renewed prior to the expiration date of the corporate existence, following the affirmative vote of the holders of at least a majority of the shares entitled to vote on the renewal, at a meeting held for that purpose and called as provided by section 524.533, and delivery to the superintendent of the articles of incorporation together with the applicable filing and recording fees for the filing and recording. If the superintendent finds that the articles of incorporation satisfy the requirements of this section, the superintendent shall deliver them to the secretary of state for filing and recording in the secretary of state's office. Following the receipt of the articles of incorporation, the secretary of state shall proceed as provided in section 524.306.

2. The superintendent shall possess the exclusive authority to regulate a state bank organized as a limited liability company under this chapter.

3. The superintendent may adopt rules to ensure that a state bank organized as a limited liability company under this chapter is operating in a safe and sound manner and is subject to the superintendent's authority in the same manner as a state bank organized as a corporation.

524.519 and 524.520 Transferred to § 524.544 and 524.545.

524.521 Authorized shares.

1. The articles of incorporation must prescribe the classes of shares and the number of shares of each class that the state bank is authorized to issue. If more than one class of shares is authorized, the articles of incorporation must prescribe a distinguishing designation for each class. Prior to the issuance of shares of a class, the preferences, limitations, and relative rights of that class must be described in the articles of incorporation. All shares of a class must have preferences, limitations, and relative rights identical with those of other shares of the same class except to the extent otherwise permitted by section 524.523.

2. The articles of incorporation must authorize both of the following:

a. One or more classes of shares that together have unlimited voting rights.

b. One or more classes of shares, which may be the same class or classes as those with voting rights, that together are entitled to receive the net assets of the state bank upon dissolution.

3. The articles of incorporation may authorize one or more classes of shares that have any of the following qualities:

a. Have special, conditional, or limited voting rights, or no right to vote, unless prohibited by this chapter.

b. Are redeemable or convertible as specified in the articles of incorporation in any of the following ways:

(1) At the option of the state bank, the shareholders, or another person or upon the occurrence of a designated event.

(2) For cash, indebtedness, securities, or other property.

(3) In a designated amount or in an amount determined in accordance with a designated formula or by reference to extrinsic data or events.

c. Preferred shares are redeemable only by resolution of the board of directors with the prior approval of the superintendent. Preferred shares which are redeemable according to the terms of their issuance shall be redeemed only in accordance with such terms. Preferred shares which are redeemed shall be canceled and shall not be reissued. Preferred shares which are not redeemable according to the terms of their issuance are redeemable only pro rata, by lot, or by such other equitable method as determined by the board of directors.

d. (1) If preferred shares are redeemed by a state bank, the redemption effects a cancellation of the shares, and a statement of cancellation shall be filed as provided in this paragraph. The filing of the statement of cancellation constitutes an amendment to the articles of incorporation and reduces the number of preferred shares of the class which the state bank is authorized to issue by the number which are canceled.

(2) The statement of cancellation shall be executed by the state bank by its president or a vice president and by its cashier or an assistant cashier, and acknowledged by one of the officers signing such statement, and shall set forth all of the following:

(a) The name of the state bank and the effective date of its articles of incorporation.

(b) The number of preferred shares canceled through redemption, itemized by classes.

(c) The aggregate number of issued shares, itemized by classes, after giving effect to the cancellation.

(d) The amount, expressed in dollars, of the stated capital of the state bank after giving effect to the cancellation.

(e) The number of shares which the state bank has authority to issue, itemized by classes, after giving effect to the cancellation.

(3) The statement of cancellation, together with the applicable filing and recording fees, shall be delivered to the superintendent who shall, if the superintendent finds the statement of cancellation satisfies the requirements of this section, deliver it to the secretary of state for filing and recording in the secretary of state's office and the statement of cancellation shall also be filed and recorded in the office of the county recorder. The capital of the state bank is deemed to be reduced by the par value of the shares canceled upon the effective date of the redemption.

e. Entitle the holders to distributions calculated in any manner, including dividends that may be cumulative, noncumulative, or partially cumulative.

f. Have preference over any other class of shares with respect to distributions, including dividends and

distributions upon the dissolution of the state bank.

4. The description of the designations, preferences, limitations, and relative rights of share classes in subsection 3 is not all-inclusive.

5. Unless the articles of incorporation or bylaws otherwise provide, the board of directors, by resolution duly adopted and with the approval of the superintendent as provided in section 524.405, may issue from time to time, in whole or in part, the shares authorized by the articles of incorporation.

- a.* A class of shares before the issuance of any shares of that class.
- b.* One or more series within a class before the issuance of any shares of that series.

2. Each series of a class must be given a distinguishing designation.

3. All shares of a series must have preferences, limitations, and relative rights identical with those of other shares of the same series and, except to the extent otherwise provided in the description of the series, with those of other series of the same class.

4. Before issuing any shares of a class or series created under this section, the state bank shall deliver to the superintendent for filing with the secretary of state articles of amendment on forms prescribed by the superintendent, which are effective without shareholder action, that set forth all of the following:

- a.* The name of the state bank and the effective date of its articles of incorporation.
- b.* The text of the amendment determining the terms of the class or series of shares.
- c.* The date it was adopted.
- d.* A statement that the amendment was duly adopted by the board of directors.

b. The name of the person to whom issued.

c. The number and class of shares and the designation of the series, if any, which the certificate represents.

d. The par value of each share represented by the certificate.

3. A state bank which is authorized to issue different classes of shares or different series within a class must do one of the following:

a. Summarize on the front or back of each certificate the designations, relative rights, preferences, and limitations applicable to each class; the variations in rights, preferences, and limitations determined for each series; and the authority of the board of directors to determine variations for future series.

b. State conspicuously on the front or back of each certificate that the state bank will furnish the shareholder this information on request in writing and without charge.

4. Each share certificate must be signed either manually or in facsimile by two officers as set forth in subsection 1, and may bear the corporate seal or its facsimile.

5. If the person who signed a share certificate no longer holds office when the certificate is issued, the certificate is nevertheless valid.

6. A certificate shall not be issued for any share until such share is fully paid.

2. The board of directors may determine the payment terms of subscriptions for shares that were entered into before incorporation or organization of the state bank unless the subscription agreement specifies the terms. 4. If a subscriber defaults in payment of money or property under a subscription agreement entered into before incorporation or organization of the state bank, the state bank may do either of the following:

a. Collect the amount owed as any other debt.

b. Unless the subscription agreement provides otherwise, the state bank may rescind the agreement and may sell the shares if the debt remains unpaid more than twenty days after the state bank sends written demand for payment to the subscriber.

1. Unless otherwise provided in section 524.529, the shareholders of a state bank do not have a preemptive right to acquire the state bank's unissued shares except to the extent provided in the articles of incorporation.
2. A statement included in the articles of incorporation that "the state bank elects to have preemptive rights", or words of similar import, means that, except to the extent otherwise expressly provided in the articles of incorporation, the following principles apply:
 - a. A shareholder of a state bank has a preemptive right, granted on uniform terms and conditions prescribed by the board of directors to provide a fair and reasonable opportunity to exercise the right, to acquire a proportional amount of the state bank's unissued shares upon the decision of the board of directors to issue such shares.
 - b. A shareholder may waive the shareholder's preemptive right. A waiver evidenced in writing is irrevocable even though it is not supported by consideration.

 - f. Shares subject to preemptive rights that are not acquired by shareholders may be issued to any person for a period of one year after being offered to shareholders at a consideration set by the board of directors that is

not lower than the consideration set for the exercise of preemptive rights. An offer at a lower consideration or after the expiration of one year is subject to the shareholders' preemptive rights.

If a record date is not fixed for the determination of shareholders entitled to notice of or to vote at a meeting of shareholders, or shareholders entitled to receive payment of a dividend, the date on which notice of the meeting is mailed or the date on which the resolution of the board of directors declaring such dividend is adopted, as the case may be, shall be the record date for the determination of shareholders. The list of shareholders shall also be produced and kept open at the time and place of the meeting and is subject to the inspection of a shareholder, or a shareholder's agent or attorney, during the whole time of the meeting. The original stock transfer books are prima facie evidence as to who are the shareholders entitled to examine the list or transfer books or to vote at a meeting of shareholders. 524.537 Quorum of shareholders.

1. Unless otherwise provided in the articles of incorporation, a majority of the shares entitled to vote, represented in person or by proxy, constitutes a quorum at a meeting of shareholders. If a quorum is present, the affirmative vote of the majority of the shares represented at the meeting and entitled to vote on the subject matter shall be the act of the shareholders, unless the vote of a greater number or voting by classes is required by the laws of this state or of the United States or by the articles of incorporation or bylaws.

2. Once a share is represented for any purpose at a meeting, it is deemed present for the purpose of determining a quorum for the remainder of the meeting and for any adjournment of that meeting unless a new record date is or must be set for that adjourned meeting.

524.538 Voting of shares.

1. Each outstanding share shall be entitled to one vote on each matter submitted to a vote at a meeting of shareholders, except to the extent that the voting rights of the shares of a class or series may be limited or denied by the articles of incorporation.

2. Shares of a state bank purchased or acquired by such state bank pursuant to this chapter shall not be voted at any meeting and shall be excluded in determining whether matters voted upon by the shareholders were adopted by the requisite number of shares.

3. A shareholder may vote either in person or by proxy executed in writing by the shareholder or by the

shareholder's duly authorized attorney in fact. A proxy shall not be valid after eleven months from the date of its execution.

4. At each election for directors every shareholder entitled to vote at such election shall have the right to vote, in person or by proxy, the number of shares owned by the shareholder for as many individuals as there are directors to be elected and for whose election the shareholder has a right to vote.

5. In an election of directors, a state bank shall not vote its own shares held by it as sole trustee unless under the terms of the trust the manner in which such shares shall be voted may be determined by a donor or beneficiary of the trust and unless such donor or beneficiary actually directs how the shares shall be voted. However, shares held in trust by a state bank pursuant to an instrument in effect prior to January 1, 1970, under the terms of which the manner in which such shares shall be voted could not be determined by a donor or beneficiary of the trust, may be voted in an election of directors of a state bank upon petition filed by the state bank, to a court of competent jurisdiction, and the appointment by such court of an individual to determine the manner in which the shares shall be voted. When the shares of a state bank are held by such state bank and one or more persons as trustees, the shares may be voted by such other person or persons as trustees, in the same manner as if the person or persons were the sole trustee. Whenever shares cannot be voted by reason of being held by a state bank as sole trustee, the shares shall be excluded in determining whether matters voted upon by the shareholders were adopted by the requisite number of shares.*

524.539 Voting trust.

Any number of shareholders of a state bank may create a voting trust for the purpose of conferring upon a trustee or trustees the right to vote or otherwise represent their shares, for a period of not to exceed ten years, by entering into a written voting trust agreement specifying the terms and conditions of the voting trust, by depositing a counterpart of the agreement with the state bank at its principal place of business, by delivery of a copy of the voting trust agreement to the superintendent and by transferring their shares to such trustee or trustees for the purposes of the agreement. The counterpart of the voting trust agreement so deposited with the state bank is subject to examination for any proper purpose during usual business hours by a shareholder of the state bank, in person or by agent or attorney, or by any holder of a beneficial interest in the voting trust, in person or by agent or attorney.

This section shall not affect the validity of any agreement, relative to the voting of shares, in effect prior to July 1, 1995.

524.544 Change of control certificate of approval shares as security reports.

1. Whenever any person proposes to purchase or otherwise acquire directly or indirectly any of the outstanding shares of a state bank, and the proposed purchase or acquisition would result in control or in a change in control of the bank, the person proposing to purchase or acquire the shares shall first apply in writing to the superintendent for a certificate of approval for the proposed change of control. The superintendent shall grant the certificate if the superintendent is satisfied that the person who proposes to obtain control of the bank is qualified by character, experience and financial responsibility to control and operate the bank in a sound and legal manner, and that the interests of the depositors, creditors and shareholders of the bank, and of the public generally, will not be jeopardized by the proposed change of control. A person which will become a bank holding company upon completion of an acquisition shall make application to the superintendent for a certificate of approval as provided in this section. Any other bank holding company shall comply with section 524.1804 in lieu of seeking a certificate of approval under this section. In any situation where the president or cashier of a bank has reason to believe any of the foregoing requirements have not been complied with, it shall be the duty of the president or cashier to promptly report in writing such facts to the superintendent upon obtaining knowledge thereof. As used in this section, the term "*control*" means the power, directly or indirectly, to elect the board of directors. If there is any doubt as to whether a change in the ownership of the outstanding shares is sufficient to result in control thereof, or to effect a change in the control thereof, such doubt shall be resolved in favor of reporting the facts to the superintendent.

2. Whenever twenty-five percent or more of the outstanding voting shares of a state bank is used as security for any transaction, the person or persons owning such shares shall promptly report such transaction to the superintendent in writing.

3. The reports required by subsections 1 and 2 of this section shall contain information (to the extent known by the person making the report) relative to the number of shares involved, the names of the sellers and purchasers (or transferors and transferees), the purchase price, the name of the borrower, the amount, source, and terms of the loan, or other transaction, the name of the bank issuing the shares used as security, and the number of shares used as security.

4. The superintendent may require, at such times as the superintendent deems appropriate, the submission of a financial statement from a shareholder or shareholders of a state bank possessing, directly or indirectly, control of such state bank.

524.601 Board of directors.

1. The business and affairs of a state bank shall be managed by a board of five or more directors eighteen years of age or older, a majority of whom shall be residents of the state of Iowa and citizens of the United States.
2. The number of directors may be increased, or decreased to a number not less than five, by the shareholders at the annual meeting, or at a special meeting called for that purpose, but no decrease shall have the effect of shortening the term of an incumbent director.

524.604 Duties and responsibilities.

The duties and responsibilities of a director or of the board of directors shall include, but are not limited to, the following:

1. Attendance at no less than seventy-five percent of the regular board meetings held during the calendar year.
2. Employment of officer personnel, and determination of their compensation.
3. Periodic review of the original records of the state bank, or comprehensive summaries thereof prepared by the officers of the state bank, pertaining to loans, discounts, security interests and investments in bonds and

securities.

4. Review of the adequacy of the bank's internal controls and determination of the most appropriate method to satisfy the bank's audit needs pursuant to section 524.608.

5. Periodic review of the utilization of security measures for the protection of the state bank and the maintenance of reasonable insurance coverage.

Directors of a state bank shall discharge the duties of their position in good faith and with that diligence, care and skill which ordinarily prudent persons would exercise under similar circumstances in like positions. The directors shall have a continuing responsibility to assure themselves that the bank is being managed according to law and that the practices and policies adopted by the board are being implemented.

95 Acts, ch 148, §62

524.605 Liability of directors in certain cases.

In addition to any other liabilities imposed by law upon directors of a state bank:

1. Directors of a state bank who vote for or assent to the declaration of any dividend or other distribution of the assets of a state bank to its shareholders in willful or negligent violation of the provisions of this chapter or of any restrictions contained in the articles of incorporation, shall be jointly and severally liable to the state bank for the amount of such dividend which is paid or the value of such assets which are distributed in excess of the amount of such dividend or distribution which could have been paid or distributed without a violation of the provisions of this chapter or of the restrictions in the articles of incorporation.

2. The directors of a state bank who vote for or assent to any distribution of assets of a state bank to its shareholders during the dissolution of the state bank without the payment and discharge of, or making adequate provision for, all known debts, obligations, and liabilities of the state bank shall be jointly and severally liable to the state bank for the value of such assets which are distributed, to the extent that such debts, obligations and liabilities of the state bank are not thereafter paid and discharged.

3. The directors of a state bank who, willfully or negligently, vote for or assent to loans or extensions of credit in violation of the provisions of this chapter, shall be jointly and severally liable to the state bank for the total amount of any loss sustained.

4. The directors of a state bank who, willfully or negligently, vote for or assent to any investment of funds of the state bank in violation of the provisions of this chapter shall be jointly and severally liable to the state bank for the amount of any loss sustained on such investment.

A director of a state bank who is present at a meeting of its board of directors at which action on any matter is taken shall be presumed to have assented to the action taken unless the director's dissent shall be entered in the minutes of the meeting or unless the director shall file the director's written dissent to such action with the individual acting as the secretary of the meeting before the adjournment thereof or shall forward such dissent by registered or certified mail to the cashier of the state bank promptly after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

A director shall not be liable under subsection 1, 2, 3, or 4 of this section if the director relied and acted in good faith upon information represented to the director to be correct by an officer or officers of such state bank or stated in a written report by a certified public accountant or firm of such accountants. No director

shall be deemed to be negligent within the meaning of this section if the director in good faith exercised that diligence, care and skill which an ordinarily prudent person would exercise as a director under similar circumstances.

Any director against whom a claim shall be asserted under or pursuant to this section for the payment of a dividend or other distribution of assets of a state bank and who shall be held liable thereon, shall be entitled to contribution from the shareholders who accepted or received any such dividend or assets, knowing such dividend or distribution to have been made in violation of the provisions of this chapter, in proportion to the amounts received by them respectively. Further, any director against whom a claim shall be asserted pursuant to this section for the payment of any liability imposed by this section shall be entitled to contribution from any director found to be similarly liable.

Whenever the superintendent deems it necessary the superintendent may require, after affording an opportunity for a hearing upon adequate notice, that a director or directors whom the superintendent reasonably believes to be liable to a state bank pursuant to subsection 1, 2, 3, or 4 of this section, to place in an escrow account in an insured bank located in this state, as directed by the superintendent, an amount sufficient to discharge any liability which may accrue pursuant to subsection 1, 2, 3, or 4 of this section. The amount so deposited shall be paid over to the state bank by the superintendent upon final determination of the amount of such liability. Any portion of the escrow account which is not necessary to meet such liability shall be repaid on a pro rata basis to the directors who contributed to the fund.

Any action seeking to impose liability under this section, other than liability for contribution, shall be commenced only within five years of the action complained of and not thereafter.

95 Acts, ch 148, §63

524.606 Removal of directors.

1. At a meeting of shareholders expressly called for that purpose, individual directors or the entire board of directors may be removed, with or without cause, by the affirmative vote of the holders of a majority of the shares entitled to vote at an election of directors. The vacancies created may be filled at the same meeting at which the removal proceedings take place.
2. If, in the opinion of the superintendent, any director of a state bank has violated any law relating to such state bank or has engaged in unsafe or unsound practices in conducting the business of such state bank, the superintendent may cause notice to be served upon such director, to appear before the superintendent to show cause why the director should not be removed from office. A copy of such notice shall be sent to each director of the state bank affected, by registered or certified mail. If, after granting the accused director a reasonable opportunity to be heard, the superintendent finds that the director violated any law relating to such state bank or engaged in unsafe or unsound practices in conducting the business of such state bank, the superintendent, in the superintendent's discretion, may order that such director be removed from office. A copy of the order shall be served upon such director and upon the state bank of which the person is a director at which time the person shall cease to be a director of the state bank. The resignation, termination of employment, or separation of such director, including a separation caused by the closing of the state bank at which the person serves as a director, does not affect the jurisdiction and authority of the superintendent to cause notice to be served and proceed under this subsection against the director, if the notice is served before the end of the six-year period beginning on the date the director ceases to be a director with the bank.

The decision of the superintendent shall be subject to judicial review in accordance with the terms of the Iowa administrative procedure Act, chapter 17A. No action taken by a director prior to the director's removal shall be subject to attack on the ground of the director's disqualification.

The board of directors shall hold at least nine regular meetings each calendar year. No more than one regular meeting shall be held in any one calendar month. Unless the articles of incorporation or bylaws provide otherwise, the board of directors may permit directors to participate in meetings through the use of any means of communication by which all directors participating may simultaneously hear each other during the meeting. A director participating in a meeting by this means is deemed to be present at the meeting.

A special meeting may be called by any executive officer or a director. Notice of a meeting shall be given to each director, either personally or by mail, at least two days in advance of the meeting. Notice of a regular meeting shall not be required if the articles of incorporation, bylaws, or a resolution of the board of directors provide for a regular monthly meeting date.

Attendance of a director at a meeting shall constitute a waiver of notice of such meeting except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Whenever any notice is required to be given to any director of a state bank under the provisions of this chapter or under the provisions of the articles of incorporation or the bylaws of the state bank, a waiver thereof in writing, signed by the individual or individuals entitled to such notice, whether before or after the time stated therein, shall be equivalent to the giving of such notice.

A majority of the board of directors shall constitute a quorum for the transaction of business unless a greater number is required by the articles of incorporation or the bylaws. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the board of directors, unless the act of a greater number is required by the laws of this state or of the United States, the articles of incorporation or the bylaws.

The action must be evidenced by one or more written consents describing the action taken, signed by each director, and included in the minutes or filed with the corporate records reflecting the action taken.

2. Action taken under this section is effective when the last director signs the consent, unless the consent specifies a different effective date.

3. A written consent signed under this section has the effect of a meeting vote and may be described as such in any document.

524.608 Auditing procedures.

In addition to any examination made by the banking division or other supervisory agency, the board of directors shall review the adequacy of the bank's internal controls and cause to be made no less frequently than once each calendar year additional auditing procedures that the board deems to be appropriate. The board shall determine the bank's audit needs and record in the board's minutes the extent to which audit procedures are to be employed. A report which summarizes significant audit findings shall be delivered to the superintendent as soon as practical upon completion.

The superintendent may require that more comprehensive auditing procedures be applied to a bank's account records when deemed necessary. These auditing procedures may range from limited scope agreed-upon procedures to an unqualified audit opinion.

A majority of the board of directors, voting in the absence of the applying director, shall give its prior approval to such loans and extensions of credit. Approval shall be recorded in the minutes.

2. A director shall not be permitted to receive any loan or extension of credit or use any property of a state bank of which the person is a director at a lower rate of interest or on terms which are more favorable than the terms offered to other customers under similar circumstances.

3. A director shall not receive terms or be paid a rate of interest on deposits, by a state bank of which the person is a director, which are more favorable than that provided to any other customer under similar circumstances.

4. A director shall not purchase or lease any assets from or sell or lease any assets to a state bank of which the person is a director except upon terms not less favorable to the state bank than those offered to or by other persons. All purchases or leases from and sales or leases to a director shall receive the prior approval of a majority of the board of directors voting in the absence of the interested director.

5. (1) For amounts secured by a lien on a dwelling which is expected, after the obligation is incurred, to be owned by the executive officer and used as the officer's principal residence.

(2) For amounts to finance the education of a child or children of the executive officer.

(3) For amounts which in the aggregate do not at any one time exceed the higher of twenty-five thousand dollars or two and one-half percent of the bank's aggregate capital, but in no event more than one hundred thousand dollars.

(4) For amounts which do not, in the aggregate, exceed the principal amounts of segregated deposit accounts which the bank may lawfully set off. An interest in or portion of a segregated deposit account does not satisfy the requirements of this subparagraph if that interest or portion is also pledged to secure the payment of a debt or obligation of any person other than the executive officer. If the deposit is eligible for withdrawal before the secured loan matures, the bank shall establish internal procedures to prevent the release of the security without the bank's prior consent.

(5) For amounts secured by bonds, notes, certificates of indebtedness, or treasury bills of the United States or by other such obligations fully guaranteed by the United States as to principal and interest.

(6) For amounts secured by unconditional takeout commitments or guarantees of any department, agency, bureau, board, commission, or establishment of the United States or any corporation wholly owned directly or indirectly by the United States.

b. A state bank shall not loan money or extend credit to an executive officer of the state bank, and an executive officer of a state bank shall not receive a loan or extension of credit from the state bank, exceeding the limitations imposed by this section or for a purpose other than that authorized by this section. Such loans and extensions of credit shall not exceed an amount totaling more than fifteen percent of the aggregate capital of the state bank, except for loans and extensions of credit identified in paragraph "*a*", subparagraphs (4), (5), and (6). Any such loan on real property shall comply with section 524.905. A majority of the board of directors, voting in the absence of the applying executive officer, whether or not the executive officer is also a director, shall give its prior approval to any obligation of an executive officer to the state bank of which the person is an executive officer. Approval shall be recorded in the minutes.

2. Section 524.612, subsection 2, applies to executive officers, and section 524.612, subsections 3 and 4, apply to all officers and employees.

3. Upon the request of the board of directors, an officer or employee of a state bank shall submit to the board of directors a personal financial statement which shall include the names of all persons to whom the officer or employee is obligated, the dates, terms, and amounts of each loan or other obligation, the security for the loan or obligation, and the purpose for which the proceeds of the loan or other obligation has been or is to be used.

4. Upon the request of the superintendent, a director or an officer of a state bank shall submit to the superintendent a personal financial statement which shall show the names of all persons to whom the director or officer is obligated, the dates, terms, and amounts of each loan or other obligation, the security for the loan or obligation, and the purpose for which the proceeds of the loan or other obligation has been or is to be used.

Election of an officer shall not of itself create contract rights.

1. A state bank shall not be required, in the absence of a court order or indemnity required by this section, to recognize any claim to, or any claim of authority to exercise control over, a deposit account made by a person or persons other than:

a. The customer in whose name the account is held by the state bank.

b. An individual or group of individuals who are authorized to draw on or control the account pursuant to certified corporate resolution or other written arrangement with the customer, currently on file with the state bank, which has not been revoked by valid corporate action in the case of a corporation, or by a valid agreement or other valid action appropriate for the form of legal organization of any other customer, of which the state bank has received notice and which is not the subject of a dispute known to the state bank as to its original validity. The deposit account records of a state bank shall be presumptive evidence as to the identity of the customer on whose behalf the money is held.

2. To require a state bank to recognize an adverse claim to, or adverse claim of authority to control, a deposit account, whoever makes the claim must either:

1. A state bank may lease safe deposit boxes for the storage of property on terms and conditions prescribed by the state bank. The terms and conditions shall not bind a customer or the customer's successors or legal representatives to whom the state bank does not give notice of such terms and conditions by delivery of a lease and agreement in writing containing the terms and conditions. A state bank may limit its liability provided such limitations are set forth in the lease and agreement in at least the same size and type as the other substantive provisions of the lease and agreement.

2. The lease and agreement of a safe deposit box may provide that evidence tending to prove that property was left in any such box upon the last entry by the customer or the customer's authorized agent, and that the same or any part thereof was found missing upon subsequent entry, shall not be sufficient to raise a presumption that the same was lost by any negligence or wrongdoing for which such state bank is responsible, or put upon the state bank the burden of proof that such alleged loss was not the fault of the state bank.

3. A state bank may lease a safe deposit box to a minor. A state bank may deal with a minor with respect to a safe deposit lease and agreement without the consent of a parent, guardian or conservator and with the same effect as though the minor were an adult. Any action of the minor with respect to such safe deposit lease and agreement shall be binding on the minor with the same effect as though an adult.

4. A state bank which has on file a power of attorney of a customer covering a safe deposit lease and agreement, which has not been revoked by the customer, shall incur no liability as a result of continuing to honor the provisions of the power of attorney in the event of the death or incompetence of the donor of the power of attorney until it receives written notice of the death, or written notice of adjudication by a court of the incompetence of the customer and the appointment of a guardian or conservator.

1. A bank shall permit a person named in and authorized by a court order to open, examine, and remove the contents of a safe deposit box located at the bank. If a court order has not been delivered to the bank, the following persons may access and remove any or all contents of a safe deposit box located at a state bank which box is described in an ownership or rental agreement or lease between the state bank and a deceased owner or lessee:

a. A co-owner or co-lessee of the safe deposit box.

b. A person designated in the safe deposit box agreement or lease to have access to the safe deposit box upon the death of the lessee, to the extent provided in the safe deposit box agreement or lease.

c. An executor or administrator of the estate of a deceased owner or lessee upon delivery to the state bank of

a certified copy of letters of appointment.

d. A person named as an executor in a copy of a purported will produced by the person, provided such access shall be limited to the removal of a purported will, and no other contents shall be removed.

e. A trustee of a trust created by the deceased owner or lessee upon delivery to the state bank of either of the following:

(1) A certification of trust pursuant to section 633.4604 which certifies that the trust property is reasonably believed to include property in the safe deposit box.

(2) A copy of the trust with an affidavit by the trustee which certifies that a copy of the trust delivered to the state bank with the affidavit is an accurate and complete copy of the trust, that the trustee is the duly authorized and acting trustee under the trust, that the trust property is reasonably believed to include property in the safe deposit box, and that, to the knowledge of the trustee, the trust has not been revoked.

2. A person removing any contents of a safe deposit box pursuant to subsection 1 shall deliver any writing purported to be a will of the decedent to the court having jurisdiction over the decedent's estate.

3. *a.* If a person authorized to have access under subsection 1 does not request access to the safe deposit box within the thirty-day period immediately following the date of death of the owner or lessee of a safe deposit box, and the state bank has knowledge of the death of the owner or lessee of the safe deposit box, the safe deposit box may be opened by or in the presence of two employees of the state bank. If no key is produced, the state bank may cause the safe deposit box to be opened and the state bank shall have a claim against the estate of the deceased owner or lessee and a lien upon the contents of the safe deposit box for the costs of opening and resealing the safe deposit box.

b. If a safe deposit box is opened pursuant to paragraph "a", the bank employees present at such opening shall do all of the following:

(1) Remove any purported will of the deceased owner or lessee.

(2) Unseal, copy, and retain in the records of the state bank a copy of a purported will removed from the safe deposit box. An additional copy of such purported will shall be made, dated, and signed by the bank employees present at the safe deposit box opening and placed in the safe deposit box. The safe deposit box shall then be resealed.

(3) The original of a purported will shall be sent by registered or certified mail or personally delivered to the district court in the county of the last known residence of the deceased owner or lessee, or the court having jurisdiction over the testator's estate. If the residence is unknown or last known and not in this state, the purported will shall be sent by registered or certified mail or personally delivered to the district court in the county where the safe deposit box is located.

4. The state bank may rely upon published information or other reasonable proof of death of an owner or lessee. A state bank has no duty to inquire about or discover, and is not liable to any person for failure to inquire about or discover, the death of the owner or lessee of a safe deposit box. A state bank has no duty to open or cause to be opened, and is not liable to any person for failure to open or cause to be opened, a safe deposit box of a deceased owner or lessee. Upon compliance with the requirements of subsection 1 or 3, the state bank is not liable to any person as a result of the opening of the safe deposit box, removal and delivery of the purported will, or retention of the unopened safe deposit box and contents.

524.811 Adverse claims to property in safe deposit and safekeeping.

1. A state bank shall not be required, in the absence of a court order or indemnity required by this section, to recognize any claim to, or claim of authority to exercise control over, property held in safe deposit or property held for safekeeping pursuant to section 524.813 made by a person or persons other than:

a. The customer in whose name the property is held by the state bank.

b. An individual or group of individuals who are authorized to have access to the safe deposit box, or to the property held for safekeeping, pursuant to a certified corporate resolution or other written arrangement with the customer, currently on file with the state bank, which has not been revoked by valid corporate action in the case of a corporation, or by a valid agreement or other valid action appropriate for the form of legal organization of any other customer, of which the state bank has received notice and which is not the subject of a dispute known to the state bank as to its original validity. The safe deposit and safekeeping account records of a state bank shall be presumptive evidence as to the identity of the customer on whose behalf the money is held.

2. To require a state bank to recognize an adverse claim to, or adverse claim of authority to control, property held in safe deposit or for safekeeping, whoever makes the claim must either:

a. Obtain and serve on the state bank an appropriate court order or judicial process directed to the state bank, restraining any action with respect to the property until further order of such court or instructing the state bank to deliver the property, in whole or in part, as provided in the order or process; or

b. Deliver to the state bank a bond, in form and amount and with sureties satisfactory to the state bank, indemnifying the state bank against any liability, loss or expense which it might incur because of its recognition of the adverse claim or because of its refusal to deliver the property to any person described in paragraphs "*a*" and "*b*" of subsection 1 of this section.

524.812 Remedies and proceedings for nonpayment of rent on safe deposit box.

1. A state bank shall have a lien upon the contents of a safe deposit box for past due rentals and any expense incurred in opening the safe deposit box, replacement of the locks thereon, and of any sale made pursuant to this section. If the rental of any safe deposit box is not paid within six months from the day it is due, at any time thereafter and while such rental remains unpaid, the state bank shall mail a notice by certified or registered mail to the customer at the customer's last known address as shown upon the records of the state bank, stating that if the amount due for such rental is not paid on or before a specified day, which shall be at least thirty days after the date of mailing such notice, the state bank will remove the contents thereof and hold the same for the account of the customer.

2. If the rental for the safe deposit box has not been paid prior to the expiration of the period specified in a notice mailed pursuant to subsection 1 of this section, the state bank may, in the presence of two of its officers, cause the box to be opened and the contents removed. An inventory of the contents of the safe deposit box shall be made by the two officers present and the contents held by the state bank for the account of the customer.

3. If the contents are not claimed within two years after their removal from the safe deposit box, the state bank may proceed to sell so much of the contents as is necessary to pay the past due rentals and the expense incurred in opening the safe deposit box, replacement of the locks thereon and the sale of the contents. The sale shall be held at the time and place specified in a notice published prior to the sale once each week for two successive weeks in a newspaper of general circulation published in the municipal corporation or

unincorporated area in which the state bank has its principal place of business, or if there is none, a newspaper of general circulation published in the county, or in a county adjoining the county, in which the state bank has its principal place of business. A copy of the notice so published shall be mailed to the customer at the customer's last known address as shown upon the records of the state bank. The notice shall contain the name of the customer and need only describe the contents of the safe deposit box in general terms. The contents of any number of safe deposit boxes may be sold under one notice of sale and the cost thereof apportioned ratably among the several safe deposit box customers involved. At the time and place designated in said notice the contents taken from each respective safe deposit box shall be sold separately to the highest bidder for cash and the proceeds of each sale applied to the rentals and expenses due to the state bank and the residue from any such sale shall be held by the state bank for the account of the customer or customers. Any amount so held as proceeds from such sale shall be credited with interest at the customary annual rate for savings accounts at said state bank, or in lieu thereof, at the customary rate of interest in the community where such proceeds are held. The crediting of interest shall not activate said account to avoid an abandonment as unclaimed property under chapter 556.

4. Notwithstanding any of the provisions of this section, shares, bonds, or other securities which, at the time of a sale pursuant to subsection 3 of this section, are listed on any established stock exchange in the United States, shall not be sold at public sale but may be sold through an established stock exchange. Upon the making of a sale of any such securities, an officer of the state bank shall execute and attach to the securities so sold an affidavit reciting facts showing that such securities were sold pursuant to this section and that the state bank has complied with the provisions of this section. The affidavit shall constitute sufficient authority to any corporation whose shares are so sold or to any registrar or transfer agent of such corporation to cancel the certificates of shares so sold and to issue a new certificate or certificates representing such shares to the purchaser thereof, and to any registrar, trustee, or transfer agent of registered bonds or other securities, to register any such bonds or other securities in the name of the purchaser thereof.

5. The proceeds of any sale made pursuant to this section, after the payment of any amounts with respect to which the state bank has a lien, any property which was not offered for sale and property which, although offered for sale, was not sold, shall be retained by the state bank until such time as the property is presumed abandoned according to the provisions of section 556.2, and shall thereafter be handled in accordance with the provisions of that chapter.

1. A state bank may accept property for safekeeping if, except in the case of night depositories, it issues a receipt therefor. A state bank accepting property for safekeeping shall purchase and maintain reasonable insurance coverage to insure against loss incurred in connection with the acceptance of property for safekeeping. Property held for safekeeping shall not be commingled with the property of the state bank or the property of others.

2. A state bank shall have a lien upon any property held for safekeeping for past due charges for safekeeping and for expenses incurred in any sale made pursuant to this subsection. If the charge for the safekeeping of property is not paid within six months from the day it is due, at any time thereafter and while such charge remains unpaid, the state bank may mail a notice to the customer at the customer's last known address as shown upon the records of the state bank, stating that if the amount due is not paid on or before a specified day, which shall be at least thirty days after the date of mailing such notice, the state bank will remove the property from safekeeping and hold the same for the account of the customer. After the expiration of the period specified in such notice, if the charge for safekeeping has not been paid, the state bank may remove the property from safekeeping, cause the property to be inventoried and hold the same for the account of the

customer. If the property is not claimed within two years after its removal from safekeeping the state bank may proceed to sell so much thereof as is necessary to pay the charge which remains unpaid and the expense incurred in making the sale in the manner provided for in subsections 3 and 4 of section 524.812. The proceeds of any sale made pursuant to this section, after payment of any amounts with respect to which the state bank has a lien, any property which was not offered for sale and property which, although offered for sale, was not sold, shall be retained by the state bank until such time as the property is presumed abandoned according to the provisions of section 556.2, and shall thereafter be handled in accordance with the provisions of that chapter.

A state bank's total investment in any combination of the shares or equity interests of the entities identified in paragraphs "a" through "f" shall be limited to fifteen percent of its aggregate capital.

For purposes of this subsection, the term "*venture capital fund*" means a corporation, partnership, proprietorship, or other entity whose principal business is or will be the making of investments in, and the providing of significant managerial assistance to, small businesses. The term "*small business*" means a corporation, partnership, proprietorship, or other entity which meets the appropriate United States small business administration definition of small business and which is principally engaged in the development or exploitation of inventions, technological improvements, new processes, or other products not previously generally available in this state, or other investments which provide an economic benefit to the state. The term "*equity interests*" means limited partnership interests and other equity interests in which liability is limited to the amount of the investment, but does not mean general partnership interests or other interests involving general liability.

8. A state bank, in the exercise of the powers granted in this chapter, may purchase cash value life insurance contracts which may include provisions for the lump sum payment of premiums and which may include insurance against the loss of the lump sum payment. The cash value life insurance contracts purchased from any one company shall not exceed fifteen percent of aggregate capital of the state bank, and in the aggregate from all companies, shall not exceed twenty-five percent of aggregate capital of the state bank unless the state bank has obtained the approval of the superintendent prior to the purchase of any cash value life insurance contract in excess of this limitation.

9. A state bank may invest without limitation for its own account in futures, forward, and standby contracts to purchase and sell any of the instruments a state bank is authorized to purchase and sell, subject to the prior approval of the superintendent and pursuant to applicable federal laws and regulations governing such contracts. Purchase and sale of such contracts shall be conducted in accordance with safe and sound banking practices and with the level of the activity being reasonably related to the state bank's business needs and capacity to fulfill its obligations under the contracts.

1. A state bank may, subject to any applicable restrictions under other provisions of this chapter, loan money, extend credit and discount or purchase evidences of indebtedness and agreements for the payment of money.
2. Nothing in this chapter is deemed to permit a state bank to purchase a vendee's interest in a real property sales contract, provided, however, that a state bank may loan or extend credit on the security of such an interest.

1. A state bank shall have power to accept drafts drawn upon it having not more than six months after sight to run, exclusive of days of grace:

- a. Which grow out of transactions involving the importation or exportation of goods.
- b. Which grow out of transactions involving the domestic shipment of goods, provided documents of title are attached thereto at the time of acceptance.
- c. In which a security interest is perfected at the time of acceptance covering readily marketable staples.

2. A state bank shall not accept such drafts in an amount which exceeds at any time in the aggregate for all drawers thirty percent of the state bank's aggregate capital.

3. A state bank may accept drafts, having not more than three months after sight to run, drawn upon it by banks or bankers in foreign countries, or in dependencies or insular possessions of the United States, for the purpose of furnishing dollar exchange as required by the usages of trade where the drafts are drawn in an aggregate amount which shall not at any time exceed for all such acceptance on behalf of a single bank or banker seven and one-half percent of the state bank's aggregate capital, and for all such acceptances, thirty percent of the state bank's aggregate capital.

524.904 Loans and extensions of credit to one borrower.

1. For purposes of this section, "*loans and extensions of credit*" means a state bank's direct or indirect advance of funds to a borrower based on an obligation of that borrower to repay the funds or repayable from specific property pledged by the borrower and shall include:

- a. A contractual commitment to advance funds, as defined in section 524.103.
- b. A maker or endorser's obligation arising from a state bank's discount of commercial paper.
- c. A state bank's purchase of securities subject to an agreement that the seller will repurchase the securities at

the end of a stated period.

d. A state bank's purchase of third-party paper subject to an agreement that the seller will repurchase the paper upon default or at the end of a stated period. The amount of the state bank's loan is the total unpaid balance of the paper owned by the state bank less any applicable dealer reserves retained by the state bank and held by the state bank as collateral security. Where the seller's obligation to repurchase is limited, the state bank's loan is measured by the total amount of the paper the seller may ultimately be obligated to repurchase. A state bank's purchase of third-party paper without direct or indirect recourse to the seller is not a loan or extension of credit to the seller.

e. An overdraft.

f. Amounts paid against uncollected funds.

g. Loans or extensions of credit that have been charged off the books of the state bank in whole or in part, unless the loan or extension of credit has become unenforceable by reason of discharge in bankruptcy; or is no longer legally enforceable because of expiration of the statute of limitations or a judicial decision; or forgiven under an executed written agreement by the state bank and the borrower.

h. The aggregate rentals payable by the borrower under leases of personal property by the state bank as lessor.

i. Loans and extensions of credit to one borrower consisting of investments in which the state bank has invested pursuant to section 524.901.

j. Amounts invested by a state bank for its own account in the shares and obligations of a corporation which is a customer of the state bank.

k. All other loans and extensions of credit to one borrower of the state bank not otherwise excluded by subsection 7, whether directly or indirectly, primarily or secondarily.

2. A state bank may grant loans and extensions of credit to one borrower in an amount not to exceed fifteen percent of the state bank's aggregate capital as defined in section 524.103, unless the additional lending provisions described in subsection 3 or 4 apply.

3. A state bank may grant loans and extensions of credit to one borrower in an amount not to exceed twenty-five percent of the state bank's aggregate capital if any amount that exceeds the lending limitation described in subsection 2 is fully secured by one or any combination of the following:

a. Nonnegotiable bills of lading, warehouse receipts, or other documents transferring or securing title covering readily marketable nonperishable staples when such goods are covered by insurance to the extent that insuring the goods is customary, and when the market value of the goods is not at any time less than one hundred twenty percent of the amount of the loans and extensions of credit.

b. Nonnegotiable bills of lading, warehouse receipts, or other documents transferring or securing title covering readily marketable refrigerated or frozen staples when such goods are fully covered by insurance and when the market value of the goods is not at any time less than one hundred twenty percent of the amount of the loans and extensions of credit.

c. Shipping documents or instruments that secure title to or give a first lien on livestock. At inception, the current value of the livestock securing the loans must equal at least one hundred percent of the amount of the outstanding loans and extensions of credit. For purposes of this section, "livestock" includes dairy and beef cattle, hogs, sheep, and poultry, whether or not held for resale. For livestock held for resale, current value

means the price listed for livestock in a regularly published listing or actual purchase price established by invoice. For livestock not held for resale, the value shall be determined by the local slaughter price. The bank must maintain in its files evidence of purchase or an inspection and valuation for the livestock pledged that is reasonably current, taking into account the nature and frequency of turnover of the livestock to which the documents relate.

d. Mortgages, deeds of trust, or similar instruments granting a first lien on farmland or on single-family or two-family residences, subject to the provisions of section 524.905, provided the amount loaned shall not exceed fifty percent of the appraised value of such real property.

e. With the prior approval of the superintendent, other readily marketable collateral. The market value of the collateral securing the loans must at all times equal at least one hundred percent of the outstanding loans and extensions of credit.

4. A state bank may grant loans and extensions of credit to one borrower not to exceed thirty-five percent of the state bank's aggregate capital if any amount that exceeds the lending limitations described in subsection 2 or 3 consists of obligations as endorser of negotiable chattel paper negotiated by endorsement with recourse, or as unconditional guarantor of nonnegotiable chattel paper, or as transferor of chattel paper endorsed without recourse subject to a repurchase agreement.

5. A state bank may grant loans and extensions of credit to a corporate group in an amount not to exceed twenty-five percent of the state bank's aggregate capital if all loans and extensions of credit to any one borrower within a corporate group conform to subsection 2 or 3, and the financial strength, assets, guarantee, or endorsement of any one corporate group member is not relied upon as a basis for loans and extensions of credit to any other corporate group member. A state bank may grant loans and extensions of credit to a corporate group in an amount not to exceed thirty-five percent of aggregate capital if all loans and extensions of credit to any one borrower within a corporate group conform to subsection 2, 3, or 4, and the financial strength, assets, guarantee, or endorsement of any one corporate group member is not relied upon as a basis for loans and extensions of credit to any other corporate group member. A corporate group includes a person and all corporations in which the person owns or controls fifty percent or more of the shares entitled to vote.

6. For purposes of this section:

a. Loans and extensions of credit to one person will be attributed to another person and will be considered one borrower if either of the following apply:

(1) The proceeds, or assets purchased with the proceeds, benefit another person, other than a bona fide arm's length transaction where the proceeds are used to acquire property, goods, or services.

(2) The expected source of repayment for each loan or extension of credit is the same for each borrower and no borrower has another source of income from which the loan may be fully repaid.

b. Loans and extensions of credit to a partnership, joint venture, or association are deemed to be loans and extensions of credit to each member of the partnership, joint venture, or association. This provision does not apply to limited partners in limited partnerships or to members of joint ventures or associations if the partners or members, by the terms of the partnership or membership agreement or other written agreement, are not to be held generally liable for the debts or actions of the partnership, joint venture, or association, and those provisions are valid under applicable law.

c. Loans and extensions of credit to members of a partnership, joint venture, or association are not attributed to the partnership, joint venture, or association unless loans and extensions of credit are made to the member to purchase an interest in the partnership, joint venture, or association, or the proceeds are used for a common purpose with the proceeds of loans and extensions of credit to the partnership, joint venture, or association.

d. Loans and extensions of credit to one borrower which are endorsed or guaranteed by another borrower will not be combined with loans and extensions of credit to the endorser or guarantor unless the endorsement or guaranty is relied upon as a basis for the loans and extensions of credit. A state bank shall not be deemed to have violated this section if the endorsement or guaranty is relied upon after inception of loans and extensions of credit, but the state bank shall, if required by the superintendent, dispose of loans and extensions of credit to one borrower in the amount in excess of the limitations of this section within a reasonable time as fixed by the superintendent.

e. When the superintendent determines the interests of a group of more than one borrower, or any combination of the members of the group, are so interrelated that they should be considered a unit for the purpose of applying the limitations of this section, some or all loans and extensions of credit to that group of borrowers existing at any time shall be combined and deemed loans and extensions of credit to one borrower. A state bank shall not be deemed to have violated this section solely by reason of the fact that loans and extensions of credit to a group of borrowers exceed the limitations of this section at the time of a determination by the superintendent that the indebtedness of that group must be combined, but the state bank shall, if required by the superintendent, dispose of loans and extensions of credit to the group in the amount in excess of the limitations of this section within a reasonable time as fixed by the superintendent.

7. Total loans and extensions of credit to one borrower for the purpose of applying the limitations of this section shall not include any of the following:

a. Additional funds advanced for taxes or for insurance if the advance is for the protection of the state bank.

b. Accrued and discounted interest on existing loans or extensions of credit.

c. Any portion of a loan or extension of credit sold as a participation by a state bank on a nonrecourse basis, provided that the participation results in a pro rata sharing of credit risk proportionate to the respective interests of the originating and participating lenders. Where a participation agreement provides that repayment must be applied first to the portions sold, a pro rata sharing will be deemed to exist only if the agreement also provides that in the event of a default or comparable event defined in the agreement, participants must share in all subsequent repayments and collections in proportion to their percentage participation at the time of the occurrence of the event. If an originating state bank funds the entire loan, it must receive funding from the participants on the same day or the portions funded will be treated as loans by the originating state bank to the borrower.

d. Loans and extensions of credit to one borrower to the extent secured by a segregated deposit account which the state bank may lawfully set off. An amount held in a segregated deposit account in the name of more than one customer shall be counted only once with respect to all borrowers. Where the deposit is eligible for withdrawal before the secured loan matures, the state bank must establish internal procedures to prevent release of the security without the state bank's prior consent.

e. Loans and extensions of credit to one borrower which is a bank.

f. Loans and extensions of credit to one borrower which are fully secured by bonds and securities of the kind in which a state bank is authorized to invest for its own account without limitation under section 524.901, subsection 3.

g. Loans and extensions of credit to a federal reserve bank or to the United States, or of any department, bureau, board, commission, agency, or establishment of the United States, or to any corporation owned directly or indirectly by the United States, or loans and extensions of credit to one borrower to the extent that such loans and extensions of credit are fully secured or guaranteed or covered by unconditional commitments or agreements to purchase by a federal reserve bank or by the United States, or any department, bureau, board, commission, agency, or establishment of the United States, or any corporation owned directly or

indirectly by the United States. Loans and extensions of credit to one borrower secured by a lease on property under the terms of which the United States, or any department, bureau, board, commission, agency, or establishment of the United States, or any corporation owned directly or indirectly by the United States, or the state of Iowa, or any political subdivision of the state, is lessee and under the terms of which the aggregate rentals payable to the borrower will be sufficient to satisfy the amount loaned is considered to be loans and extensions of credit secured or guaranteed as provided for in this paragraph.

h. Loans and extensions of credit to one borrower as the drawer of drafts drawn in good faith against actually existing values in connection with a sale of goods which have been endorsed by the borrower with recourse or which have been accepted.

i. Loans and extensions of credit arising out of the discount of commercial paper actually owned by a borrower negotiating the same and endorsed by a borrower without recourse and which is not subject to repurchase by a borrower.

j. Loans and extensions of credit drawn by a borrower in good faith against actually existing values and secured by nonnegotiable bills of lading for goods in process of shipment.

k. Loans and extensions of credit in the form of acceptances of other banks of the kind described in section 524.903, subsection 3.

l. Loans and extensions of credit of the borrower by reason of acceptances by the state bank for the account of the borrower pursuant to section 524.903, subsection 1.

524.905 Loans on real property.

1. *Rules for loans.* A state bank may make permanent loans, construction loans, or combined construction and permanent loans, secured by liens on real property, as authorized by rules adopted by the superintendent under chapter 17A. The rules shall include provisions as necessary to ensure the safety and soundness of these loans, and to ensure full and fair disclosure to borrowers of the effects of provisions in agreements for these loans, including provisions permitting change or adjustment of any terms of a loan, provisions permitting, requiring, or prohibiting repayment of a loan on a basis other than of equal periodic installments of interest plus principal over a fixed term, provisions imposing penalties for the borrower's noncompliance with requirements of a loan agreement, or provisions allowing or requiring a borrower to choose from alternative courses of action at any time during the effectiveness of a loan agreement.

2. *Protective payments escrow accounts.* A bank may include in the loan documents signed by the borrower a provision requiring the borrower to pay the bank each month in addition to interest and principal under the note an amount equal to one-twelfth of the estimated annual real estate taxes, special assessments, hazard insurance premium, mortgage insurance premium, or any other payment agreed to by the borrower and the bank in order to better secure the loan. The bank shall be deemed to be acting in a fiduciary capacity with respect to these funds. A bank receiving funds in escrow pursuant to an escrow agreement executed on or after July 1, 1982 in connection with a loan as defined in section 535.8, subsection 1, shall pay interest to the borrower on those funds, calculated on a daily basis, at the rate the bank pays to depositors of funds in ordinary savings accounts. 3. *Escrow reports.* A state bank may act as an escrow agent with respect to real property, and may receive funds and make disbursements from escrowed funds in that capacity. The state bank shall be deemed to be acting in a fiduciary capacity with respect to these funds. A bank which maintains such an escrow account, whether or not the mortgage has been assigned to a third person, shall deliver to the mortgagor a written summary of all transactions made with respect to the loan and escrow accounts during each calendar year. However, the mortgagor and mortgagee may, by mutual agreement, select a fiscal year reporting period other than the calendar year. The summary shall be delivered or mailed not later than thirty days following the year to which disclosure relates. The summary shall contain all of the following information:

b. The name and address of the mortgagor.

c. A summary of escrow account activity during the year as follows:

(1) The balance of the escrow account at the beginning of the year.

(a) Payments against loan principal.

(b) Payments against interest.

(c) Payments against real estate taxes.

(2) The aggregate amount of payments against principal during the year.

(3) The amount of principal outstanding at the end of the year.

4. *Marketability reports.* If the bank obtains a report or opinion by an attorney or from another mortgage lender relating to defects in or liens or encumbrances on the title of real property, the unmarketability of the title to real property, or the invalidity or unenforceability of liens or encumbrances upon real property, the bank shall provide a copy of the report or opinion to the mortgagor and the mortgagor's attorney.

In determining whether the superintendent shall authorize a state bank to act in a fiduciary capacity, the superintendent may consider any of the relevant criteria referred to in section 524.305, and other appropriate facts and circumstances. In any fiduciary capacity in which a state bank may act pursuant to this section, it shall have all the rights and duties which an individual has in such capacity under applicable law and under the terms

upon which the state bank is designated to act in such capacity. In authorizing a state bank to act in a fiduciary capacity, the superintendent may limit such authorization to such capacities as the superintendent deems appropriate.

The following rules shall be applicable to a state bank acting in the capacity of fiduciary:

1. A state bank shall segregate from its assets all property held as fiduciary, other than items in the course of collection, and shall keep separate records of all such property for each account for which such property is held.
2. Funds of a fiduciary account may be deposited in the state bank which is acting as fiduciary, either as demand deposits, savings deposits or time deposits having a single or multiple maturity.
3. A state bank may provide any oath or affidavit required of the state bank as fiduciary through an officer acting on behalf of the state bank.
4. A state bank shall not make a loan or extension of credit of any funds held as fiduciary, directly or indirectly, to or for the benefit of a director, officer or employee of the state bank or of an affiliate, a partnership or other unincorporated association of which such director, officer or employee is a partner or member, or a corporation in which such officer, director or employee has a controlling interest, except a loan specifically authorized by the terms upon which the state bank was designated as fiduciary.
5. Unless otherwise authorized by the instrument creating the relationship, court order, or the laws of this state, a state bank, as fiduciary, shall not, directly or indirectly, sell any asset to the state bank for its own account, or to an officer, director, or employee, nor purchase from the state bank, or an officer, director, or employee, any asset or any security issued by the state bank except, in the case of a state bank, any of the following:
 - a. Investments in which a state bank may invest without limitation pursuant to section 524.901, subsection 3.

524.1003 Removal of fiduciary powers.

If the superintendent at any time concludes that a state bank authorized to act in a fiduciary capacity is managing its accounts in an unsafe or unsound manner, or in a manner in conflict with the provisions of this chapter, and such state bank refuses to correct such practices upon notice to do so, the superintendent may forthwith direct that the state bank cease to act as a fiduciary and proceed to resign its fiduciary positions.

In such event the superintendent shall cause to be filed a petition in the district court in which the state bank has its principal place of business setting forth in general terms that the state bank is acting as fiduciary with respect to certain property and that it is necessary and desirable that successor fiduciaries be appointed. Upon the filing of the petition the court shall enter an order requiring all persons interested in all such fiduciary accounts to designate and take all necessary measures to appoint a successor fiduciary within a time to be fixed by the order, or to show cause why a successor fiduciary should not be appointed by the court. The court shall also direct the state bank to mail a copy of the order to each living settlor and each person known by the state bank to have a beneficial interest in the fiduciary accounts with respect to which the state bank is fiduciary and with respect to which it is being asked to resign its position. Such notice shall be mailed to the last known address of each such settlor and person having a beneficial interest as shown by the records of the state bank. The court may also order publication of such order to the extent that it deems necessary to protect the interests of absent or remote beneficiaries.

In any fiduciary account where those interested therein fail to cause a successor fiduciary to be appointed prior to the time fixed in such order, the court shall appoint a successor fiduciary. A successor fiduciary appointed in accordance with the terms of this section shall succeed to all the rights, powers, titles, duties and responsibilities of the state bank, except that the successor fiduciary shall not exercise powers given in the instrument creating the powers that by its express terms are personal to the fiduciary therein designated and except claims or liabilities arising out of the management of the fiduciary account prior to the date of the transfer.

524.1004 Voluntary relinquishment of fiduciary capacity.

A state bank desiring to surrender its authorization to act in a fiduciary capacity, in order to relieve itself of the necessity of complying with the requirements attendant to such capacity, shall file with the superintendent a certified copy of a resolution signifying such intent. In such event the state bank shall cause to be filed a petition in the district court in which the state bank has its principal place of business setting forth in general terms that the state bank is acting as fiduciary with respect to certain property and that it desires to cease its fiduciary function and resign its fiduciary positions. Upon the filing of the petition the relinquishment of fiduciary capacity and the appointment of a successor fiduciary or fiduciaries shall be handled in the same manner and with the same effect as provided for in section 524.1003, dealing with the removal of fiduciary powers.

After compliance with this section the state bank shall proceed to amend its articles of incorporation, in accordance with the provisions of this chapter, in a manner to indicate that it is no longer authorized to act in a fiduciary capacity. The superintendent shall approve the proposed amendment, in the manner provided for in this chapter, if the superintendent is satisfied that the state bank has properly relieved itself of its fiduciary responsibilities.

524.1005 Trust companies operating on January 1, 1970.

1. A trust company existing and operating on January 1, 1970 and which was authorized to act only as a trust company may continue to act only in a fiduciary capacity according to the terms of its articles of incorporation. The articles of incorporation of the trust company may be renewed in perpetuity. When applicable, this chapter applies to the operations of the trust company. Section 524.107, subsection 2, regarding the use of the word "trust" does not apply to a trust company subject to this section.

2. Notwithstanding subsection 1, a trust company shall have the power to do all of the following:

- a.* Acquire and hold, or lease as lessee, such personal property as is used, or is to be used, in its operations.
- b.* Subject to the prior approval of the superintendent, acquire and hold, or lease as lessee, only such real property as is used, or is to be used, wholly or substantially, in its operations or acquired for future use.
- c.* Subject to the prior approval of the superintendent, acquire and hold shares of a corporation engaged solely in holding and operating real property used wholly or substantially by the trust company in its operation or acquired for its future use.
- d.* Subject to the prior approval of the superintendent, acquire and hold shares of a corporation organized to perform, or performing, functions or activities that may be performed by a trust company, including activities of a fiduciary, agency, or custodial nature, in the manner authorized by federal or state law, as long as the corporation is not a bank and does not make loans and investments or accept deposits other than the following permitted deposits:
- (1) Deposits that are generated from trust funds not currently invested and that are properly secured to the extent required by law.
 - (2) Deposits representing funds received for a special use in the capacity of managing agent or custodian for an owner of, or investor in, real property, securities, or other personal property; or for such owner or investor as agent or custodian of funds held for investment or as escrow agent; or for an issuer of, or broker or dealer in securities, in a capacity such as a paying agent, dividend disbursing agent, or securities clearing agent. However, such deposits shall not be employed by or for the account of the customer in the manner of a general purpose checking account or interest-bearing account.
 - (3) Making call loans to securities dealers or purchasing money market instruments such as certificates of deposit, commercial paper, government or municipal securities, and bankers acceptances. Such authorized loans and investments, however, shall not be used as a method of channeling funds to nontrust company affiliates of the trust company.
- e.* Subject to the prior approval of the superintendent, acquire and hold shares of a corporation organized to perform, or performing, the collection of charges and premiums from, or adjusting and settling claims on, residents of this state and any other state where authorized or qualified to conduct such activity, in connection with life or health insurance coverage or annuities.

A bank, either acting as a fiduciary or holding securities as a managing agent or custodian, including a custodian for a fiduciary, may deposit securities in a federally regulated clearing corporation as provided in section 633.89, and in addition may deposit securities, the principal and interest of which the United States or any United States department, agency, or instrumentality either has agreed to pay or has guaranteed, in a federal reserve bank.

The records of a depositing bank at all times must identify the persons on whose behalf securities have been deposited in a federal reserve bank. An interest in deposited securities may be transferred by entry on the books of the federal reserve bank without physical delivery of the securities. A depositing bank is subject to rules adopted by the superintendent of banking, with respect to state banks, and by the comptroller of the

currency, with respect to national banking associations. On demand by the owner, a bank acting as a managing agent or as a custodian shall identify in writing the securities deposited in a federal reserve bank for the account of the owner. On demand by any party to the accounting of a bank acting as a fiduciary, the bank shall identify in writing the securities deposited in a federal reserve bank for its account as fiduciary.

This section applies regardless of the date of the agreement, instrument, or court order under which the bank was appointed.

524.1007 Succession of fiduciary accounts to an affiliate.

1. A state bank authorized to act in a fiduciary capacity may enter into an agreement for the succession of fiduciary accounts with any of its affiliates which are authorized to act in a fiduciary capacity. In the agreement the succeeding affiliate may agree to succeed the relinquishing affiliate as a fiduciary to those fiduciary accounts which are designated in the agreement. The designation of accounts may be by general class or description and may include fiduciary accounts subject and not subject to court administration and fiduciary accounts to arise in the future under wills, trusts, court orders, or other documents under which the relinquishing affiliate is named as a fiduciary or is named to become a fiduciary upon the death of a testator or settlor or upon the happening of any other subsequent event. The agreement shall provide that the succeeding affiliate maintain one or more employees or agents at the office of the relinquishing affiliate in order to facilitate the continued servicing of the designated fiduciary accounts. The relinquishing affiliate shall mail a notice of the succession to all persons having an interest in a fiduciary account at the then last known address, and shall publish a notice of the succession to fiduciary accounts in a newspaper published in the county of the principal place of business of the relinquishing affiliate. After the publication, the succeeding affiliate shall, without further notice, approval or authorization, succeed to the relinquishing affiliate as to the fiduciary accounts and the fiduciary powers, rights, privileges, duties, and liabilities for the fiduciary accounts. On the effective date of the succession to fiduciary accounts, the relinquishing affiliate is released from the fiduciary duties under the fiduciary accounts and shall discontinue its exercise of trust powers to the fiduciary accounts. This subsection does not absolve a bank or affiliate from liabilities arising out of a breach of fiduciary duty occurring prior to the effective date of the succession to fiduciary accounts.

2. Within sixty days after the mailing and publication of the notice, a person with an interest in a fiduciary account included within the notice and agreement required by subsection 1 may apply to the district court in the county in which the notice is published for the appointment of a new fiduciary on the ground that the succeeding fiduciary will adversely affect the administration of the fiduciary account. After notice to all interested parties and a hearing on the issues, the court may appoint a new fiduciary to replace the succeeding fiduciary if it finds that the substitution of the succeeding fiduciary will adversely affect the administration of the account and that the appointment of a new fiduciary would be in the best interests of the beneficiaries of the fiduciary account. This subsection is in addition to section 633.65 governing the removal of a fiduciary.

3. For purposes of subsection 1, "*affiliate*" means a trust company subsidiary authorized by the superintendent pursuant to section 524.802, subsection 12, paragraph "b", and located in this state, a state bank located in this state, or a national bank located in this state and organized under 12 U.S.C. § 21, that are under the common ownership of a bank holding company as defined in section 524.1801.

4. The privilege extended to a state bank by this section is also extended on the same terms and conditions to a national bank located in this state and organized under 12 U.S.C. § 21 et seq. to engage generally in the banking business.

84 Acts, ch 1167, § 1; 96 Acts, ch 1056, § 11

524.1008 Succession of fiduciary accounts to an independent bank.

1. A state bank authorized to act in a fiduciary capacity may enter into an agreement for the succession of fiduciary accounts with a trust company subsidiary authorized by the superintendent pursuant to section 524.802, subsection 12, paragraph "b", or one or more other state or national banks that are located in this state and authorized to act in a fiduciary capacity. In the agreement, the succeeding bank or trust company subsidiary may agree to succeed the relinquishing bank as a fiduciary with respect to those fiduciary accounts which are designated in the agreement. The designation of accounts may be by general class or description and may include fiduciary accounts subject and not subject to court administration and fiduciary accounts to arise in the future under wills, trusts, court orders, or other documents under which the relinquishing bank is named as a fiduciary or is named to become a fiduciary upon the death of a testator or settlor or upon the happening of any other subsequent event. The agreement shall provide either (a) that the succeeding bank or trust company subsidiary maintain one or more employees or agents at the office of the relinquishing bank in order to facilitate the continued servicing of the designated fiduciary accounts, or (b) that the relinquishing bank act as an agent of the succeeding bank or trust company subsidiary with respect to the fiduciary accounts that are subject to the agreement, and the relinquishing bank as an agent may perform services other than fiduciary services with respect to those accounts. If the relinquishing bank is an agent under alternative (b) above, then the relinquishing bank shall disclose to its customers that it is acting as an agent of the succeeding bank or trust company subsidiary. The relinquishing bank shall mail a notice of the succession to all persons having an interest in a fiduciary account at their last known address, and shall publish a notice of the succession to fiduciary accounts in a newspaper published in the county of the principal place of business of the relinquishing bank. After the publication, the succeeding bank or trust company subsidiary shall, without further notice, approval or authorization succeed the relinquishing bank as to the fiduciary accounts and the fiduciary powers, rights, privileges, duties, and liabilities for the fiduciary accounts. On the effective date of the succession to fiduciary accounts, the relinquishing bank is released from fiduciary duties under the fiduciary accounts and shall discontinue its exercise of trust powers to the fiduciary accounts. This subsection does not absolve a relinquishing bank from liabilities arising out of a breach of fiduciary duty occurring prior to the succession of fiduciary accounts.

2. Within sixty days after the mailing and publication of the notice, a person with an interest in a fiduciary account included within the notice and agreement required by subsection 1 may apply to the district court in the county in which the notice is published for the appointment of a new fiduciary on the ground that the succeeding fiduciary will adversely affect the administration of the fiduciary account. After notice to all interested parties and a hearing on the issues, the court may appoint a new fiduciary to replace the succeeding fiduciary if it finds that the substitution of the succeeding fiduciary will adversely affect the administration of the account and that the appointment of a new fiduciary would be in the best interests of the beneficiaries of the fiduciary account. This subsection is in addition to section 633.65 governing the removal of a fiduciary.

3. A bank shall not agree to relinquish fiduciary accounts to or act as an agent of more than one succeeding fiduciary at any one time.

4. The privilege of succeeding to fiduciary accounts that is extended to a state bank or trust company subsidiary by subsection 1 is also extended on the same terms and conditions to a national bank located in this state and organized under 12 U.S.C. § 21.

1. If a party to a plan of merger was authorized to act in a fiduciary capacity and if the resulting state or national bank is similarly authorized, the resulting state or national bank shall be automatically substituted by reason of the merger as fiduciary of all accounts held in that capacity by such party to the plan, without further action and without any order or decree of any court or public officer, and shall have all the rights and be subject to all the obligations of such party as fiduciary.

2. No designation, nomination, or appointment as fiduciary of a party to a plan of merger shall lapse by reason of the merger. The resulting state or national bank, if authorized to act in a fiduciary capacity, shall be entitled to act as fiduciary pursuant to each designation, nomination, or appointment to the same extent as the party to the plan so named could have acted in the absence of the merger.

3. Any person with an interest in an account held in a fiduciary capacity by a party to a plan of merger may, within sixty days after the effective date of the merger, apply to the district court in the county in which the resulting state or national bank has its principal place of business, for the appointment of a new fiduciary to replace the resulting state or national bank on the ground that the merger will adversely affect the administration of the fiduciary account. The court shall have the discretion to appoint a new fiduciary to replace the resulting state or national bank if it should find, upon hearing after notice to all interested parties, that the merger will adversely affect the administration of the fiduciary account and that the appointment of a new fiduciary will be in the best interests of the beneficiaries of the fiduciary account. This provision is in addition to any other provision of law governing the removal of fiduciaries and is subject to the terms upon which the party to the plan which held the fiduciary account was designated as fiduciary.

524.1302 Involuntary dissolution prior to commencement of business.

Prior to the issuance of an authorization to do business, the superintendent may cause the dissolution of a state bank if there exists any reason why it should not have been incorporated or organized under this chapter or if an authorization to do business has not been issued within one year after the date of its incorporation or organization, or such longer time as the superintendent may allow for satisfaction of conditions precedent to its issuance. After giving the state bank adequate notice and an opportunity for hearing, the superintendent shall certify the applicable facts by the filing of a statement with the secretary of state, who shall thereafter issue a certificate of dissolution. Upon the issuance of such certificate of dissolution by the secretary of state, the corporate or organizational existence of the state bank shall cease.

2004 Acts, ch 1141, §68

524.1303 Voluntary dissolution after commencement of business.

1. A state bank which has commenced business may propose to voluntarily dissolve upon the affirmative vote of the holders of at least a majority of the shares entitled to vote on the voluntary dissolution, adopting a plan of dissolution involving both a provision for acquisition of its assets and assumption of its liabilities by another state bank, national bank, or other financial institution insured by the federal deposit insurance corporation and a provision for continuance of its business if acquisition of its assets and assumption of its liabilities is not effected, or any other plan of dissolution providing for full payment of its liabilities.

2. Upon acceptance for processing of an application for approval of a plan of dissolution on forms prescribed by the superintendent, the superintendent shall conduct such investigation as the superintendent may deem necessary to determine whether the plan adequately protects the interests of depositors, other creditors and shareholders and, if the plan involves an acquisition of assets and assumption of liabilities by another state bank, whether such acquisition and assumption would be consistent with adequate and sound banking and in the public interest, on the basis of factors substantially similar to those set forth in section 524.1403, subsection 1, paragraph "d".

3. Within thirty days after the application for dissolution involving a provision of acquisition of the state bank's assets and assumption of its liabilities by another state bank is accepted for processing, the dissolving bank shall publish notice of the proposed transaction in a newspaper of general circulation published in the municipal corporation or unincorporated area in which the dissolving bank has its principal place of business, and in the municipal corporation or unincorporated area in which the acquiring state bank has its principal place of business, or if there is none, a newspaper of general circulation published in the county or counties, or in a county adjoining the county or counties, in which the dissolving bank and the acquiring bank have their principal place of business. The notice shall be on forms provided by the superintendent, and proof of publication of the notice shall be delivered to the superintendent within fourteen days.

4. Within thirty days after the date of the second publication of the notice, any interested person may submit to the superintendent written comments and data on the application. The superintendent may extend the thirty-day comment period if, in the superintendent's judgment, extenuating circumstances exist.

5. Within thirty days after the date of the second publication of the notice, any interested person may submit to the superintendent a written request for a hearing on the application. The request shall state the nature of the issues or facts to be presented and the reasons why written submissions would be insufficient to make an adequate presentation to the superintendent. If the reasons are related to factual disputes, the disputes shall be described. Comments challenging the legality of an application shall be submitted separately in writing and shall not be considered at a hearing conducted pursuant to this section. Written requests for hearings shall be evaluated by the superintendent, who may grant or deny such requests in whole or in part. A hearing request shall generally be granted only if it is determined that written submissions would be inadequate or that a hearing would otherwise be beneficial to the decision-making process. A hearing may be limited to issues considered material by the superintendent.

6. If a request for a hearing has been made and denied, the superintendent shall notify the applicant and all interested persons and shall state the reasons for the denial. Interested persons may submit to the superintendent, with simultaneous copies to the applicant, additional written comments or information on the application within fourteen days after the date of the notice of denial. The applicant shall be provided an additional seven days, after the fourteen-day deadline has expired, within which to respond to any comments submitted within the fourteen-day period. The superintendent may waive this seven-day period upon request by the applicant. A copy of any response submitted by the applicant shall also be mailed simultaneously by the applicant to the interested persons.

As a condition of receiving the decision of the superintendent with respect to the application, the applying state bank shall reimburse the superintendent for all expenses incurred by the superintendent in connection with the application. The superintendent shall give to the applying state bank written notice of the superintendent's decision. The decision of the superintendent shall be subject to judicial review pursuant to chapter 17A.

2. Upon approval of the plan of voluntary dissolution by the superintendent, the superintendent shall file with the secretary of state articles of dissolution prepared by the applicant in conformance with section 524.1304A. Upon filing of the articles of dissolution with the secretary of state, the state bank shall cease to accept deposits or carry on its business, except insofar as may be necessary for the proper winding up of the business of the state bank in accordance with the approved plan of dissolution.

3. If applicable state or federal laws require approval by an appropriate state or federal agency, the superintendent may withhold delivery of the approved articles of dissolution until the superintendent receives notice of the decision of such agency. If the final approval of the agency is not given within six months of the superintendent's approval, then the superintendent shall notify the applying state bank that the approval of the superintendent has been rescinded for that reason.

The dissolution of a state bank, or the expiration of its period of duration, shall not take away or impair any remedy available to or against such state bank, its directors, officers, or shareholders, for any right or claim existing, or any liability incurred prior to such dissolution or expiration, if action or other proceeding thereon is commenced within two years after the date of such dissolution or expiration. Any such action or proceeding by or against the state bank may be prosecuted or defended by the state bank in its corporate name. The requirements for a merger which must be satisfied by the parties to the merger are as follows:

1. The parties shall adopt a plan stating all of the following:

a. The names of the parties proposing to merge and the name of the bank into which they propose to merge, which is the "*resulting bank*".

b. The terms and conditions of the proposed merger.

c. The manner and basis of converting the shares of each party into shares, obligations, or other securities of the resulting bank or of any other corporation, or, in whole or in part, into cash or other property.

d. The rights of the shareholders of each of the parties.

e. An agreement concerning the merger.

f. Such other provisions with respect to the proposed merger which are deemed necessary or desirable.

2. In the case of a state bank which is a party to the plan, if the proposed merger will result in a state bank subject to this chapter, adoption of the plan by such state bank requires the affirmative vote of at least a majority of the directors and approval by the shareholders, in the manner and according to the procedures prescribed in section 490.1104, at a meeting called in accordance with the terms of that section. In the case of a national bank, or if the proposed merger will result in a national bank, adoption of the plan by each party to the merger shall require the affirmative vote of at least such directors and shareholders whose affirmative vote on the plan is required under the laws of the United States. Subject to applicable requirements of the laws of the United States in a case in which a national bank is a party to a plan, any modification of a plan which has been adopted shall be made by any method provided in the plan, or in the absence of such provision, by the same vote as required for adoption.

3. If a proposed merger will result in a state bank, application for the required approval by the superintendent shall be made in the manner prescribed by the superintendent. There shall also be delivered to the superintendent, when available, the following:

a. Articles of merger.

b. Applicable fees payable to the secretary of state, as specified in section 490.122, for the filing and recording of the articles of merger.

c. If there is any modification of the plan at any time prior to the approval by the superintendent under section 524.1403, an amendment of the application and, if necessary, of the articles of merger, signed in the same manner as the originals, setting forth the modification of the plan, the method by which the modification was adopted and any related change in the provisions of the articles of merger.

d. Proof of publication of the notice required by subsection 4.

4. If a proposed merger will result in a state bank, within thirty days after the application for merger is accepted for processing, the parties to the plan shall publish a notice of the proposed transaction in a newspaper of general circulation published in the municipal corporation or unincorporated area in which each party to the plan has its principal place of business, or if there is none, in a newspaper of general circulation published in the county, or in a county adjoining the county, in which each party to the plan has its principal place of business. The notice shall be on forms prescribed by the superintendent and shall set forth the names of the parties to the plan and the resulting state bank, the location and post office address of the principal place of business of the resulting state bank and of each office to be maintained by the resulting state bank, and the purpose or purposes of the resulting state bank. 5. Within thirty days after the date of the second publication of the notice required under subsection 4, any interested person may submit to the superintendent written comments and data on the application. The superintendent may extend the thirty-day comment period if, in the superintendent's judgment, extenuating circumstances exist.

6. Within thirty days after the date of the second publication of the notice required under subsection 4, any interested person may submit to the superintendent a written request for a hearing on the application. The request shall state the nature of the issues or facts to be presented and the reasons why written submissions would be insufficient to make an adequate presentation to the superintendent. If the reasons are related to factual disputes, the disputes shall be described. Written requests for hearings shall be evaluated by the superintendent, who may grant or deny such requests in whole or in part. A hearing request shall generally be granted only if it is determined that written submissions would be inadequate or that a hearing would otherwise be beneficial to the decision-making process. A hearing may be limited to issues considered material by the superintendent.

7. If a request for a hearing is denied, the superintendent shall notify the applicant and all interested persons and shall state the reasons for the denial. Interested persons may submit to the superintendent, with simultaneous copies to the applicant, additional written comments or data on the application within fourteen days after the date of the notice of denial. The applicant shall be provided an additional seven days, after the fourteen-day deadline has expired, within which to respond to any comments submitted within the fourteen-day period. The superintendent may waive this seven-day period upon request by the applicant. A copy of any response submitted by the applicant shall also be mailed simultaneously by the applicant to the interested persons.

8. The articles of merger shall be signed by two duly authorized officers of each party to the plan and shall contain all of the following:

a. The names of the parties to the plan, and of the resulting state bank.

b. The location and the post office address of the principal place of business of each party to the plan, and of

each additional office maintained by the parties to the plan, and the location and post office address of the principal place of business of the resulting state bank, and of each additional office to be maintained by the resulting state bank.

e. Notify the superintendent of the date upon which the merger is to become effective.

[C54, 58, 62, 66, § 528B.4, 528B.5; C71, 73, 75, 77, 79, 81, § 524.1402]

524.1403 Approval of merger by superintendent.

1. Upon receipt of an application for approval of a merger and of the supporting items required by section 524.1402, subsection 3, the superintendent shall conduct such investigation as the superintendent deems necessary to ascertain the following:

a. The articles of merger and supporting items satisfy the requirements of this chapter.

b. The plan and any modification of the plan adequately protects the interests of depositors, other creditors and shareholders.

c. The requirements for a merger under all applicable laws have been satisfied and the resulting state bank would satisfy the requirements of this chapter with respect to it.

d. The merger would be consistent with adequate and sound banking and in the public interest on the basis of the financial history and condition of the parties to the plan, including the adequacy of the capital structure of the resulting state bank, the character of the management of the resulting state bank, the potential effect of the merger on competition, and the convenience and needs of the area primarily to be served by the resulting state bank.

2. Within one hundred eighty days after acceptance of the application for processing, or within an additional period of not more than sixty days after receipt of an amendment of the application, the superintendent shall approve or disapprove the application on the basis of the investigation. The plan shall not be modified at any time after approval of the application by the superintendent.

If the superintendent finds that the superintendent must act immediately on the pending application in order to protect the interests of depositors or the assets of any party to the plan, the superintendent may proceed without requiring publication of the notice required under section 524.1402, subsection 4. As a condition of receiving the decision of the superintendent with respect to the pending application, the parties to the plan shall reimburse the superintendent for all the expenses incurred in connection with the application. The superintendent shall give to the parties to the plan written notice of the decision and, in the event of disapproval, a statement of the reasons for the decision. The decision of the superintendent shall be subject to judicial review pursuant to chapter 17A.

524.1404 Procedure after approval by the superintendent issuance of certificate of merger.

If applicable state or federal laws require the approval of the merger by a federal or state agency, the superintendent may withhold delivery of the approved articles of merger until the superintendent receives notice of the decision of such agency. If the final approval of the agency is not given within six months of the superintendent's approval, the superintendent shall notify the parties to the plan that the approval of the superintendent has been rescinded for that reason. If such agency gives its approval, the superintendent shall deliver the articles of merger, with the superintendent's approval indicated on the articles, to the secretary of state, and shall notify the parties to the plan. The receipt of the approved articles of merger by the secretary of state constitutes filing of the articles of merger with that office. The secretary of state shall record the articles of merger, and the articles shall be filed and recorded in the office of the county recorder in each county in which the parties to the plan had previously maintained a principal place of business. On the date upon which the merger is effective the secretary of state shall issue a certificate of merger and send the same to the resulting state bank and a copy of the certificate of merger to the superintendent.

524.1405 Effect of merger.

1. The merger is effective upon the filing of the articles of merger with the secretary of state, or at any later date and time as specified in the articles of merger. The certificate of merger is conclusive evidence of the performance of all conditions precedent to the merger, and of the existence or creation of the resulting state bank, except as against the state.

2. When a merger takes effect all of the following apply:

a. Every other financial institution to the merger merges into the surviving financial institution and the separate existence of every party except the surviving financial institution ceases.

b. The title to all real estate and other property owned by each party to the merger is vested in the surviving party without reversion or impairment.

c. The surviving party has all liabilities of each party to the merger.

d. A proceeding pending against any party to the merger may be continued as if the merger did not occur or the surviving party may be substituted in the proceeding for the party whose existence ceased.

e. The articles of incorporation of the surviving party are amended to the extent provided in the articles of merger.

f. The shares of each party to the merger that are to be converted into shares, obligations, or other securities of the surviving party or any other corporation or limited liability company or into cash or other property are converted, and the former holders of the shares are entitled only to the rights provided in the articles of merger or to their rights under section 524.1406.

[C54, 58, 62, 66, § 528B.6, 528B.8; C71, 73, 75, 77, 79, 81, § 524.1405]

524.1406 Appraisal rights of shareholders.

1. A shareholder of a state bank, which is a party to a proposed merger plan which will result in a state bank subject to this chapter, who objects to the plan is entitled to appraisal rights as provided in chapter 490, division XIII.

2. If a shareholder of a national bank which is a party to a proposed merger plan which will result in a state bank, or a shareholder of a state bank which is a party to a plan which will result in a national bank, objects to the plan and complies with the requirements of the applicable laws of the United States, the resulting state bank or national bank, as the case may be, is liable for the value of the shareholder's shares as determined in accordance with such laws of the United States.

3. *a.* Notwithstanding any contrary provision in chapter 490, division XIII, in determining the fair value of the shareholder's shares of a bank organized under this chapter or a bank holding company as defined in section 524.1801 in a transaction or event in which the shareholder is entitled to appraisal rights, due consideration shall be given to valuation factors recognized for federal and estate tax purposes, including discounts for minority interests and discounts for lack of marketability. However, any payment made to shareholders under section 490.1324 shall be in an amount not less than the stockholders' equity in the bank disclosed in its last statement of condition filed under section 524.220 or the total equity capital of the bank holding company disclosed in the most recent report filed by the bank holding company with the board of governors of the federal reserve system, divided by the number of shares outstanding.

b. Prior to giving notice of a meeting at which a shareholder of a bank organized under this chapter or a bank holding company as defined in section 524.1801 would be entitled to appraisal rights, such bank or bank holding company may seek a declaratory judgment to establish the fair value for purposes of section 490.1301, subsection 4, of shares held by such shareholders. Another cause of action or a counterclaim shall not be joined with such a declaratory action. A declaratory judgment shall be filed in the county where the principal place of business of the bank or bank holding company is located. The court shall appoint an attorney to represent minority shareholders. All shareholders of the bank or bank holding company shall be served with notice of the action and be advised of the name, address, and telephone number of the attorney appointed to represent minority shareholders. The attorney appointed to represent minority shareholders shall select an appraiser to give an opinion of the fair value of such shares. The bank or bank holding company may select an appraiser to give an opinion on the fair value of the shares of the bank or bank holding company. Any shareholder may participate individually and present evidence of the fair value of such shareholder's shares. All court costs, appraiser's fees, and the fees and expenses of the attorney appointed to represent the minority shareholders shall be assessed against the bank or the bank holding company. A judgment in the action shall not determine fair value for a share to be less than the stockholders' equity in the bank disclosed in its last statement of condition filed under section 524.220 or the total equity capital of the

bank holding company disclosed in the most recent report filed by the bank holding company with the board of governors of the federal reserve system, divided by the number of shares outstanding. A final judgment in the action shall establish fair value for the purposes of chapter 490, division XIII and shall be disclosed to the shareholders in the notice to shareholders of the meeting to approve the transaction that gives rise to appraisal rights. If the proposed transaction is approved by the shareholders, upon consummation of the proposed transaction the fair value so established shall be paid to each shareholder entitled to payment for the shareholder's shares upon receipt of such shareholder's share certificates.

The board of directors of the state bank shall approve a plan of merger, mail to shareholders of record of the subsidiary corporation or holders of membership interests in the subsidiary limited company, and prepare and execute articles of merger in the manner provided for in section 490.1105. The articles of merger, together with the applicable filing and recording fees, shall be delivered to the superintendent who shall, if the superintendent approves of the proposed merger and if the superintendent finds the articles of merger satisfy the requirements of this section, deliver them to the secretary of state for filing and recording in the secretary of state's office, and they shall be filed in the office of the county recorder. A state bank may at any time restate its articles of incorporation, which may be amended by the restatement, so long as its articles of incorporation as restated contain only such provisions as might be lawfully contained in original articles of incorporation at the time of making the restatement. Restated articles of incorporation shall be adopted in the following manner:

1. The board of directors shall adopt a resolution setting forth the proposed restated articles of incorporation, which may include an amendment or amendments to the articles of incorporation of the state bank to be made thereby, and directing that the restated articles, including such amendment or amendments, be submitted to a vote at a meeting of shareholders, which may be either an annual meeting or a special meeting.

2. Written or printed notice setting forth the proposed restated articles or a summary of the provisions of the proposed restated articles shall be given to each shareholder of record entitled to vote on the proposed restated articles within the time and in the manner provided in section 524.533. 3. At the meeting a vote of the shareholders entitled to vote on the proposed restated articles shall be taken on the proposed restated articles. The proposed restated articles shall be adopted upon receiving the affirmative vote of the holders of a majority of the shares entitled to vote, unless such restated articles include an amendment to the articles of incorporation which, if contained in a proposed amendment to articles of incorporation to be made without restatement of the articles of incorporation, would entitle a class of shares to vote as a class on the proposed restated articles, in which event the proposed restated articles shall be

adopted upon receiving the affirmative vote of the holders of a majority of the shares of each class of shares entitled to vote on the proposed restated articles as a class, and of the total shares entitled to vote on the proposed restated articles.

Upon approval, restated articles of incorporation shall be executed by the state bank by its president or vice president and by its cashier or an assistant cashier, and verified by one of the officers signing the restated articles, and shall set forth, as then stated in the articles of incorporation of the state bank and, if the restated articles of incorporation included an amendment or amendments to the articles of incorporation, as so amended, the material and contents described in section 524.302.

The restated articles of incorporation shall set forth also a statement that they correctly set forth the provisions of the articles of incorporation as amended, that they have been duly adopted as required by law and that they supersede the original articles of incorporation and all amendments to the original articles of incorporation.

The restated articles of incorporation shall be delivered to the superintendent together with the applicable fees for the filing and recording of the restated articles of incorporation. The superintendent shall conduct such investigation and give approval or disapproval, as provided in section 524.1505. If the superintendent approves the restated articles of incorporation, the superintendent shall deliver them with the written approval on the restated articles of incorporation to the secretary of state for filing, and the restated articles of incorporation shall be filed in the office of the county recorder.
