

53.41 Records by commissioner excess requests or ballots.

The commissioner of each county shall establish and maintain a record of all requests for ballots which are made, and of all ballots transmitted, and the manner of transmittal, from and received in the commissioner's office under the provisions of this division. If more than one request for absent voter's ballot for a particular election is made to the commissioner by or on behalf of a voter in the armed forces of the United States, the request first received shall be honored, except that if one of the requests is made by the voter, and a request on the voter's behalf has not been previously honored, the request of the voter shall be honored in preference to a request made on the voter's behalf by another. Not more than one ballot shall be transmitted by the commissioner to any voter for a particular election. If the commissioner receives more than one absent voter's ballot, provided for by this division, from or purporting to be from any one voter for a particular election, all of the ballots so received from or purporting to be from such voter are void, and the commissioner shall not deliver any of the ballots to the precinct election officials, but shall retain them in the commissioner's office, and preserve them for the period and under the conditions provided for in sections 50.12 through 50.15 and section 50.19.
