

533.67 Expenses of the credit union division fees.

1. All expenses required in the discharge of the duties and responsibilities imposed upon the credit union division, the superintendent, and the credit union review board by the laws of this state shall be paid from fees provided by the laws of this state and appropriated by the general assembly from the general fund of the state. All of these fees are payable to the superintendent. The superintendent shall pay all the fees and other moneys received by the superintendent to the treasurer of state within the time required by section 12.10 and the fees and other moneys shall be deposited into the general fund of the state. The superintendent may keep on hand with the treasurer of state funds in excess of the current needs of the division to the extent approved by the credit union review board.
2. The superintendent shall account for receipts and disbursements according to the separate duties imposed upon the superintendent by the laws of this state and each separate duty shall be fiscally self-sustaining.
3. The credit union division may expend additional funds, including funds for additional personnel, if those additional expenditures are actual expenses which exceed the funds budgeted for credit union examinations and directly result from examinations of credit unions. The amounts necessary to fund the excess examination expenses shall be collected from credit unions being regulated, and the collections shall be treated as repayment receipts as defined in section 8.2. The division shall notify in writing the legislative services agency and the department of management when hiring additional personnel. The written notification shall include documentation that any additional expenditure related to such hiring will be totally reimbursed to the general fund, and shall also include the division's justification for hiring such personnel. The division must obtain the approval of the department of management only if the number of additional personnel to be hired exceeds the number of full-time equivalent positions authorized by the general assembly.
4. All fees and other moneys collected shall be deposited into the general fund of the state and expenses required to be paid under this section shall be paid from funds appropriated for those purposes. Moneys deposited into the general fund of the state pursuant to this section shall be subject to the requirements of section 8.60.
5. The division may accept reimbursement of expenses related to the examination of a credit union from the national credit union administration or any other share guarantor or insurance plan authorized by this chapter. These reimbursements shall be deposited into the general fund of the state.
