### **558.44 Mandatory recordation of conveyances and leases of agricultural land.**

Every conveyance or lease of agricultural land, except leases not to exceed five years in duration with renewals, conveyances or leases made by operation of law, and distributions made from estates to heirs or devisees shall be recorded by the grantee or lessee with the county recorder not later than one hundred eighty days after the date of conveyance or lease.

For an instrument of conveyance of agricultural land deposited with an escrow agent, the fact of deposit of that instrument of conveyance with the escrow agent as well as the name and address of the grantor and grantee shall be recorded, by a document executed by the escrow agent, with the county recorder not later than one hundred eighty days from the date of the deposit with the escrow agent. For an instrument of conveyance of agricultural land delivered by an escrow agent, that instrument shall be recorded with the county recorder not later than one hundred eighty days from the date of delivery of the instrument of conveyance by the escrow agent.

At the time of recordation of the conveyance or lease of agricultural land, except a lease not exceeding five years in duration with renewals, conveyances or leases made by operation of law and distributions made from estates of decedents to heirs or devisees, to a nonresident alien as grantee or lessee, such conveyance or lease

shall disclose, in an affidavit to be recorded therewith as a precondition to recordation, the name, address, and citizenship of the nonresident alien. In addition, if the nonresident alien is a partnership, limited partnership, corporation or trust, the affidavit shall also disclose the names, addresses, and citizenship of the nonresident alien individuals who are the beneficial owners of such entities. However, any partnership, limited partnership, corporation, or trust which has a class of equity securities registered with the United States securities and exchange commission under section 12 of the Securities Exchange Act of 1934 as amended to January 1, 1978, need only state that fact on the affidavit.

Failure to record a conveyance or lease of agricultural land required to be recorded by this section by the grantee or lessee within the specified time limit is punishable by a fine not to exceed one hundred dollars per day for each day of violation. The county recorder shall record a conveyance or lease of agricultural land presented for recording even though not presented within one hundred eighty days after the date of conveyance or lease. The county recorder shall forward to the county attorney a copy of each such conveyance or lease of agricultural land recorded more than one hundred eighty days from the date of conveyance. The county attorney shall initiate action in the district court to enforce the provisions of this section. Failure to timely record shall not invalidate an otherwise valid conveyance or lease.

If a real estate contract or lease is required to be recorded under this section, the requirement is satisfied by recording either the entire real estate contract or lease or a memorandum of the contract or lease containing at least the names and addresses of all parties named in the contract or lease, a description of all real property and interests therein subject to the contract or lease, the length of the contract or initial term of the lease, and in the case of a lease a statement as to whether any of the named parties have or are subject to renewal rights, and if so, the event or condition upon which renewal occurs, the number of renewal terms and the length of each, and in the case of a real estate contract a statement as to whether the seller is entitled to the remedy of forfeiture and as to the dates upon which payments are due. This unnumbered paragraph is effective July 1, 1980 for all contracts and leases of agricultural land made on or after July 1, 1980.

The provisions of this section except as otherwise provided, are effective July 1, 1979, for all conveyances and leases of agricultural land made on or after July 1, 1979.

1. Every real estate installment sales contract transferring an interest in residential property shall be recorded by the contract seller with the county recorder in the county in which the real estate is situated not later than one hundred eighty days from the date the contract was signed by the contract seller and contract purchaser.

2. Failure to record a real estate contract required to be recorded by this section by the contract seller within the specified time limit is punishable by a fine not to exceed one hundred dollars per day for each day of violation. The county attorney shall initiate action in the district court to enforce the provisions of this section. Fines collected pursuant to this subsection shall be deposited in the general fund of the county.

3. Failure to timely record shall not invalidate an otherwise valid real estate contract. However, a contract seller is prohibited from initiating forfeiture proceedings on the basis of a failure to comply with the terms of a real estate contract, if the contract has not been recorded.

4. If a real estate contract is required to be recorded under this section, the requirement is satisfied by recording either the entire real estate contract or a memorandum of the contract containing at least the names and addresses of all parties named in the contract, a description of all real property and interests in the real property subject to the contract, the length of the contract, and a statement as to whether the seller is entitled to the remedy of forfeiture and as to the dates upon which payments are due.

5. For the purposes of this section, "*residential property*" includes commercial property consisting of three or more separate living quarters with at least seventy-five percent of the space used for residential purposes.

6. This section applies to residential real estate installment sales contracts entered into before, on, or after July 1, 1998. However, such contracts entered into before July 1, 1998, shall not be subject to the fine in subsection 2.

7. If a contract seller is subject to the requirements of section 558.70, the contract must be recorded within forty-five days rather than one hundred eighty days and the recording requirement is only satisfied by recording the real estate contract rather than a memorandum of the contract.

### **558.68 Perpetuities.**

1. A nonvested interest in property is not valid unless it must vest, if at all, within twenty-one years after one or more lives in being at the creation of the interest and any relevant period of gestation.
2. *a.* In determining whether a nonvested interest would violate the rule against perpetuities in subsection 1, the period of the rule shall be measured by actual events rather than by possible events, in any case in which that would validate the interest. For this purpose, if an examination of the facts in existence at the time the period of the rule begins to run reveals a life or lives in being within twenty-one years after whose deaths the nonvested interest will necessarily vest, if it ever vests, that life or lives are the measuring lives for purposes of the rule against perpetuities with respect to that nonvested interest and that nonvested interest is valid under the rule.
- b.* If no such life or lives can be ascertained at the time the period of the rule begins to run, the measuring

lives for purposes of the rule are all of the following:

- (1) The creator of the nonvested interest, if the period of the rule begins to run in the creator's lifetime.
- (2) Those persons alive when the period begins to run, if reasonable in number, who have been selected by the creator of the interest to measure the validity of the nonvested interest or, if none, those persons, if reasonable in number, who have a beneficial interest whether vested or nonvested in the property in which the nonvested interest exists, the grandparents of all such beneficiaries and the issue of such grandparents alive when the period of the rule begins to run, and those persons who are the potential appointees of a special power of appointment exercisable over the property in which the nonvested interests exist who are the grandparents or issue of the grandparents of the donee of the power and alive when the period of the rule begins to run.
- (3) Those other persons alive when the period of the rule begins to run, if reasonable in number, who are specifically mentioned in describing the beneficiaries of the property in which the nonvested interest exists.
- (4) The donee of a general or special power of appointment if the donee is alive when the period of the rule begins to run and if the exercise of that power could affect the nonvested interest.

3. A nonvested interest that would violate the rule against perpetuities whether its period is measured by actual or by possible events shall be judicially reformed to most closely approximate the intention of the creator of the interest in order that the nonvested interest will vest, even though it may not become possessory, within the period of the rule.

4. This section is applicable to all nonvested interests created on, before, or after July 1, 1983.

The statement shall also state that no known wells are situated on the property, or if known wells are situated on the property, the statement must state the approximate location of each known well and its status with respect to section 455B.190 or 460.302. The statement shall also state that no known disposal site for solid waste, as defined in section 455B.301, which has been deemed to be potentially hazardous by the department of natural resources, exists on the property, or if such a known disposal site does exist, the location of the site on the property. The statement shall be signed by at least one of the sellers or their agents. The county recorder shall refuse to record any deed, instrument, or writing for which a declaration of value is required under chapter 428A unless the statement required by this section has been submitted to the county recorder. The director of the department of natural resources shall prescribe the form of the statement and the separate form to be supplied by each county recorder in the state. 3. Within five days after a residential real estate installment sales contract has been executed by all parties to the contract, the contract seller shall mail a true and correct copy of the contract by regular first class mail to the last known address of each contract purchaser. b. If the contract has been terminated by any means prior to commencement of the action, the contract purchaser may recover a money judgment against the original contract seller for a sum equal to all amounts the contract purchaser paid to the contract seller, plus the reasonable value of any improvements to the real estate made by the contract purchaser, plus any other proximately caused or incidental damages, less the fair rental value of the real estate for the period of time the contract purchaser was in possession of the real estate. For the purposes of this paragraph, the fair rental value of the real estate shall be based on the fair rental value of the real estate as of the date the real estate installment sales contract was executed by all parties to the contract.

2. A contract purchaser alleging a violation of section 558.70 bears the burden of establishing such violation by a preponderance of the evidence.

3.
