

572.31 Co-operative and condominium housing.

A lien arising under this chapter as a result of the construction of an apartment house or apartment building which is owned on a co-operative basis under chapter 499A, or which is submitted to a horizontal property regime under chapter 499B, is not enforceable, notwithstanding any contrary provision of this chapter, as against the interests of an owner in an owner-occupied dwelling unit contained in the apartment house or apartment building acquired in good faith and for valuable consideration, unless a lien statement specifically describing the dwelling unit is filed under section 572.8 within the applicable time period specified in section 572.9, but determined from the date on which the last of the material was supplied or the last of the labor was performed in the construction of that dwelling unit.
