

715A.10 Illegal use of scanning device or reencoder.

1. A person commits a class "D" felony if the person does any of the following:

- a.* Uses a scanning device to access, read, obtain, memorize, or store, temporarily or permanently, information encoded on the magnetic strip or stripe of a payment card without the permission of the authorized user of the payment card, and with the intent to defraud the authorized user, the issuer of the authorized user's payment card, or a merchant.
- b.* Uses a reencoder to place information encoded on the magnetic strip or stripe of a payment card onto the magnetic strip or stripe of a different card without the permission of the authorized user of the card from which the information is being reencoded, and with the intent to defraud the authorized user, the issuer of the authorized user's payment card, or a merchant.

2. A second or subsequent violation of this section is a class "C" felony.

3. As used in this section:

- a.* "*Merchant*" means an owner or operator of a retail mercantile establishment or an agent, employee, lessee, consignee, officer, director, franchisee, or independent contractor of such owner or operator. A "*merchant*" also means a person who receives from an authorized user of a payment card, or someone the person believes to be an authorized user, a payment card or information from a payment card, or what the person believes to be a payment card or information from a payment card, as the instrument for obtaining, purchasing, or receiving goods, services, money, or anything else of value from the person.
- b.* "*Payment card*" means a credit card, charge card, debit card, or any other card that is issued to an authorized card user and that allows the user to obtain, purchase, or receive goods, services, money, or anything else of value from a merchant.
- c.* "*Reencoder*" means an electronic device that places encoded information from the magnetic strip or stripe of a payment card onto the magnetic strip or stripe of a different payment card.
- d.* "*Scanning device*" means a scanner, reader, or any other electronic device that is used to access, read, scan, obtain, memorize, or store, temporarily or permanently, information encoded on the magnetic strip or stripe of a payment card.
