

80.33 Access to drug records by agents.

Every person required by law to keep records, and any carrier maintaining records with respect to any shipment containing any controlled or counterfeit substances shall, upon request of an authorized agent of the department of public safety, designated by the commissioner of public safety, permit such agent at reasonable times to have access to and copy such records. For the purpose of examining and verifying such records authorized agents of the department of public safety, designated by the commissioner of public safety, may enter at reasonable times any place or vehicle in which any controlled or counterfeit substance is held, manufactured, dispensed, compounded, processed, sold, delivered, or otherwise disposed of and inspect such place or vehicle, and the contents thereof. For the purpose of enforcing laws relating to controlled or counterfeit substances, and upon good cause shown, personnel of the division of drug law enforcement in the department of public safety shall be allowed to inspect audits and records in the possession of the state board of pharmacy examiners.
