

89.8 Boiler and pressure vessel safety fund fees appropriated.

1. A boiler and pressure vessel safety revolving fund is created within the state treasury under the control of the commissioner and shall consist of moneys collected by the commissioner as fees. Moneys in the fund are appropriated and shall be used by the commissioner to pay the actual costs and expenses necessary to operate the board and administer the provisions of this chapter. All salaries and expenses properly chargeable to the fund shall be paid from the fund. Section 8.33 does not apply to any moneys in the fund. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys deposited in the fund shall be credited to the fund.

2. This section is repealed effective July 1, 2012.
