1. The term "*employee*" includes elective and appointive officials of the state or any political subdivision thereof, except elective officials in positions, the compensation for which is on a fee basis, elective officials of school districts, elective officials of townships, and elective officials of other political subdivisions who are in part-time positions. However, a member of a county board of supervisors or a county attorney shall not be deemed to be an elective official in a part-time position, but every member of a county board of supervisors and every county attorney shall be deemed to be an employee under this chapter and is eligible to receive the benefits provided by this chapter to which the member may be entitled as an employee.
2. The term "*employer*" means the state of Iowa and all of its political subdivisions which employ persons eligible to coverage under an agreement entered into by this state and the federal security administrator under the provisions of the Social Security Act, Title II, of the Congress of the United States as amended.
3. The term "*employment*" means any service performed by an employee in the employ of the state, or any political subdivision thereof, for such employer, except (1) service which in the absence of an agreement entered into under this chapter would constitute "*employment*" as defined in the Social Security Act; or (2) service which under the Social Security Act may not be included in an agreement between the state and the federal security administrator entered into under this chapter.
4. The term "*Federal Insurance Contributions Act*" means subchapter "A" of chapter 9 of the federal Internal Revenue Code as such code has been and may from time to time be amended.
5. The term "*Federal Security Administrator*" means the administrator of the federal security agency (or the administrator's successor in function), and includes any individual to whom the federal security administrator has delegated any of the administrator's functions under the Social Security Act, Title II, with respect to coverage under such Act of employees of states and their political subdivisions.
6. The term "*political subdivision*" includes an instrumentality (a) of the state of Iowa, (b) of one or more of its political subdivisions or (c) of the state and one or more of its political subdivisions, but only if such instrumentality is a juristic entity which is legally separate and distinct from the state or subdivision and only if its employees are not by virtue of their relation to such juristic entity employees of the state or subdivisions.

9. The term "*wages*" means all remuneration for employment as defined herein, including the cash value of all remuneration paid in any medium other than cash, except that such term shall not include that part of such remuneration which, even if it were for "*employment*" within the meaning of the federal Insurance Contribution Act, would not constitute "*wages*" within the meaning of that Act.

97C.3 Federal-state agreement.

The state agency, with the approval of the governor and the attorney general, is hereby authorized to enter on behalf of the state into an agreement with the federal security administrator, consistent with the terms and provisions of this chapter, for the purpose of extending the benefits of the federal old-age and survivors' insurance system to employees of the state or any political subdivision thereof with respect to services specified in such agreement which constitute "*employment*" as defined in section 97C.2 of this chapter. Such agreement may contain such provisions relating to coverage, benefits, contributions, effective date, modification and termination of the agreement, administration, and other appropriate provisions as the state agency and federal security administrator shall agree upon, but, except as may be otherwise required by or under the Social Security Act, Title II, as to the services to be covered, such agreement shall provide in effect that:

1. Benefits will be provided for employees whose services are covered by the agreement (and their dependents and survivors) on the same basis as though such services constituted employment within the meaning of Title II of said Social Security Act.
2. The state will pay to the secretary of the treasury, at such time or times as may be prescribed under the Social Security Act, Title II, contributions with respect to wages (as defined in section 97C.2 of this chapter), equal to the sum of taxes which would be imposed by sections 1400 and 1410 of the federal Insurance Contributions Act, if the services covered by the agreement constituted employment within the meaning of that Act.
3. Such agreement shall be effective with respect to services in employment covered by the agreement performed after a date specified therein, but in no event may it be effective with respect to any such services performed prior to the first day of the calendar year in which such agreement is entered into or in which the modification of the agreement making it applicable to such services is entered into, provided that in the case of an agreement or modification made after the effective date of this chapter [May 3, 1953] and prior to January 1, 1954, such agreement or modification of the agreement shall be made effective with respect to any such services performed on or after January 1, 1951.
4. All services which constitute employment as defined in section 97C.2, and are performed in the employ of the state, or any political subdivision, by employees of the state, or of any political subdivision, shall be covered by the agreement.

97C.4 Other states joint agreements.

Any instrumentality jointly created by this state and any other state or states is hereby authorized, upon the granting of like authority by such other state or states, (1) to enter into an agreement with the federal security administrator whereby the benefits of the federal old-age and survivors' insurance system shall be extended to

employees of such instrumentality, (2) to require its employees to pay (and for that purpose to deduct from their wages) contributions equal to the amounts which they would be required to pay under section 97C.5 if they were covered by an agreement made pursuant to section 97C.3, and (3) to make payments to the secretary of the treasury in accordance with such agreement, including payments from its own funds, and otherwise to comply with such agreements. Such agreement shall, to the extent practicable, be consistent with the terms and provisions of section 97C.3 and other provisions of this chapter.

97C.5 Tax on employees.

Every employee whose services are covered by an agreement entered into under section 97C.3 shall be required to pay for the period of such coverage into the contribution fund established by section 97C.12, a tax which is hereby imposed with respect to wages received during the calendar year of 1953, equal to such percentum of the wages received by the employee as imposed by Social Security Act, Title II, as such Act has been and may from time to time be amended. Such payment shall be considered a condition of employment as a public employee. Taxes deducted from the wages of the employee by the employer and taxes imposed upon the employer shall be forwarded to the state agency for recording and shall be deposited with the treasurer of state to the credit of the contribution fund established by section 97C.12 of this chapter.

97C.6 Collection of tax.

The tax imposed by sections 97C.5 and 97C.14 shall be collected by each employer from the employee by deducting the amount of the tax from wages as and when paid, but failure to make such deduction shall not relieve the employee from liability for such taxes.

[C46, 50, § 97.7, 97.9, 97.45; C54, 58, 62, 66, 71, 73, 75, 77, 79, 81, § 97C.6]

The employer shall furnish to all employees a written statement in a form prescribed by the state agency suitable for retention by the employees, showing the wages paid to the employee after January 1, 1953. Each statement shall cover a calendar year, or one, two or three quarters, whether or not within the same calendar year, and shall show the name of the employee, the period covered by the statement, the total amount of wages paid within such period, and the amount of tax imposed by this chapter with respect to such wages. Each statement shall be furnished to the employee not later than thirty days following the period covered by the statement, except that, if the employee leaves the employ of the employer, this final statement shall be furnished within thirty days after the last payment of wages is made to the employee. The employer may, at its option, furnish such a statement to any employee at the time of each payment of wages to the employee during any calendar quarter, in lieu of a statement covering such quarter, and, in such case, the statement may show the date of payment of wages in lieu of the period covered by the statement.

[C46, 50, § 97.11; C54, 58, 62, 66, 71, 73, 75, 77, 79, 81, § 97C.8]

The employer shall pay its tax or contribution from funds available and is directed to pay same from tax money or from any other income available. The political subdivision is hereby authorized and directed to levy in addition to all other taxes a property tax sufficient to meet its obligations under the provisions of this chapter, if such tax levy is necessary because other funds are not available.

[C46, 50, § 97.12; C54, 58, 62, 66, 71, 73, 75, 77, 79, 81, § 97C.10]

The state agency shall collect the tax hereby imposed and the proceeds from such tax shall be used for the purpose of obtaining retroactive federal social security coverage for elective officials, for the period beginning January 1, 1951, in the same manner as is provided in the case of other public employees by the provisions in subsection 2 of section 97.51 in order to obtain retroactive federal social security coverage during this period of time, such contribution to be collected and guaranteed by the employer. The state agency will pay any such amount contributed to provide for retroactive federal social security coverage for the individual in question in the same manner as other payments are made for retroactive coverage of public employees. Provided that no member of a county board of supervisors shall be deemed to be an elective official in a part-time position, but every member of a county board of supervisors shall be deemed to be an employee within the purview of this chapter and shall be eligible to receive all of the benefits provided by this chapter to which the member may be entitled as an employee.
