

**138.14 Communicable diseases reported.**

The camp operator shall report immediately to the local board of health the name and address of any individual in the camp known to have or suspected of having a communicable disease. Whenever there shall occur in any camp, or portion thereof, a case of suspected food poisoning or an unusual prevalence of any illness in which fever, diarrhea, sore throat, vomiting, or jaundice is a prominent symptom, the camp operator shall report immediately the existence of the condition to the local board of health and the director.
