

148.9 Reinstatement.

Any person whose license has been suspended, revoked or placed on probation may apply to the board of medical examiners for reinstatement at any time and the board may hold hearings on any such petition and may order reinstatement and impose terms and conditions thereof and issue a certificate of reinstatement to the director of public health who shall thereupon issue a license as directed by the board.

[C58, 62, 66, 71, 73, 75, 77, 79, 81, § 148.9]
