

148A.4 Requirements to practice.

Each applicant for a license to practice physical therapy shall:

1. Complete a course of study in, and hold a diploma or certificate issued by, a school of physical therapy accredited by the American physical therapy association or another appropriate accrediting body, and meet requirements as established by rules of the board of physical and occupational therapy examiners.
2. Have passed an examination administered by the board of physical and occupational therapy examiners.
