

152.5 Education programs.

1. All programs preparing a person to be a registered nurse or a licensed practical nurse shall be approved by the board. The board shall not recognize a program unless it:

a. Is of recognized standing.

b. Has provisions for adequate physical and clinical facilities and other resources with which to conduct a sound education program.

c. Requires, for graduation of a registered nurse applicant, the completion of at least a two academic year course of study.

d. Requires, for graduation of a licensed practical nurse applicant, the completion of at least a one academic year course of study as prescribed by the board.

2. All advanced formal academic nursing education programs shall also be approved by the board.
