

161A.33 Assessments transmitted.

1. The governing body upon receiving the reports from three appointed appraisers and after holding the hearings shall transmit and certify the amounts of assessments to the respective boards of supervisors which, upon receipt of certification from the governing body of the district, make the necessary levy of such assessments as fixed by the governing body upon the land within such subdistrict. The assessments shall be levied at that time as a tax and shall bear interest at a rate not exceeding that permitted by chapter 74A from that date payable annually except as hereafter provided as to cash payments therefor within a specified time.
2. The assessment levied under this section together with any accrued interest or delinquency penalty as provided in this chapter shall be deposited in a fund established by the governing body as provided by a resolution adopted by the governing body and delivered for filing with each appropriate county treasurer. Moneys earned as income from moneys in the fund, including as interest, shall remain in the fund until expended by the governing body according to procedures specified in the resolution. If the governing body does not adopt a resolution or deliver the resolution to the county treasurer, the moneys shall be deposited into a separate account in the county's general fund by that county treasurer. The account shall be identified by the official name of the subdistrict and expenditures from the account shall be made on requisition of the chairperson and secretary of the governing body of the subdistrict.
3. At no time shall an assessment be made where the benefits accrued to the subdistrict do not exceed the cost of the improvements within the subdistrict.
