

161E.10 Assumption of obligations.

This chapter contemplates that actual direction of the project, or projects, and the actual work done in connection with them, will be assumed by the soil and water conservation district, a subdistrict of a soil and water conservation district, or the federal government, and that the county or other state subdivisions or instrumentalities jointly will meet the obligation required for federal co-operation and may make proper commitment for the care and maintenance of the project after its completion for the general welfare of the public and residents of the respective counties.
