

225.18 Attendants.

The court or clerk may appoint a person to accompany the committed public patient or the voluntary public patient or the committed private patient from the place where the patient may be to the state psychiatric hospital of the state university at Iowa City, or to accompany the patient from the hospital to a place as may be designated by the court or clerk. If a patient is moved pursuant to this section, at least one attendant shall be of the same sex.
