

225C.28A Service quality standards.

As the state participates more fully in funding services to persons with mental retardation, developmental disabilities, brain injury, or chronic mental illness, it is the intent of the general assembly that the state shall seek to attain the following quality standards in the provision of the services:

1. Provide comprehensive evaluation and diagnosis adapted to the cultural background, primary language, and ethnic origin of the person.
2. Provide an individual treatment, habilitation, and program plan.
3. Provide individualized treatment, habilitation, and program services as appropriate.
4. Provide periodic review of the individual plan.
5. Provide for the least restrictive environment and age- appropriate services.
6. Provide appropriate training and employment opportunities so that the person's ability to contribute to and participate in the community is maximized.
