

297.8 Emergency repairs.

When emergency repairs costing more than twenty-five thousand dollars are necessary in order to prevent the closing of any school, the provisions of the law with reference to advertising for bids shall not apply, and in that event the board may contract for such emergency repairs without advertising for bids. However, before such emergency repairs can be made to any schoolhouse, it shall be necessary to procure a certificate from the area education agency administrator that such emergency repairs are necessary to prevent the closing of the school.
