

331.209 Plan "two" terms of office.

If plan "two" is selected pursuant to section 331.206 or 331.207, the board shall be elected as provided in this section.

1. Not later than ninety days after the redistricting of congressional and legislative districts becomes law, or October 15 of the year immediately following each year in which the federal decennial census is taken, whichever is later, the temporary county redistricting commission shall divide the county into a number of supervisor districts corresponding to the number of supervisors in the county. However, if the plan is selected pursuant to section 331.207, the temporary county redistricting commission shall divide the county before February 15 of the election year. The supervisor districts shall be drawn, to the extent applicable, in compliance with the redistricting standards provided for senatorial and representative districts in section 42.4, and if a supervisor redistricting plan is challenged in court, the requirement of justifying any variance in excess of one percent contained in section 42.4, subsection 1, paragraph "c" applies to the board. If the temporary county redistricting commission adopts a supervisor redistricting plan with a variance in excess of one percent, the board shall publish the justification for the variance in one or more official newspapers as provided in chapter 349 within ten days after the action is taken. If more than one incumbent supervisor resides in the same supervisor district after the districts have been redrawn following the federal decennial census, the terms of office of those supervisors shall expire on the first day of January that is not a Sunday or a holiday following the next general election.

2. Each supervisor must reside in a separate supervisor district but shall be elected by the electors of the county at large. Election ballots shall be prepared to specify the district which each candidate seeks to represent and each elector may cast a vote for one candidate from each district for which a supervisor is to be chosen in the general election.

3. At the primary and general elections the number of supervisors, or candidates for the offices, which constitute the board in the county shall be elected as provided in this section. Terms of supervisors shall be the same as provided in section 331.208.

4. Each temporary county redistricting commission shall notify the state commissioner of elections when the boundaries of supervisor districts are changed, shall provide a map delineating the new boundary lines, and shall certify to the state commissioner of elections the populations of the new supervisor districts as determined under the latest federal decennial census. Upon failure of a temporary county redistricting commission to make the required changes by the dates specified by this section and sections 331.203 and 331.204 as determined by the state commissioner of elections, the state commissioner of elections shall make or cause to be made the necessary changes as soon as possible, and shall assess to the county the expenses incurred in so doing. The state commissioner of elections may request the services of personnel and materials available to the legislative services agency to assist the state commissioner in making required changes in supervisor district boundaries which become the state commissioner's responsibility.
