

350.12 Iowa's county beautification program.

1. A county conservation board may establish an Iowa's county beautification program to encourage the prevention and cleanup of litter in public areas of the county. The county conservation director shall prepare and implement the program which is designed to employ persons from fourteen years of age to eighteen years of age in a six-week summer program. The program may include public informational activities, but shall be directed primarily toward encouraging and facilitating involvement in litter prevention and cleanup. The program shall also include weekly instruction on safety in the workplace while employed with an Iowa's county beautification program. Financial assistance for an Iowa's county beautification program may be received through the county conservation account pursuant to section 455A.19. County matching funds shall not be required for eligibility for funding an Iowa's county beautification program.

2. A county conservation board shall coordinate its Iowa's county beautification program with the county engineer or director of the county secondary road department and with the district highway engineer of the state department of transportation. The respective county and state highway authorities, within time and budgetary limitations, shall cooperate with the county conservation board in implementing the litter program in regard to the rights-of-way of primary and secondary roads when requested by the county conservation board.
